I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

(d) All names, addresses, reports, resolutions, and/or other material to be included in *The Journal of the Alabama-West Florida Conference* shall be in the hands of the conference secretary not later than ten working days after the close of Annual Conference.

19. Board Memberships and Trusteeships:

(a) No person may serve on more than one quadrennial agency of this conference at the same time, except as provided by the *Book of Discipline*, nor for a longer period than eight consecutive years, nor for more than eight of any consecutive twelve years. Membership on non-quadrennial agencies is limited to no more than eight of any twelve consecutive years. The quadrennial agencies are: The Board of Missions, The Board of Education, The Board of Church and Society, The Board of Evangelism/Worship, The Board of Higher Education/Campus Ministry, The Committee on Ethnic Local Church Concerns, The Commission on Religion and Race, The Commission on Status and Role of Women, The Board of Ordained Ministry, The Commission on Equitable Compensation, The Board of Pensions and Homes for Claimants, The Council on Finance and Administration, and the at-large members on The Council on Ministries. (d) No ministerial member shall serve more than nine consecutive years (three terms) as a trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service. Beginning with the Quadrennium of 1996, no member shall serve more than twelve consecutive years as a trustee of any agency or institution related to this Annual Conference.

20. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Book of Discipline*, shall continue through the session of the Annual Conference immediately following General Conference for the purpose of completing their business.

(b) Every year the Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference session, in order to inform nominees of their selection and anticipated confirmation at the session, so persons not members to Annual Conference may plan to be present for the organizational meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers. The time requirements herein shall pertain as well to nominations made to fill vacancies at other sessions of the Annual Conference.

23. Each district shall have a District Committee on Nominations composed of the district superintendent as chairperson, and with a membership of three clergy and four lay persons, elected annually. No member may serve for more than three consecutive years with the exception of the district superintendent. The District Committee on Nominations may submit to the District Conference the names of one clergy and one lay person for election for each work area and age level, and such other persons as are needed for membership to the District Council on Ministries. Persons to be nominated shall be consulted by the district superintendent prior to the submission of names. Members are to be elected for the quadrennium or remainder of quadrennium if replacing a member. The District Committee on Nominations may fill vacancies with replacements to take office immediately. Such persons shall be confirmed at the next meeting of the District Conference. (**Par. 653.1**) District coordinators of Program Areas may be ex-officio members of the corresponding conference agency.

Reports unchanged from prior years (numbers 1,2,4,5,6,8,9,11,12,13,14), were put forward in a package motion, and approved. The remaining Reports were lifted up to be discussed/voted upon individually.

Report No. 3 was lifted up for discussion/vote:

—Correction to Report No. 3, item 1, correction: \$70,567 is for 1998, not 1997

—Mr. Ellis Flowers, Woodbine UMC, moved a word change, to substitute the word “Conference” for “Denomination” and “General.” Rev. Walker Epps seconded. The CFA accepted the motion.

—Rev. Dr. Leo Brannon spoke with concern about our ability to maintain raises consistent with denominational averages, and desiring to do so, spoke against the amending motion.

Grant Parker had a question of clarification.

Joe Lisenby spoke against the amending motion, that based on cost of living, it would be fairer to stay with the original report.

Rev. Floyd Enfinger had a question of which was higher, Conference or Denomination.

Dan answered that Conference was higher than the Denominational.

The amendment failed by handvote.

—Mr. Robert Powell proposed an amendment to delete item 5, Report 3, except for the last paragraph; Rev. Floyd Enfinger seconded. Powell raised concern about how this might create large differences in DS salaries.

Rev. Floyd Enfinger spoke for the amendment, feeling it would create inequities.

Mr. Bailey shared that they had considered this, but felt that differences in salaries exist among pastors, too, who share similar responsibilities.

The Bishop felt the amendment failed, but someone called for a count vote. Instead, the Report No. 3, Paragraph, was then tabled for further study.

—Judge Segrest questioned what the result of the tabling would mean. He then moved to table the entire report 3. Motion failed.

—Rev. Mike Watson, Dauphin Way, moved that the wording of Item 4 of Report 3 be changed to maintain the same formula for 1996 for 1998.

Enfinger moved a substitute, which was ruled out of order.

The Watson motion was approved.

The entire report No. 3 was then moved, as amended, and was approved.

Report No. 10 was lifted up for discussion/vote:

The Rev. Dr. Tom Butts moved we amend the language of Item 1, Report 10, to maintain the current 25% membership factor in the apportionment formula. (Neil has copy for exact wording).

Motion seconded. It was so amended.

—Report 10 as a whole was then approved as amended.

Report No. 10 was lifted up for discussion/vote:

—a correction was offered: under the column for DS Fund for 1998, this was changed from 715,000 to 745,000 and the total changed from 9,887,120 to 9,917,120. The corrected Report was then approved.

Then the entire CFA Report as amended was moved and approved.

Rev. Andy Gartman, Personal Privilege: he thanked Dan Bailey and CFA and expressed concern that CFA's recommendations were not accepted. The Bishop asked the conference to thank CFA, which they did by applause.

The Rev. Gerald Maddox and the Rev. Joe Lisenby brought differing opinions about what the previous motions would mean for total budget figures. Rev. Dr. Langdon Garrison and Rev. Dr. Mike Watson offered clarifications. It was concluded that these actions had changed some of the figures for the budget. It was moved by Thad Chesser that we re-consider the budget. So moved.

—Dan Bailey moved that R7, No. 1 be changed to read "1998," rather than 1997, and revert the District Superintendent numbers to those printed in the Brochure.

The Rev. Dick Wright, Personal Privilege: He clarified that the Cabinet is happy with whichever amount of salary the Conference sets for them as a whole, but they did not wish for there to be differences among Cabinet members, which might create a "caste system" among District Superintendents.

TREASURER'S REPORT: Gerald Maddox, Conference Treasurer, reported that apportionment giving was up. (See the financial reports found on pages 104-117 of the Brochure.) He assured the Conference that his office stood ready to answer questions and help the local church in any way they can.

The Bishop asked "Where will the next Annual Conference be held?" Dr. Wanda Bigham introduced new "Minister in Residence," the Rev. Mr. John Whitley. She invited the conference to return to Huntingdon College in 1998, which seemed by consensus to be accepted by the Conference.

Robert Powell, Personal Privilege: He thanked Steve Swan for his logistical help with Annual Conference.

Reports of Boards and Agencies

CONFERENCE COUNCIL ON MINISTRIES

The Conference Council on Ministries has been given the responsibility of coordinating the plans and activities of the Conference Program Boards and Agencies. The Conference Council supports and resources the Council on Ministries of each of the nine districts as well as every local church. The Conference Council is made up of some sixty (60) persons, clergy and lay, that represent a broad expertise in Ministry. Similar to the local church, the Conference Council on Ministries is made up of representatives from various program agencies within the Annual Conference. The Conference Council on Ministries seeks to fulfill its ongoing responsibility through its four standing committees. They are:

1. Executive/Personnel Committee
2. Research and Planning Committee
3. Communications/Interpretation Committee
4. Budget and Coordinating Committee

All of the Boards and Agencies are currently functioning and have planned their ministry focus for this year and 1998. We continue to evaluate our plans and study ways of implementation that will be more effective as stewards of one of God's great churches.

Vision 2000 continues to be an effective process through the offering of Intensive Training Events and annual rallies. The Task Force has gone through a process of study and "re-visioning through the year 2000." At the first "re-visioning" meeting, Bishop William Wesley Morris provided our Task Force and our Annual Conference with a great directed vision.

Under the guidance of Vision 2000, we now have our first "Three Year Covenant Community" that meets for spiritual formation and study. The Community is composed of forty (40) persons that meet four times a year for three years at a retreat center in Holy Trinity, Alabama. It is the hope of the Vision 2000 Task Force that we may begin a second Community sometime this year.

New Congregational Development is now assisting with the development of the three new congregations that have been formed. These new ministry areas are the Eastern Shore of Baldwin County, the Sandestin area, and the city of Dothan. Current plans are to continue to establish new congregations where ever possible. We celebrate the work that New Congregational Development does.

October 30th through November 2nd, 1996, the Board of Evangelism, under the umbrella of Vision 2000, hosted the last Regional School of Evangelism in Fort Walton Beach, Florida, in conjunction with the Board of Discipleship. Our conference Board of Evangelism will continue to sponsor schools of evangelism for our conference and for the training of laity and clergy in how to be better evangelists.

The Program Staff is available to individual local churches as well as Conference and District needs. The staff is open to invitations to assist as many local churches as possible. We can be reached at 334/222-3127 or Fax us at 334/222-0469. Our mailing address is Post Office Drawer 700, Andalusia, Alabama 36420 and our email address is AWFCHQ@AOL.COM.

Rev. James W. Carpenter, Executive Director

REPORT NO. 2 – DISTRICT COUNCILS ON MINISTRIES

ANDALUSIA DISTRICT

The Andalusia District Council on Ministries, chaired by the Rev. John Wesley Spivey, planned and supervised the following acts of ministry during the Conference Year 1996-97.

We continued to promote Vision 2000 Events, including (1) the promotion of attendance at the 1997 Vision 2000 Training Events, (2) the participation of district churches in the

Sunday School and Worship Attendance Campaign, and (3) involvement of laity and clergy in the School of Evangelism, Fort Walton Beach, Florida, Oct. 30 - Nov. 2, 1996.

The District Lay Speaking Program, directed by Mr. Dennis Finch of Samson, Alabama, continued to grow in effectiveness as more and more laypersons sought training in Conference events. Not only are lay speakers providing pulpit supply on call, but a growing list of regularly scheduled lay speakers is enabling more churches to provide services every Sunday.

In addition to the exceptional work done by Cara Stultz, a Missionary U-2 from the Board of Global Ministries, two other young women, Kyeone Woo and Laura Winkel, have provided leadership as U-2s in several district events (District Conference and Super Sunday), keeping us aware of the work of the Life Enrichment Center in McKenzie, Alabama.

Efforts in strengthening the small membership church, encouraged by Dr. Delbert Freeman, have taken place this Conference year. He provided frequent newsletters to our district churches, and helped organize a Conference-wide event, March 21-22, 1997, that featured the Rev. Steve Bierly, author of the book, *HELP FOR THE SMALL CHURCH PASTOR: UNLOCKING THE POTENTIAL OF YOUR CONGREGATION*.

During the Fall of 1996, September 29-October 2, The Rev. and Mrs. Frank and Hazel Harvey presented dramatic readings in churches throughout the District. The Rev. Harvey gave portrayals of the following biblical persons: Jesus (Sermon on the Mount), the Roman Centurion, and Simon Peter. Mrs. Harvey portrayed Fanny Crosby. On Monday and Tuesday, Sept. 30 and Oct. 1, Rev. Harvey visited public schools and presented "The Unknown Soldier". The Rev. Bob Crumbley, district secretary of Evangelism, gave outstanding leadership to this program.

The Lenten Season '97 offered opportunity for persons and churches to participate in a district sponsored Bible reading venture known as "Hosanna: Faith Comes by Hearing". This unique tape ministry involved more than a dozen churches in an effort to enlist their congregations in reading the Bible every day. The hope was that people would complete the entire New Testament in 40 days.

Super Sunday in 1997 presented seven workshops: 1. "Helping and Healing Ministries," taught by Rev. Tom Terry; 2. MISSION, led by Mr. Belman Maddox; 3. PPR COMMITTEE, led by Bishop William Wesley Morris; 4. ADMINISTRATIVE COUNCIL/COUNCIL ON MINISTRIES, taught by Rev. Walker Epps; 5. "The Basics of Christian Education," led by Mrs. Pam Barnhardt; 6. TRUSTEES, taught by Rev. Steve Winton; and 7. "Evangelism in the Local Church," led by Mrs. Becky Livingston. The Worship Service, following the workshops, featured Bishop William W. Morris as preacher. Special Music featured the choirs of the First United Methodist Churches of Andalusia and Opp.

The Rev. Walter Ellisor, Dothan District Superintendent, was our guest preacher at the District Conference on Oct. 27, 1996.

A DISTRICT "WE CARE" MISSION was held in six geographic regions of the District from April 6-May 4. Host churches included: Bermuda UMC, April 6; Georgiana, First UMC, April 13; Cedar Hill UMC, April 13; Macedonia UMC, April 20; Samson UMC, April 27; and St. Mark UMC, Crestview, FL, May 4. Congregations in these areas gathered to share a fellowship meal and a service of worship in which various pastors (names pulled from a hat) shared their own personal witnesses of Faith.

Work being done:

1. The refurbishing and refurnishing of the District parsonage
2. A District-wide Revival in 1998.
3. The Andalusia District workshop on Religion and Race.

DEMOPOLIS DISTRICT

In the movie, "Forest Gump", his mother tells Forest that "Life is like a box of chocolates. You never know what you're going to get." That's not necessarily true. God knows! In the Demopolis District, we know. We know we get dedicated leadership from our District Superintendent, Charles Walker, and his wife, Monette. We know we get co-operative ministry from most of our ministers and lay people. We know we get commitment to doing work of the kingdom as the following report will indicate.

On May 18, an Ethnic Minority training event for local church leaders was held at Zion

U.M.C. in Marion with Bishop Morris as the guest preacher and one of the leaders. Over 90 attended this event that is proving to be a great benefit to the district.

Fellowship is a most important element in the life of the clergy family. All of the ministers and their families were invited to our annual district picnic on June 15th at Paul Owensby's lake house in Linden. We also celebrated the sacrament of Holy Communion and welcomed our new ministers and their families into the Demopolis District.

Under the joint leadership of Dr. Jesse Shakleford, District Missions Co-ordinator, and Mrs. Patti Vice, District U.M.W. President, a mission sampler took place in Linden U.M.C. on August 17th. Our resource leaders were Mary Morris, Monette Walker and the Rev. Cecil Jackson. The Rev. Jim Carpenter was our devotional leader. The resource leaders introduced the mission studies from the School of Missions for the coming year and suggested how the local church could prepare to incorporate these studies into the church program.

Dr. Greg Clapper, Professor of Religion at Huntingdon College, was our leader at our Spiritual Life Day Apart held at Paul Owensby's lake house in Linden, AL on September 28th. The ministers and spouses of the district enjoyed a luncheon provided by the district and the teaching on the "Spiritual Life of John Wesley". It was a most edifying event for all who attended.

The Demopolis District was one of the best represented districts at the School of Evangelism at Ft. Walton Beach last October. Twenty-four ministers and lay people participated in this four day event.

Demopolis First U.M.C. was the setting for our District Conference. In addition to the business session, it was a celebration with over 300 in attendance. The Rev. Jim Carpenter, the Executive Director of the Conference Council, was our guest preacher. Special music was provided by: the Thomasville U.M.C. Chancel Choir under the direction of Jerry McCrory; the Coffeenville Quartet; Unity Singers from the Brewersville U.M.C.

On Jan. 12, 1997, we held our annual Super Sunday/Youth Rally at the Thomasville U.M.C. with over 320 in attendance. We had eleven packed classes for our training event and a marvelous Youth Rally led by students from Huntingdon College. Dr. Herb Sadler presented an outstanding message during the worship hour that challenged each of us to vision more and expect more in the local church. The Choir from Jackson, First U.M.C. provided special music for the evening. The evaluations indicate that it was the best Super Sunday ever.

We are very proud that Jimmy Scruggs and Charlie Williams have been selected from our district to be conference leaders with Partnership in Ministry. These two men are committed to sharing the gospel and give generously of their time and talents. In addition, Jimmy Scruggs is our District Lay Leader and Chairperson of our District Volunteers in Missions. He is co-ordinating the refurbishing and building of three parsonages for African-American churches in our district. Work teams helped to renovate and add to the first parsonage at the Zion U.M.C. in Marion. The General Board of Global Ministries contributed \$25,000 and the project was completed in December, 1996. The second parsonage will be built May 5-10, Habitat for Humanity style. It will be a co-operative effort of the Demopolis District, the Montgomery District and Volunteers in Mission from the Fairhope U.M.C. Bishop Morris will assist in the effort and dedicate the new parsonage on May 10th. The third parsonage will be built later this year for the St. Matthew/Jackson Chapel charge. We want to express our gratitude to everyone across the conference for your efforts and generosity in making these dreams a reality in the Demopolis District.

Our connectional ministries continue to be a vital part of the labor of United Methodists in the Demopolis District. We remain second in the conference in percentage giving to the apportionments (92%) because of the commitment and faithfulness of our pastors and our local churches. We are proud to be United Methodist.

Finally, I want to express my appreciation for the opportunity to work with the members of the district C.O.M. They are giving fine leadership to the district and setting goals that will continue to make the Demopolis District an exciting place to serve. I know.

Dr. Art Luckie, Chairperson

DOTHAN DISTRICT

The Dothan District Council on Ministries, which meets six times annually, planned, coordinated, and implemented a number of outstanding programs and projects in 1996. Several highlights include the following:

1. A new church, Harvest Church United Methodist, opened on November 3, 1996, and now averages over 100 people in worship on Sunday. Rev. Ralph Sigler is the pastor of this congregation that meets at Girard Middle School in Dothan. Special features include contemporary worship and fellowship opportunities.
2. This year was a banner year for the Small Membership Churches in the Dothan District, with all eight cluster groups finding innovative ways of discipleship in their own churches and communities. This successful program includes cluster revivals, cluster vacation bible schools, cluster youth groups, cluster worship, cluster mission projects, and cluster athletic programs. The clusters have added resources to the individual churches for ministry that the individual churches could not have achieved by themselves. The cluster movement has been so well received that even churches whose memberships exceed 150 are participating. Skipperville UMC received the conference Award for the Outstanding Small Membership Church. The district committee has received training both at the district and conference levels, enabling them to be motivators in their local churches as well as in their clusters. Rev. Ron Lee leads this effort.
3. The Super Sunday Training Event held on Sunday, January 14, 1996, included a message by Bishop William W. Morris, special music, and ten workshops that were well attended.
4. The Russian Initiative received strong support, with churches providing approximately 388 banana boxes containing 16 tons of medical supplies, books, equipment, and clothes.
5. District United Methodist Women held three district-wide mission studies with 22 units attending all three. Sixteen units achieved Five-Star status based on their participating in all five channels of undesignated giving to missions.
6. Laity Rallies continued to provide great opportunities for worship, fellowship, and various programs. Four rallies were held; January 29, Ozark First UMC; April 29, Pleasant Hill UMC, Ozark; July 29, Lafayette Street UMC, Dothan; and September 30, Midland City UMC.
7. The District Vision 2000 committee, chaired by Rev. Pam Huff, publicized and encouraged participation in the Vision 2000 Celebration in Montgomery. A large number of District churches attended.
8. Plans for the 1997 District Revival were made by a dedicated committee led by Dr. Jerry Dooling and Mr. Robert Powell. These evangelistic services to be held at Dothan First UMC on April 6-9, 1997, will feature Dr. Bill Hinson preaching and Joe Pat Cox leading the music.
9. The School of Evangelism was emphasized in the district, with Rev. John McCullough serving as the Dean and a large number of both clergy and laity participating.
10. Programs planned for 1997 include the Super Sunday Training Event, Vision 2000 Training Event, District Wide Youth Rally scheduled for Feb. 28th at Abbeville UMC, District Wide Revival, Laity Rallies, and UMVIM projects. The Russian Initiative is continuing with the purchase of a flat to be used to house missionaries and have a meeting place for starting a new church in Kirov, Russia.

MARIANNA/PANAMA CITY DISTRICT

The Marianna/Panama City District Council On Ministries, under the able leadership of Rev. Jud Stinson has jelled into a well-attended planning council which planned and/or participated in a number of events in 1996, including the following:

- A. Visits from Bishop Morris, to preach, lead dedications, teach and meet personally with laity and clergy.
- B. P.B.S. (Prayer, Bible and Support) meetings monthly with our District Superintendent.
- C. Visits from Rev. Jim Carpenter and Dr. Jerry Dooling for District Conference and Super Sunday, respectively.

- D. District fellowship opportunities such as Welcome The New Minister's Luncheon, Christmas party, etc.
- E. Other Events Planned by D.C.O.M. such as:
 1. Continual utilization of Vision 2000 models.
 2. Repairs and renewed support of the exciting ministry at Noah's Ark led by Pastor Dan Hudson and Director, Mr. Luke Pinegar.
 3. Planning for a District Mission Saturation Event for April 19-20, 1997. This special mission emphasis will bring 27 missionaries to the Marianna/Panama City District. Rev. Dan Hudson, Chp.
 4. A Tax Seminar for Church Treasurers, Finance Committees, and Pastor-Parish Relations Committees under the astute leadership of Troy District Superintendent, Rev. Joe Lisenby.
 5. The formation of a new church at Santa Rosa Beach. This is a joint project with The Pensacola District. Rev. Don Kirsch, the appointed pastor, has named the church, The Good News UMC.
 6. The District Office purchased new computers and District Secretary, Mrs. Davine Shores, got us on the Internet.
 7. Much time was spent on implementing the new General Conference legislation for the District Board of Ordained Ministry, including training by Dr. Wayne Perry, Conference Registrar and Dr. Ken Taylor, our DCOM Chairperson.
 8. Partnership in Mission Training was attended by Rev. and Mrs. Charles Cobb. There is excitement about Partnership in Ministry among the laity and clergy of the district.
 9. Lay Speakers met to reorganize with a Lead coordinator in the North and East and assistant coordinators in the South and West. This important lay ministry continues to provide a vital service for us.

DCOM Committee

MOBILE DISTRICT

The Mobile District Council on Ministries meets six times a year and continues to be active in planning and promoting the ministry of the United Methodist Church through training, education, and service within the district. Of course, some of these areas overlap; for example, training is also educating and training and education are to promote ministry through service.

In the area of training our Super Sunday in January provides training for specific areas of church work for local church leaders. The district UMW provides training for local officers and leaders. Our district was very well represented for the Vision 2000 training event held in Pensacola and the district has held a special training event for beginning lay speakers by offering the Basic Lay Speaking Course at the Government Street UMC.

In the area of education the district set up a special booth at the Greater Gulf State Fair in Mobile which showed the location of all United Methodist churches within the district, provided information about the missions and programs of the United Methodist, and was manned by volunteers who could answer questions about the UMC and its work. This year, all three of the church-wide mission studies were taught on a district-wide class basis. Each class was taught at a different UM church by a pastor who had the Conference study classes at Blue Lake. Special parenting classes have been sponsored by several churches, especially in the northern portion of the district.

In the area of service and ministry there was a district Youth Activities Week in which the youth worked on projects in the urban area of Mobile and there were also Youth Revival services. A district-wide singles event was held for the first time and ways of developing area singles groups are being explored. Four days of District revival services were held with Dr. Glen Draper leading singing and Dr. Eddie Fox preaching. The northern area of the district continues to minister to their pastors through their annual Pastors Appreciation Dinner as well as ministering to their communities various charitable outreach activities.

During this Conference year the district has enjoyed a special cooperation with the Church of the Annunciation Greek Orthodox congregation who gave a portion of their annual Greek Festival proceeds to the Children's Home and ministered to the children of the inner city through the Mobile Inner City Mission.

Other plans are being considered for the future enhancement of the work of the kingdom of God through the local congregations of the UMC as well as ways to promote ministry on a district wide level.

MONTGOMERY DISTRICT

The year, 1996, was one of growth in the Montgomery District. Those members received on profession of faith numbered 612, received from other United Methodist Churches were 536, and received from other denominations were 606. The net gain in membership for the district was 373 resulting in a total membership at the end of the year of 27,432. In addition, apportionments were paid at 96%.

Programs and ministries which received particular emphasis included:

1. The annual Super Sunday training event for the leadership of the local churches.
2. Vision 2000 in its many facets.
3. R.U.S.H. Week (Are You Serving Him?), a youth event with in excess of 500 young persons attending each service.
4. "In Praise of the Father, Son and Holy Spirit," a sub-district event attended by 600 persons.
5. United Methodist Volunteers in Missions received over \$500,000 from the churches in the district in support of mission projects and teams.
6. The strengthening of the small membership churches through shared projects, worship and fellowship.

James D. Reece, Chairperson

PENSACOLA DISTRICT

The Pensacola District saw a change in leadership during 1996 as Dr. Langdon Garrison retired and The Rev. Charles Avery was appointed as District Superintendent. The strong ministries of the district are no doubt in part due to the leadership of Dr. Garrison as well as the other committed clergy and laity of the district; and these ministries no doubt will continue to grow under the leadership of Rev. Avery.

The varied ministries of the district continued to grow under the leadership of Rev. Avery.

The varied ministries of the district continued to progress in 1996/1997 including: LITE Day program (Leadership Inspirational Training Event), a training event for local church leaders to facilitate the ministry of the local church; Vision 2000 emphasis including a Sunday School and Worship Attendance Crusade; The Little Zion Church project with a consecration service on January 5, 1997; Hispanic Ministries emphasis; Campus Ministries on the University of West Florida and Pensacola Junior College campuses; Mission to Russia; and an emphasis on the ministry of the laity. A new emphasis on prison ministries was initiated with the addition to the District Council on Ministries of Rev. Edison Burleson, Chaplain at Century Correctional Prison. Also, two new churches were initiated, one in the Malbis area and one in the Sandestin area.

The Pensacola District Conference and Rally was a special event in November of 1996 through which 175 years of Methodist ministry in the Pensacola area were celebrated with special music, various speakers, and a slide presentation highlighting the churches of the district.

In March of 1997 two lay/clergy workshops on "Managing Conflict in the Local Church" were held with over one hundred participants. Other emphases of the district in the future may include more lay ministry programs, contemporary worship training, a singles ministry workshop, a focus on children and their needs, the networking of churches with common ministries, exploring a change in structure of the D.C.O.M., and the adoption of a yearly theme around which to focus our ministry.

Rev. R. Neil McDavid, Chair

SELMA DISTRICT

1996-97 saw a change of leadership in the Selma District. We are deeply grateful for the leadership of Doug and Gaynelle Newton over the past six years and are very appreciative of the fine beginning by Bill and Ann Calhoun.

1. During this year we have seen the rise of a significant new effort through our Committee on Small Membership Churches. following fine attendance at a workshop at Blue Lake, plans were made to create nine cluster groups along with a coordinator for each group. Some of these clusters have met for 5th Sunday evening programs that have been very successful. There are also plans to pursue joint Vacation Bible Schools and joint revivals.
2. We continue our Whitewater Camp Meetings in the Fall. This past year we were blessed with good weather and our best attendance yet. We began with a typically good Sunday evening crowd which included 100 young people for a District rally. We anticipate continued growth this year as we have set October 5, 6, and 7 as our dates. Bishop William W. Morris will be the preacher.
3. One of the bright spots for the year was our Super Sunday in January featuring nine well led workshops and an attendance in excess of 200. We hope to continue to meet the need for leader development in this and other ways in the coming months.
4. A new event for the year is the hosting of a Hispanic Ministries Banquet in the Clanton Area to highlight the needs and opportunities of Hispanic Ministries.
5. We are planning two Children's Home banquets – one in Selma and one in Prattville to spread the word of the fine job done by our Home and to encourage increased support of this work.
6. The Council on Ministries is also helping to staff and support revitalization efforts at Robinson Springs Church. We plan visitations in the area to make residents aware of the ministry of this church. In addition we are having a demographic study done in the Autauga/Elmore county areas in an effort to determine future directions of growth and possible establishment of a new congregation to meet this growth.

Special thanks need to be given to all of the Council members who make a special effort to attend meetings and help plan these programs and support these possibilities for ministry. Selma is a diverse district with great potential for faithful service.

TROY DISTRICT

The Troy District completed 1996 quite successfully by concentrating on the promotion and encouragement of the many opportunities for instruction and help provided through the Vision 2000 training events, the Conference Council on Ministries personnel, and other resources available through our great denominational structure. Some indications and high points are:

- 1) The District had an increase in membership again in 1996. This was accomplished by again receiving more members on Profession of Faith than was lost due to deaths and in spite of nearly 90 being removed by Charge conference action.
- 2) Over 50% of the Churches in the District paid 90% or better of their Conference Apportionments. The goal for 1997 is for 75% to accomplish this act of faithful stewardship.
- 3) The District ministers were again inspired and challenged in their annual Retreat at Holy Trinity by the leadership of Rev. Jan Britton of Western N. Carolina Conference in her instruction on conducting all-age Bible study and worship.
- 4) Conducted two sub-district Workshops for UMW officers, Missions work area chairpersons and PPR Chairpersons and members.
- 5) Continued to develop and utilize a very involved Lay-Speaker program that boasts 17 Certified Lay Speakers and 9 Local Church Lay speakers who conduct over 130 services a year throughout the District.
- 6) Have four persons (two clergy and two lay) trained, or in process of being trained, for the "Partners in Ministry" program sponsored by Conference Board of Laity. The first sub-district training event involving ministers and leading lay persons from six Churches

is planned for April, 1997.

- 7) Held a ministers and spouses Christmas dinner in Union Springs FUMC with over 70 persons attending.
- 8) A very successful District Conference was held in Nov. at First UMC, Troy.
- 9) A great District Youth Rally was held in Union springs, FUMC, involving over 80 youth and under the direction of Rev. Cory Smith, the District Youth Coordinator.

1. There shall be an Executive Committee composed of the officers of the Conference Council, the Presiding Bishop, a Cabinet representative (chosen by the Cabinet), the Conference Council Director, the Conference Lay Leader, members of the General Council on Ministries, the immediate past-chairperson of the Conference Council, **and five at-large members (one of whom shall be a youth) nominated from among the Council membership by the Conference Council Committee on Nominations and elected by the Conference Council.** Approximately one-half of the members shall be laypersons.

Rationale: To make explicit what has been usual practice in naming the five at-large members to the Executive Committee

ITEM II – Current wording:

V. COMMITTEES:

- B. There shall be committees on Research & Planning, Budget & Coordinating, and Interpretation/Communications nominated annually by the Conference Council Committee on Nominations. The membership of each committee shall consist of six (6) from the membership of the Conference Council and six (6) at large selected on the basis of interest, expertise, and inclusiveness. ALABAMA-WEST FLORIDA CONFERENCE VISION 2000 TASK FORCE

In the first of two Vision 2000 “Re-Visioning Sessions”, evaluation by Bishop William Morris, Council Director Jim Carpenter, the Cabinet and the Conference Vision 2000 Task Force affirms that the movement of Vision 2000 in the Alabama-West Florida Conference has been successful in changing the lives of churches and deeply enriching the lives of United Methodists!

This year our report is in two parts: First, a synopsis of the major events of 1996-1997, and second, a report of Re-Visioning for Vision 2000 for the years 1997-2000.

Major Events of 1996-1997

The 1996 **School of Evangelism**, “Offering Christ Today” was held in Ft. Walton Beach, Florida, October 30 - November 2, with 254 participants. Dr. Robert McKibben, Chairperson of the Board of Evangelism, directed this significant event in the life of our Annual Conference.

Outstanding training opportunities were once again offered under the Vision 2000 banner during 1996, with over 1200 persons participating in one of the four major training events.

Under the leadership of Mrs. Ann Hinds, Chairperson, three **Intensive Training Events** were very successfully held in Montgomery, Dothan and Pensacola, with a total of 897 participants. In addition to regularly requested seminars, Dr. Rick Kirchoff led a seminar on Alternative/Contemporary Worship at each of the three events. Enthusiasm was very high following each event, and evaluations were overwhelmingly positive.

The Ultimate Training Event, under the direction of Mr. Greg McKinnon, Chairperson for Youth Leadership, brought Dr. Duffy Robbins to teach, inspire and challenge a total of 317 youth leaders – the largest number of participants to date for this annual event.

A new and very helpful avenue of communication to Vision 2000 leaders in local churches – clergy and lay – is our quarterly **newsletter, *Moving Toward A Clear Vision for the 21st Century***. Rev. Dean Allerheiligen serves as editor for this publication. To date, three issues filled with important information, resources and inspiration have been published and mailed throughout the Conference.

Through the careful planning of our **Spiritual Foundations Committee**, our **Three Year Covenant Community for Spiritual Formation** is filled to capacity with thirty-nine participants. The first quarterly retreat of twelve over a three year period was held in February at the Blessed Trinity Shrine Retreat at Holy Trinity, Alabama. This is a remarkable retreat center ideally designed for retreat groups such as ours. The theme of the first retreat was “Introduction to Spiritual Disciplines”. Response to this experience for spiritual growth has been very positive. We have a waiting list and hope to establish a second Three Year Covenant Community for Spiritual Formation within a year. Rev. Dan Morris served as chairperson of the Spiritual Foundations Committee at the inception of this venture. The current chairperson is Rev. Steve McGucken.

The Sunday School/Worship Attendance Campaign, under the leadership of chairperson Rev. Allen Newton, was a major 10-week focus culminating on Easter Sunday. New campaign resources were made available to churches early in the year for planning. A report from the 1997 campaign is being compiled for publication.

The Clergy Proficiency Events continue to draw excellent participation due to outstanding leadership and careful planning by chairperson Dr. Doug Newton. The 1997 event will be held on Tuesday, August 26, at First United Methodist Church in Dothan, Alabama, with Dr. Ellsworth Kalas as leader.

Disciple Bible Study has made a valuable impact in the lives of thousands of persons who have been faithful to this discipline. Rev. John Bonner is working with the **Disciple Bible Study Umbrella Plan** to join small membership churches with larger churches to share resources, leadership and class participation. A large number of congregations throughout the Conference are now active in this program.

Re-Visioning for Vision 2000 for 1997 - 2000

At the March 7, 1997, meeting of the Conference Vision 2000 Task Force, a time of “Re-visioning” for the Vision 2000 movement was held under the leadership of Conference Council Director Jim Carpenter. This important session included our Bishop, William W.

Morris, our nine District Superintendents, members of the Task Force and other interested persons. The purpose was to evaluate the effectiveness of the movement within our Conference and to determine future direction. Bishop Morris expressed his vision for the future of the Conference leading to the year 2000. This vision called for a discerning of God's preferred future for us, and highlighted four areas of focus for each local church, District and Conference agency: Reclaiming the Cities, Evangelism, Missions and Stewardship.

Jim Carpenter, Executive Director of the Conference Council on Ministries, stated that Vision 2000 was a success and emphasized building on the strengths of the movement in the next three years. Rev. Carl Dickerson, a member of the Vision 2000 Task Force and an elected member of the National Vision 2000 Advisory Board, stated that national leadership affirms the general direction and plan of Vision 2000 which will move forward with strength into the twenty-first century.

Your Conference Vision 2000 Task Force continues to seek ways to resource and assist local congregations as they move toward God's preferred future for themselves and for The United Methodist Church in the Alabama-West Florida Annual Conference.

Mary Ellen Bullard, Task Force Chairperson

COMMISSION ON NEW CONGREGATIONAL DEVELOPMENT

Report No. 1

This Commission works in compliance with Standing Rule #41 of the 1996 Conference Journal: "There shall be a Commission on New Congregational Development. The membership of the Commission shall be determined by Standing Rule 38. Included in the fifteen members shall be a representative from the Conference Board of Missions, the Commission on Equitable Compensation, and the executive director of the United Methodist Foundation." The 1994 Journal spells out the work of the commission more clearly in stating, "The Commission shall develop standards and guidelines for congregational development and annually establish the conference priority(ies) for new congregational development. It shall administer funds made available to it from all sources."

The commission met several times during the 1996-97 time period to discuss the business of the commission and to make decisions that will affect its future. Our focus is to develop at least one new congregation each year, while knowing that the process of bringing a new congregation into being takes more than one year. It takes the effort of everyone: the bishop and his cabinet, the commission, and the local pastor appointed to the area and the people involved there to make these dreams come true.

We have good reports from the three areas where pastors were appointed this past year. The Rev. Ralph Sigler, working in the North Dothan area, the Rev. Don Kirsch in the San Destin area, and the Rev. Brad McClain in the Malbis-Eastern Shore area, all bring to us ambitious and positive reports. We now eagerly look forward to the next new congregational development and encourage each district to seek to initiate at least one new church.

We are thankful for each of our commission members and the fine work they have done. They are: Norman Carr, Jennie Norton, Timothy Trent, Laura Edwards, Doug Pennington, Warren Booker, Ed Deabler (sec), Roy Sublette, Foy Campbell, James Dowling, Don Lehman, Craig Carter, Edwin R. Sells, Grant Parker, James Carpenter, Al Brunner, Terri Turner, Fred Fuller, and Bishop William Morris.

The Commission thanks the Conference Council and the funds provided by the Council in assisting the provision for grants. We continue to work with 'Fund I' and 'Fund II'. 'Fund I' is monies from which grants are paid, and 'Fund II' is the endowment fund from which interest is drawn to assist the supply to 'Fund I'. Our funds are handled by our United Methodist Foundation in Dothan, Alabama.

Report No. II – Financial

Through our grant program in 1996 we were able to assist our new and growing churches, as well as one relocation in the following amounts: St. James (relocation) \$50,000, Orange Beach (a first unit) \$35,000, San Destin (a new area) \$21,000, and Malbis (a new area) \$21,000. We have completed our payments on all promised monies in 1996 and have on hand in 'Fund I' the amount

of \$59,700.46 as of December 31, 1996. The balance of our endowment fund invested with our Foundation as of December 31, 1996 is \$572,560.05. The growth noted in 'Fund II' is from contributions and retained earnings. Our present goal is to reach \$1,000,000 in this endowment fund to assist in the establishment and growth of new congregations.

Our 1997 grants (in answer to the requests made) are: The San Destin area – \$25,000, North Dothan, \$25,000, Eastern Shore (Malbis) area, \$25,000, St. James (relocation) \$15,000, Orange Beach (new structure) \$5,000 and \$3,000 for Percept studies. Amounts are reserved for assistance to Little Zion and the Selma District for a new church beginning.

We urge our Annual Conference to continue to do everything possible to bring about the reality of new congregations and the establishment of beautiful and meaningful new United Methodist Churches in the bounds of our conference.

Respectfully Submitted,
Norman Carr, Chairman

ETHNIC LOCAL CHURCH CONCERNS COMMITTEE

In an effort to provide spiritual and social growth to minority youth, the Ethnic Local Church Concerns (ELCC) committee provided funds that enabled several local churches to provide new experiences for their youth. These youth have participated in arts and crafts, tutorial services, Bible study, and field trips in the state of Alabama. Some churches have sponsored summer ministries and year-long youth ministries, and cultural trips.

Our task as a committee is to work to strengthen the racially-ethnic minority local church. These type efforts bring closer to reality the wasted lives of our young people when they are isolated and the ministry of healing that is brought about when the United Methodist Church carries the standard of reaching all of God's people wherever they are. The vitality of a congregation, regardless of size or ethnic make-up is enhanced when the young people are energized to be faithful and obedient. This is the strength of this ministry work within the Alabama-West Florida Annual Conference. The issues are HOPE and JUSTICE. In addition to the support for the local church ministries, the community outreach provides a means for creating an atmosphere for Hope and an image of Justice.

In an effort to expose youth to United Methodist Church related colleges, an ELCC grant was approved for a youth group from the Marion-Circuit recently to visit Bethune-Cookman College, Daytona Beach, FL and the Zion United Methodist Church at Ocala, FL. Many of these young people, having never been beyond the boundaries of their county, have a better understanding of the immediate world beyond them. The Zion Church, Marion-Circuit, was also given a grant to assist students in improving their performance in public school classes. Overall more than 50 youth were involved. The Little Zion United Methodist Church received a grant from ELCC so that they could conduct a program, "Turning Youth to Christ," with approximately 20 youth attending the training sessions after school on Tuesdays, Wednesdays, and on Saturday mornings. The main focus is to equip ethnic minority for basic missions and evangelism. With a grant from ELCC, the Johnson Hill United Methodist Church Summer Ministries Program provided bible teaching, field trips and community involvement activities for approximately 125 students. This program has continually been a positive means for the community to participate in the connectional work of the United Methodist Church. St. Paul United Methodist Church in Eutaw, AL, received an ELCC grant to conduct a summer program to provide "Spiritual Nurturing to the Community and the United Methodist Youth". Approximately 75 youth were trained and served through the efforts of members of the community and the St. Paul Church. Likewise grants were given to Oakgrove and Jackson Chapel United Methodist Churches to conduct summer ministries. The building up of youth in these predominately rural areas are at least steps in presenting the respective churches as avenues of hope and brighter futures.

The ELCC committee also sponsored the participation of four persons, two clergy and two laity, to participate in Global Gathering III, Kansas City, MO. A scholarship was provided in support of the pastor of Little Zion United Methodist Church in completing his seminary education. In both instances, the ELCC committee is continuing to meet its purpose of strengthening the church. As Paul so aptly wrote, "...If one member suffers, all suffer together; if one member is honored, all rejoice together. (1 Cor 12:26)" We can all rejoice together as the ministry and purpose of the ELCC committee moves ever forward.

COMMITTEE ON NATIVE AMERICAN MINISTRY

The work of this committee is to coordinate the promotion of Native American Awareness Sunday and monitor Native American ministries within the annual conference. We are to also report on how the Native American Awareness Sunday funds have benefited Native Americans in the conference. Although the work of the committee slowed down in this past year, we did have members participate at several churches in their promotion of Native American Awareness Sunday. However, churches are encouraged to celebrate the awareness of the gift of the Native American people year round and not just on Native American Awareness Sunday. The chairman, Mr. John Byrd or Mrs. Katheryn Stanley, stand ready to support any program that is intended to bring about a better understanding of the Native Americans in our conference area.

The committee remains a supporter of the work at the jurisdictional level as an additional means of expanding its conference work. A scholarship for \$1,500.00 was given to the SEJ Agency for Native American Ministry (SEJANAM) to sustain and support the work being done to assist Native American youth in getting jobs, provide adults with special training in dealing with problems unique to the Native American families, and provide a gathering place for Native Americans from the Southeastern Jurisdiction to address common issues and collective solutions. An annual Native American Conference is coordinated by the SEJANAM office for the uplift of persons as a retreat fellowship for Native Americans and others each year. The work of the conference committee is to assist Native Americans from the Alabama West Florida Conference to participate in that conference, scheduled this year for June 20-22, 1997, at Lake Junaluska. This is the Ninth Annual SEJ Native American Conference. Attendance is not restricted to Native Americans. Persons who are interested in the work of Native American Ministry are encouraged to participate.

The conference committee is very committed to addressing work beyond the local church and offers itself to help local churches interpret the story of and Christian witness of the Native American people; not only the people of our conference, but also the Native American people of the southeast. To that end, the Alabama-West Florida Conference, through the apportioned monies provided to the Committee on Native American Ministry, supported Mr. Gary Lowery, a member of the Alabama-West Florida Conference, in participating as a team member on a mission trip to Carabuco, Bolivia, August 9-24, 1997. The team, all Native Americans from the SEJ, worked to build Carabuco Support Staff Housing as part of a project of the Andean Rural Health Care Mission of the United Methodist Church. The effort was initiated as a way of introducing Native Americans, directly and as an example to other Native Americans, what it means to be in mission. This was a response to the many persons who have been working in missions for Native Americans. Mr. Lowery, a Cherokee and former member of Summit Park United Methodist Church, struggled with not only the hard work, but also had to cope with the high altitude and very thin air. His comments about the trip were summed up by one of the team members, "the worst two weeks I ever loved".

As we engage in the ministry that embraces all persons as a part of God's tapestry of life, we all grow more in love and faith. The work of this committee is limited only by its vision and committee. Planning is underway that we may realize a dream of one of the committee members. That is to see a gathering of persons from across the conference, at Blue Lake Assembly on August 22-24, 1997, to share in the rich heritage and diversity of the Native American people. The beauty of the "Signing, singing, dress, stories, and foods," will be a part of that gathering. The focus will be on how we are all a part of the same family. And our hope is that every district will be represented by at least 8-10 people. In this way the entire conference will have benefited. The Conference Committee on Native American Ministry is thankful to the Alabama-West Florida Conference for its steadfast love and support. We look forward to an even brighter future!

BOARD OF EVANGELISM/WORSHIP

The Alabama-West Florida Conference enjoyed yet another year of net growth in total membership in 1996. This marked the ninth consecutive year of positive membership gains. The 790+ new members was an improvement over the previous year demonstrating our movement toward a strong growth pattern.

Our conference's success over the last four years has been a byproduct of dedicated leadership by the outgoing chair, Mrs. Ann Hinds. She has been a driving force in Evangelism for many years. In October 1996 the Board of Evangelism and Worship hosted a Regional School of Evangelism. Over 250 participants participated in this extraordinary event.

Bishop Morris has given us a new vision and objective for the next four years. It is an attainable, yet challenging vision that will be met only with a renewed passion for evangelism among the people of the Alabama-West Florida Conference. That vision is for the Alabama-West Florida Conference to have a net gain in membership of 2000 by the year 2000.

In an effort to move forward aggressively on reaching the vision, a new focus and direction for the Board of Evangelism and Worship was unveiled in the fall of 1996. This dynamic redirection is called *Intentional Evangelism*. An extensive outline of this four year resource plan will be made available to every local church at annual conference. *Intentional Evangelism* has several components, each designed to assist the local church in accomplishing its evangelistic task. The Board of Evangelism and Worship is a group of highly motivated disciples working hard to bring the various components together into a coordinated and powerful resource for the benefit of the leadership of every church.

There are two significant and essential events planned for 1998. The first is an *Intentional Evangelism Workshop* scheduled for February 27-28, 1998. Because this first workshop will contain foundational training in evangelism, it is our goal to have over 15% of the local churches from each district represented at this event. From within this group it is hoped that that training will spread to over 90% of the local churches by the year 2000. The second event will focus on *Vital and Effective Worship*. Worship remains the primary evangelistic encounter in our churches. The training is planned for October 23-24, 1998.

The Board of Evangelism and Worship has enthusiastically continued their endorsement of several programs. Among these are: The Lay Witness Mission, Walk to Emmaus and Chrysalis, Spiritual Foundations, and The Harry Denman Award.

COMMISSION ON THE SMALL MEMBERSHIP CHURCH

The Commission on Small Membership Church was established by the 1993 Annual Conference and formalized by actions of the 1994 Conference. (For purposes of definition, in the AWF Conference, a small membership church was redefined as one with 150 members or less.)

- The COSMC has identified its purpose and responsibility to the AWF Conference as:
1. To affirm the small membership church, celebrating the fact that most are doing an outstanding job in fulfilling the mandate to know and glorify God in their communities and to affirm the importance of these churches as representing the Body of Christ in the world. A small congregation is not a small church!
 2. To establish and encourage communication between small membership churches in the conference. Many suffer from declining membership and low self-esteem. Cooperation at all levels in the connectional church can provide support when needed.
 3. To help and enable the SMC to develop a vision for their future both in their local communities and in the world through the connectional church and to recognize the importance of their faithfulness to Jesus Christ.

An annual awards and recognition program has been established to celebrate the outstanding accomplishments achieved by small membership churches. In 1995, eight districts participated in the program. The following churches were selected and recognized as the district "Outstanding Small Membership Church of the Year 1995":

<u>DISTRICT</u>	<u>CHURCH NAME</u>	<u>PASTOR</u>
Andalusia	Mt. Zion East (Dozier)	Rev. Bob Crumbly
Demopolis	York UMC	Rev. Cecil E. Jackson, Jr.
Dothan	Skipperville UMC	Rev. Matthew Todd Stevens
MA/PC	Callaway UMC	Rev. Jack L. Reynolds
Mobile	Fowl River UMC	Rev. David I. Bromstad
Montgomery	Snowdoun UMC	Rev. G. Charles Kendall, II
Pensacola	Bagdad UMC	Rev. Harold Bordages
Selma	Peterman UMC	Rev. Paul M. Higdon

In addition to recognition at the district level, church leaders of the district winners were presented certificates at the 1996 Annual Conference by Bishop Morris.

A selection board composed of small membership church leaders, selected Skipperville UMC as the "AWF Conference Outstanding SMC of the Year". Rev. Matthew Stevens and church leaders accepted a plaque from Bishop Morris along with acclamation from conference delegates.

Establishment of functioning district committees for the SMC and their inclusion in District Councils on Ministry has been a slow process but progress is taking place. The major problem has been turnover of personnel at the district level. Bishop Morris and the Cabinet were briefed relative to this problem in January, 1996 and were presented some suggestions for its correction. Additionally, on September 6-7, 1996, a training program was conducted at Blue Lake to train, encourage and stimulate district committee members. Dr. Lee Shafer, Council Director for the Virginia Conference, was the facilitator. Fred Bailey, Alan Cassady and Ron Lee planned and executed the event which was an outstanding success.

The COSMC was active in 1996:

1. **Training**

- District committee development, conference wide training as above.
- Vision 2000 intensive training events included workshops for leaders of SMC's, area training events.
- Super Sunday events, workshops on the NOW model, Sunday school in the SMC, and district leadership provided district events.

2. **Communication**

- Articles highlighting accomplishments of SMC were featured in **The Advocate**.
- A quality quarterly SMC newsletter is published, specifically addressing issues of concern for small congregations. Rev. G. Alan Cassady, editor, is doing an outstanding job writing, coordinating articles and publishing the newsletter.

3. **Planning**

- Produce a training handbook with instructional materials for use by district committee members.
- Create a central library of resource materials to include video tapes of presentations and programs of training events presented within the conference.
- Develop a coop of resource personnel, within the conference, with expertise and a willingness to share ideas in district and local settings.
- On March 21-22, 1997, author Steve Biealy (Help for the SMC Pastor) will lead a workshop on ministry in the SMC setting for both lay and clergy. Rev. Delbert Freeman and committee are sponsors.
- In 1998 "Nuts and Bolts – Practical Help for the SMC" will be emphasized.

Questionnaires are to be mailed to all SMC's to ascertain their real needs and concerns. Training and a program of response to their concerns will be presented.

Because of the dedication, commitment and efforts of the members of the Commission on SMC, AWF has developed a vision program for strengthening the congregations of small membership churches. These churches represent the Body of Christ in the AWF Conference and must continue to be of concern, effort, resources and priority.

PASTORAL CARE, COUNSELING, AND TRAINING, INC.**Report No. 1**

The mission of Pastoral Care, Counseling, and Training, Inc. (PCCT) is to provide counseling and care for clergy, diaconal ministers, and their families by offering a subsidy for the services of trained counselors, and through periodic training opportunities.

PCCT has now established a network of counselors, located throughout our annual conference. These licensed counselors offer services that adhere to a recognized canon of ethics and are Christian in orientation and outlook. PCCT's services are geared to crisis intervention, but prevention remains a key goal.

At the close of 1996 PCCT had subsidized 298 hours of counseling for 34 individuals or families. The total amount paid in counseling subsidies was \$18,200.00. Our subsidy rate is \$80 per hour.

Our Administrative Assistant, Zanatta Hagan, continues to assume greater responsibility and leadership, particularly in the areas of publicity and Continuing Educational events.

This conference year, PCCT hopes to provide continuing education/counseling events throughout the bounds of our conference, particularly in the area of "clergy brokenness". In addition, we will work with the Pastoral Institute to hold seminars in the Montgomery, Dothan, and Mobile districts.

The United Methodist Foundation currently holds all PCCT funds not related to our current operating needs. In 1996 we established the Clergy Care Trust Fund, the proceeds of which will augment regular Conference funding, by providing scholarships for continuing education.

We owe a debt of gratitude to our Conference Counseling Consultant, Rev. Stephen King, who has guided the establishing of our counseling network and provided a great deal of insight into ways PCCT can more effectively serve our conference.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Alabama-West Florida Conference Commission on the Status and Role of Women continues the challenge of:

- fostering an awareness of issues, problems and concerns of women in our conference

- ensuring inclusiveness of women in the total life and mission of the church
- empowering women to claim responsibility for and to take leadership in the mission and ministry of the church.

The Commission works in a positive manner by recognizing women with the annual presentation of the Alice Lee Award to an outstanding woman leader in the conference and by awarding a scholarship to a woman pursuing a degree leading to a church related career. The 1996 recipient of the Alice Lee Award was Christian Educator Evelyn Snell. Rev. Louise Stowe Johns, a doctoral student and minister in Union Springs, was the recipient of the 1996 COSROW scholarship.

Robin Crews, a Duke University seminary student, was the well-received speaker at COSROW's annual breakfast for women attending Annual Conference.

Commission members met in Selma and ended their planning and training meeting with a tour of the Children's Home. Two members of COSROW attended the Church Leaders Conference at Lake Junaluska where Bishop Kenneth Carder was the keynote speaker.

The Commission's annual retreat in 1996 had to be canceled due to an ice storm which prevented travel by the retreat leader, Rev. Barbara Harper, District Superintendent in the North Alabama Conference.

COSROW members look forward to the future challenges of addressing women's issues in a changing world. Our goal is to work in a spirit of sister/brotherhood seeking God's kingdom for this world.

COMMISSION ON RELIGION AND RACE

The Conference Commission on Religion and Race (CCORR) is continuing its work to achieve inclusiveness throughout the Alabama-West Florida Conference, as indicated by the recommendations of the General Commission in its report of findings distributed July 18, 1995.

The goals for the Commission for the remainder of 1997, 1998, and this quadrennium will continue to be:

1. Strive for the achievement of inclusiveness on the boards, agencies, etc., of the Alabama-West Florida Conference. Boards and agencies will be monitored to determine the level of ethnic minority representation on the boards, agencies, etc.
2. Hold regular meetings of the Conference Commission for the purpose of planning, reviewing, and evaluating the work of the Commission.
 - a. An organizational meeting of the Commission was held in June, 1996, at Blue Lake.
 - b. In October, 1996, training was held for members of the Commission.
3. Work with the District Directors and District Superintendents to establish Religion and Race Committees within the districts. This will include the training of committees and continued updating of district activities to enhance the work of the local churches.
4. Play a greater role in terms of advocacy, enabling, and empowerment where the District Directors, the district committees, and the local churches are concerned. The Commission plans to give more support – moral, spiritual, financial, etc. – to the districts and the local churches.
5. Work with District Committees to hold Sensitivity Training Workshops on a district to district basis. The purpose of the workshops will be to encourage members of the districts to examine personal and cultural prejudices and to develop awareness and sensitivity to multi-cultural diversity.
6. Hold Bishop's convocations biennially (in alternate years) to allow for a sharing and a better understanding of and appreciation for the diversities of others. The 1997 Bishop's Convocation, planned for November 14-15, 1997, at Blue Lake, will be held with that purpose in mind. The focus of the Convocation will be, "Justice: A barrier or Opportunity for Reconciliation.

The Commission realizes that accomplishing these goals will not be an easy task, and we will need the support of the entire Conference if we are to achieve any of these goals. The CCORR is, therefore, appealing to every member of the Conference to attend the

Convocation and to work deliberately and conscientiously to bring to reality the vision of a truly inclusive United Methodist Church. We are appealing to the Conference to strive diligently with a Christ-like Spirit to listen to one another, understand one another, appreciate one another, and love one another, for we are all members of one body – the body of Christ.

BOARD OF MISSION

Report No. 1

The Alabama-West Florida Conference Board of Mission continues to work diligently in enhancing the mission outreach of our conference churches and institutions. We trust our efforts have benefited our people and facilitated the work of missions across the world.

The Board of Mission is structured in a five (5) committee format. Congregational Revitalization is chaired by Rev. T. Grant Parker, UMVIM is chaired by Rev. Lester Spencer, Health and Response is chaired by Ruth Ann Powers, Urban Ministries is chaired by Rev. Frederick Outlaw and Mission/Advance is chaired by Rev. Don Dean. The reports to follow will highlight the outstanding work these committees have produced during the past twelve months. I am very indebted to the dedicated members of our board and consider it an honor to work with each of them. I am also grateful to Rev. Don Brill for the support and direction he furnishes to our group.

Please continue to support the mission work of our conference through your prayer, presence, gifts and service.

A new edition of the handbook will be available in the summer of 1997, and may be secured from Rev. Don Brill, Alabama-West Florida Conference Office, Drawer 700, Andalusia, AL 36420.

Report No. 3 — Section on Congregational Revitalization

Our section’s primary responsibility is to provide assistance to existing congregations in their revitalization efforts. For the purpose of definition, revitalization does not mean starting a new congregation in a new area; or, relocating an existing congregation to a new location unless there is no potential for residents in the congregation’s present location. By potential we mean people in residence in the church’s service area. Revitalization, then, means an effort by a local church to serve its own service area, in ministry to the needs of its people, as well as those who are members of the congregation.

The Section on Congregational Revitalization seeks to fulfill its primary task (stated above) in several ways:

- (A) 1. By receiving and evaluating applications for Board of Missions grant funds, then recommending to the Board of Missions either approval or disapproval of such requests. The maximum amount of grants of this nature is \$1,000.
- 2. By receiving and evaluating applications for mission loan funds and making recommendations to the Board of Missions concerning these loan requests.
- 3. By receiving and reviewing applications for Spring and Fall Ten Dollar Club appeals and making the appropriate recommendations to the Board of Missions.
- 4. By selecting one or two priority revitalization projects (churches) from our conference annually. The section then provides resources for grant and loan funds from our section and consultation teams to work with the selected churches, while enlisting support from other resources such as UMVIM, Ten Dollar Club, Advance Specials, Ethnic Local Church resources, etc.
- 5. By supplying the presiding bishop, and present cabinet members with current copies of the source document used by the SCR and the Board of Missions in selecting each year’s priority revitalization project(s).

(B) GRANT FUNDS APPROVED AND DISPENSED, JUNE 1996 THROUGH JANUARY 1997

\$1,000.00	–	Oak Grove UMC (Demopolis District)
\$1,000.00	–	Mt. Zion (East) UMC (Andalusia District)
\$ 500.00	–	Wesley Memorial UMC (Montgomery District)
\$ 500.00	–	Green Hills UMC (Marianna-Panama City District)
\$1,000.00	–	Alaqua UMC (Marianna-Panama City District)
\$ 500.00	–	McRae St. UMC (Pensacola District)
\$1,000.00	–	Aquilla UMC (Demopolis District)
\$1,000.00	–	Campground UMC (Troy District)
\$1,000.00	–	Union Grove UMC (Montgomery District)
<u>\$7,500.00</u>	–	TOTAL

In addition to expending the funds mentioned above, the SCR has dispensed apportioned

grant funds in the amount of \$32,166.31 in support of our 1995 priority project, Callaway UMC (MA/PC), and \$20,189.30 in support of our 1996 priority project, Westside (Geneva) UMC (DO).

We are pleased to report that the Section on Congregational Revitalization (SCR) has selected two (2) churches, Little Zion UMC (PEN) and Barrett Road UMC (SEL) as our 1997 priority revitalization projects.

Reverend T. Grant Parker, Sr., Chair

Report No. 4 – United Methodist Volunteers in Mission (UMVIM)

Without a doubt the Alabama-West Florida Conference is one of the leaders in Methodism in the area of mission outreach. Our Conference Committee on United Methodist Volunteers in Missions has three specific ways in which your church can be more involved. These areas of involvement will be the emphasis for our Conference for the next two years.

1. We have adopted three parsonages or would be parsonages in the Demopolis District. Teams will be needed for repairing and building including painting, carpentry work, plumbing, and electrical work. This will be a “hands-on experience” by sending teams from your local church and district. Mr. Jimmy Scruggs is District Coordinator (334/683-8135). The special Free-will Sunday night offering at this year’s Annual Conference will help with some of the building costs.
2. The Caribbean Islands have been devastated by recent hurricanes. We have been invited to send teams from our Conference primarily to repair homes, especially replacing roofs. Already, several teams from our Conference have been or will be going on this project. We need more!!
3. Our Conference has been heavily involved in Cuba. In fact, our Conference was the first team to Cuba since 1959. No repairs or construction was allowed on Churches for the last 36 years. Can you imagine that? In a joint effort, UMCOR and UMVIM have developed a list of tools and supplies for our brothers and sisters to redo their Churches. It took nearly two years to get approval from the State Department for this project. This shipment was finally sent in the Spring, 1997. We still need teams for Cuba. The next Conference UMVIM Cuba Team will be in September 1997.

The Alabama-West Florida Conference is leading in the UMVIM movement. In 1996, our Conferences know about more than 101 UMVIM Teams, involving 2,798 individuals. We spent a total of \$1,092,719.00 on these projects. Since not all UMVIM teams report through our Conference Committee, we estimate this to be only 75% of all the projects. These are exciting facts.

The SEJ UMVIM reported in 1996 there were more than 531 teams composed of 10,401 members worked in 92 countries, including the USA. The teams’ expenses totaled \$3,192,665.00, and the contributed \$2,366,057.00 for a total of \$5,558,722.00. And this is only for the teams reporting!

We stand ready to help the Conference Disaster Response Team with our help, skills, and time. If you and your Church would like to get involved and find out more about UMVIM work, you need to contact your District UMVIM Coordinator:

Andalusia	Rev. Bob Crumbley
Demopolis	Mr. Jimmy Scruggs
Dothan	Rev. Chris Eckert
Marianna/Panama City	Rev. Ron Ball

Report No. 5 – Golden Cross

The Golden Cross program has been well and active during this conference year. We continue to receive many requests of those who need assistance for medical care. We have been able to respond to every request which we have received.

Perhaps you are aware that we do not receive any funds from apportioned items. Our only source of income is from the people of the local churches within our conference. Each local church is encouraged to receive a special offering for Golden Cross on Mother’s Day in May each year. Please remit all funds to the conference treasurer.

We hope that Golden Cross captures the Spirit of our Lord in providing a way of bringing help unto others. The bottom line is...Give to GOLDEN CROSS so others may be touched in His Name.

Our thanks to all lay people and ministers alike for your assistance in this program of helping others.

Below are the guidelines which we follow in assisting those in need.

- 1. Assistance shall be available for United Methodists. Payment toward financial assistance shall be only to the hospital, doctors, or pharmacy. I need to receive a copy of the bill showing the amount of the unpaid balance. I will provide each applicant with a form which is to be filled out in advance of receiving assistance.
- 2. No assistance shall be granted to any person except upon the recommendation of a pastor who is in a position to know of the need or circumstances. Assistance to a pastor shall be granted only on the recommendation of his or her District Superintendent.
- 3. The amount of assistance granted to any person shall be limited to a total of \$1,600.00 for any combination of hospital, doctor and drug bills...when funds are available.
- 4. When, in the judgement of the Golden Cross director an extreme situation seems to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

Thomas W. Sowell, Director

The Board Mission nominates as the Conference Golden Cross Director for 1997-1998 the Rev. Thomas W. Sowell.

Report No. 6 – Ten Dollar Club

The last appeal was the largest response to a local Church in the history of our TEN DOLLAR CLUB. We gave \$15,099.10 to The Westside United Methodist Church in Geneva (Dothan District) to help with their new Sanctuary. The largest amount ever received was for Noah’s Ark in Panama City as a response to the damage of Hurricane Opal (\$16,675.98).

The TEN DOLLAR CLUB is sponsored by the Conference Board of Missions to help local Churches in our Conference for Church growth, revitalization, new Churches or missions. The aid is based on needs and service of ministry. You can be assured that 100% of your gifts are used only for that appeal. (The cost of administration, printing and mailing are paid from funds through World Service and Conference Benevolences. This is why it is very important your Church continues to pay this in full).

The current appeal (through Fall, 1997) is for the three Newest Churches established for the 1996 Annual Conference: the Eastern Shore, Alabama; Dothan; and San Destin, Florida.

Report No. 7 – Nellie Burge Community Center

We continue our ministry of providing food, clothing, training and counseling to all those who come seeking help. It is truly rewarding to see the positive changes come into the lives of children and young adults daily. We are blessed to be able to serve God through the services and activities of the Center.

The Center’s unique School for Young Mothers provides educational and training for the mothers of young children. Classes are run in cooperation with the Montgomery County Board of Education and are designed for young women who do not have a high school diploma nor job skills. The students are endeavoring to pass General Education Development (GED) equivalency tests and preparing to hold productive jobs in the work force.

While the mothers are involved with classroom work, their children are taking part in pre-school learning programs in the Daycare Center. As the children move through the program, they learn the alphabet, shapes, colors, numbers, and other basic skills. Much of the learning takes place through music, crafts and role-playing. The stories of the Bible are told in this fashion.

The graduates of the GED program go on to higher education, technical training or directly into the work force. The school graduates an average of fifteen (15) students each year. The center has many success stories of young women moving from welfare dependency to self-dependency and higher self-esteem as a result of the Nellie Burge experience.

The only limiting factor in the School for Young Mothers’ and in the Daycare Center is a lack of suitable facilities. The present building is in a state of major disrepair and the design is not adequate for the current and projected ministry. The Board of Directors, recognizing the need for updated facilities, has authorized a Capital Campaign to raise the funds to build a new multi-purpose community center.

The new center will allow the staff and volunteers to expand the School for Young Mothers with the objective of twenty-five (25) GED graduates each year. The capacity of the Daycare Center will increase from thirty-two (32) to eighty (80).

Other objectives of the new center include more and better designed classroom space for after school tutoring; separate rooms for teaching adults home economics and parenting; classroom for teen pregnancy and drug and alcohol counseling; a separate area for the receipt, storage and distribution of emergency food and clothing and adequate facilities for administering the home daycare nutrition program that now has 1,800 children enrolled.

The Nellie Burge staff and volunteers are grateful for the prayers and financial support that is received from the many churches and individuals throughout the conference and encourage support for the current Capital Campaign.

W.P. Woolley, Jr. Director

Nellie Burge Community Center has been rendering service to women and children since its founding in 1904. Some time ago the board of directors gave serious consideration to moving to another area of the city into a United Methodist church facility which had elected to relocate. After extensive study of the current and projected trends and development of the area an up-graded center to serve low income children and women has been planned and will replace the antiquated building which has been home since 1954. There is an absolute consensus this area needs our services as much or more than any other in the city.

Report No. 8 – Dumas Wesley Community Center

This past year has been full of new faces, new ideas and continued growth. We are very excited about the direction that Dumas Wesley is heading, so we work in anticipation of what is yet to come. In looking ahead we must also reflect on our past, in order to carry through the original mission of our Center. We recognize, and are thankful that the foundation of our agency was built by the dedicated women of the United Methodist Church. Through the years, their support and guidance has brought us where we are today. It was with great pleasure that we hosted the United Methodist Women's Annual Mission Conference this fall. The women were able to see how significant their contributions as they toured the agency and observed our programs "in action". We were pleased to have this opportunity to share our part of their mission.

In carrying out the original mission of the Center, our main thrust continues to be working with children. This effort is currently being substantially enhanced through the involvement of the Junior League of Mobile. The Junior League is providing financial and volunteer support in the area of "readiness" to our Center for three years. The goal of "readiness" is to ensure that children are mentally, physically and emotionally prepared to enter school, ready to learn. Readiness focuses on children ages 0-6 and their parents, targeting those families that may be "at risk". This is being accomplished through several different programs that serve our day care, as well as, the entire Crichton community. We are very excited about this partnership and are confident about its success.

Our Center is continually being challenged by the changes in society. In the dawn of welfare reform we recognize that the community in which we serve will be tremendously affected by the reconstruction of the welfare system. We are committed to working together with the community to ensure that concerns are addressed and information is readily available to those who will be affected. Welfare reform has the possibility of generating side effects that could negatively resonate throughout our community. It is our responsibility to anticipate what these situations might be, and work towards eliminating them through proper education and constant contact with the community.

As these challenges lie before us, we would like to thank you, our supportive community, for enabling us to persevere. On behalf of our Board of Directors, we would also like to take this opportunity to thank the churches that participated in our recent "Walk for Others". Out of 225 walkers, 121 were from 18 local United Methodist Churches. The success of our walk is due greatly in part to these churches.

Report No. 9 – Noah's Ark

The ministry of Noah's Ark has continued to make the only permanent year round outreach specifically to the visitors of Panama City Beach. God has blessed this ministry of Noah's Ark and has created a "community" through which He touches the world from the Southeast to Canada and beyond. The involvement of the Snowbirds and summer retreat groups in the outreach ministry has been phenomenal.

The summer of 1996 proved to be an excellent summer for retreat groups throughout the Southeast. In spite of the negative press for the whole of Panama City Beach our retreat season was the best we have had in a number of years. There is always increased competition from other retreat facilities on the beach and due to their mass marketing techniques, we too have had to adapt in reaching out far beyond our conference and denomination. We have not only utilized our own conference coordinated mailings but direct mailed to our own conference and conferences around the Southeast. We are the only retreat that is a mission outreach on the beach, all the others are run as "for profit" businesses. The complete programs we did with our summer groups were well received as we not only involved teaching sessions in addition to the concerts and afternoon beach visitation but also involved them in volunteer work with the local Rescue Mission, Salvation Army, and Local Council on Aging. Our intent is to involve visiting groups in **ministry** and **mission**, not to just offer a place to stay. The summer concerts performed twice nightly averaged almost 800 people a week and the youth who stay in retreat at the Ark continue to make a tremendous witness on the beach each afternoon. As school systems continue to experiment with year-round school this will continue to affect summer retreats and we will adapt to the situation.

We entered the snowbird season with the Canadian visitors this year uncertain of what to expect. We had over 900 members this season which was up just slightly from the previous year but much better than we expected. The activities this year grew more than ever with 80 different activities going on seven days a week. The age span of this group encompasses ages 55 to 85 with the average being around 75 years of age. The need for a pastoral ministry with this group has continued to grow. Being there for them in the midst of death or sickness when far away from home and family is very important. Amidst the love and fellowship shared, it is easy to understand why the Snowbird Ministry is their home and family when they are in Panama City Beach.

With the overwhelming support of the Alabama-West Florida conference, United Methodist institutional sources made up about 21% of the total funds needed to maintain the existing programs and ministries of Noah's Ark for 1996. The additional 79% needed for the ministry have been generated through the summer retreats, gifts shop, tapes, donations, offerings, and Snowbird ministry. During April of 1996 a "fair" settlement was arrived at with the insurance company for damages from Hurricane Opal. Due to the support of our conference and the many work crews from Habitat for Humanity and other Methodist work groups repairs were completed with out a interruption of the ministry and at a greatly reduced cost. With the funds left over the Board of Directors authorized the retiring of the debt on the Retreat house which leaves Noah's Ark **100%** debt free and thus **100%** of the income and gifts to the Ark go to the programs and ministries. Also the Board of Directors started a permanent endowment fund with the United Methodist Foundation to provide the beginnings of a permanent source of income from the interest earned from the gifts to the fund. With the sources of self-generated income being maximized, for the Ark to grow will depend upon the support of the Alabama-West Florida Conference churches through their apportionment which funds the Conference benevolence, Advance Special Gifts, United Methodist Women, and other Methodist sources.

As Noah's Ark continues into its third decade of service there are many new and exciting opportunities for God to reach the world through the ministry. From the old theater in Long Beach over 25 years ago to today, God has had a place in the midst of the "Miracle Strip" and God will continue to have a place through the support of his people called United Methodists.

Report No. 10 – United Methodist Inner City Mission/Metro Ministry

The United Methodist Inner City Mission is now in its 32nd year of ministry to the children, youth, adults and senior citizens who live in the inner city of Mobile, Alabama. Throughout these years, many things have changed, but the Biblically based mandate has remained the same "...to bring Good News to the poor." Luke 4:18a.

We believe that the Church, if she is to truly be the Body of Christ in the world, must be the proclaimer and offerer of this Good News. We at the Mission strive through prayer and understanding to interpret this Good News in the context of the particular life situations which God would place before us. We respond to the elements which would keep God's children in captivity. We address illiteracy, fear, anxiety, addiction, poverty, sin, hopelessness and low self images. We address them with unconditional, non-judgmental, Christ centered love. We address them with programs such as tutoring for GED, religious training, narcotics anonymous, financial assistance, a secure warm environment, counseling, children's groups, youth clubs, senior citizens programs, organized recreation at Taylor Park, Boy Scouts, Girl Scouts and other programs which would address particular needs.

We are also committed to continuing the struggle against the societal forces that continue to oppress and alienate. The evils of racism and classism are tragically still present in our society. The church, again if we are to be the Body of Christ, must in a Christ like manner, abhor and rebel against the oppressive nature of any thoughts or actions which tend to devalue or any way discriminate against any of God's creations. Where societal institutions; businesses, schools, government, social arena, or the church participates in the oppression, the church, again in the spirit and strength of Christ, must speak out, correct and where necessary oppose. We pray that God will give us discernment and courage.

HIGHLIGHTS OF CONFERENCE YEAR 1996-1997:

- (1) The St. Francis Street Church averaged 85 in worship and 52 in Sunday School. Easter Sunday saw 130 in worship with 44 children. What a wonderful opportunity.
- (2) The hiring, through a grant from the city, of two community organizers, a children's and youth worker for Taylor Park and a part-time driver for transportation needs.
- (3) The beginning of our Strickland (Juvenile Detention Center) After Care program for youth on probation. This was made possible from grants received from the United Way, the Cunningham Foundation and the Conference of Downtown churches.
- (4) Blue Lake Camp Discovery where we brought our children and youth together from the Mission and the West Wilmer Ministry. It was a great camp.
- (5) Great Thanksgiving and Advent seasons.
- (6) Instrumental, through Rev. Fail, in aiding the city to receive a 1.5 million dollar grant for Homeless programs.
- (7) Great summer with our six (6) Auburn Interns.

Anticipation is the word for this year as we look for significant growth at St. Francis Street and the Mission.

We sincerely thank the United Methodist Church for blessing us with the resources to minister in this vineyard for these many years. We covet your prayers.

Charles E. Fail, Minister

Report No. 11 – United Methodist Children's Home

From time to time in recent years, we have referred to the United Methodist Children's Home as "the growing place". This reference relates to the education, training, spiritual guidance, and nurture that children receive throughout the network of programs operated by the Children's Home. We are inclined to also include in that phrase the fact that our programs and our staff numbers are also growing. I want to share more about this growth with you.

Since the early 1990s, the Board of Directors and Staff of the Children's Home have had a special interest in ministry and services that would be preventive in nature. We have been unable to develop such a ministry until now.

We are now providing counseling, training, and support to children and their parents in their own homes to prevent abuse and separation. These ministries began with Family Outreach Services in the Tuscaloosa and Mobile areas and Therapeutic Foster Care in the Wiregrass area.

Recently, we added two new programs: Comprehensive Family Support Services and Family Options. In both of these programs our trained staff are available to a limited number of families for intensive in-home assistance and training. Family Options programs are underway in Baldwin and Mobile counties in our southwest region and in Houston, Coffee, Dale, Geneva, and Henry counties in our southeast region. Comprehensive Family Support Services is operating in Dallas County, and Therapeutic Foster Care is now offered in Monroe and Covington Counties. We are negotiating to provide these services for other counties in both conferences.

Even though we are adding new services, we continue to expand and provide for our "growing places," that have been in place for many years.

At the Selma Village, we became aware that some of our children were not functioning well in the local public schools, and we knew that children in some programs were not with us for an extended time and did not benefit from being enrolled in local schools. As a result, the Selma Village opened its own school. Today the children that we serve through our Shelter and Back To BASICS programs, in addition to middle and some high school students attend classes at our Campus School. Two teachers and a teacher's aid are responsible for the education of these children. In addition to their regular class work, they participate in art classes and physical education.

In the summer of 1996, as a result of the Children's Home Capital Campaign of 1990, we were able to rededicate four of the ten houses that make up the Selma Village following their renovation. These homes for children were originally built in the late 1940s and early 1950s. Our plan is to redo the remaining six houses as funds become available through the Capital Campaign.

Along with the rededication of these four houses, a consecration service was held for a new security fence that encloses the Selma Village. This fence was also a part of the 1990 Capital Campaign and was made possible by the generous donations of friends.

Dedication services were held in the fall of 1996 for a new Genesis House which was constructed in the Cottdonale community. Concerned friends of the Children's Home were instrumental in making the relocation of the Genesis House a reality. This program serves adjudicated delinquent boys in the Tuscaloosa area and has been a part of the United Methodist Children's Home network of group homes since 1975.

Volunteers from churches in both the North Alabama and the Alabama-West Florida conferences and from individuals in the communities that we serve continue to be essential to our livelihood. Whether it's birthdays, holidays, graduations, school trips, outings, or individual and cottage sponsorships; they are eager to help.

These groups and individuals not only support this ministry with their monetary gifts, but they

also support it with their physical labor. Volunteers completed a remodeling project at our Huntsville Group Home, built a two bedroom Transitional Living Cottage adjacent to our Delchamps Group Home in Mobile, organized a fund raising event to provide a year-round school program for our Birmingham Children’s Home, constructed a picnic pavilion at our Settlement Group Home in Dothan, helped with public relations and fund raising for the relocation of the Genesis House, put on a 5-K Fun Run to benefit the Village’s Campus School art program, sponsored a golf tournament with proceeds going to the Sonshine Transitional Living Cottage in Mobile, provided items from our Needs List, and numerous other demonstrations of love and support.

The prayers, monetary support, and hands-on involvement of God’s people are vital to the success of this ministry as we move into new areas of service and also maintain our already established “growing places”. Please continue to remember the children, their families, and the Children’s Home staff in your prayers.

Report No. 12 – Methodist Homes for the Aging

Today there are more than 34 million persons in the United States who are 65 years of age and older. In 2010, one out of every seven persons is expected to be at least 65 years of age, and by the year 2030, there will be 70 million persons (or more than 20% of the U.S. population) over age 65. One marketing report states that the population of older adults is the fastest-growing age group in America.

Life is a series of changes and many of those changes bring about many uncertainties. For some persons, living to the mature years of life has become more of a challenge than they had anticipated. Some persons are being threatened with cutbacks in state and federal funds, and others are faced with a myriad of changes in their health or their inability to make it on their own. We are grateful that the ministry of our Homes for the Aging has provided an opportunity to discover that the changes that occur in the later years of life can be good and meaningful.

We currently have eight homes across our two Annual Conferences and we are in the construction stage of another. This year we have broken ground for our new Mathison Retirement Center in Panama City. We have opened a new state-of-the-art Nursing Wing at Wesley Manor in Dothan along with our new Carl and Eleanor Sanders Alzheimer Center. In addition to these projects, a new kitchen is under construction at Fair Haven in Birmingham that will not only improve dining services to our residents and staff at present, but will also create the opportunity to allow dining services to be shared with the community and those choosing to remain at home. This growth puts into practice our belief that the aging process need not be threatening nor decrease one's quality of life.

We are thankful for the ministry that takes place in our homes and for the opportunities we have to meet the needs of those who look to us for care. Yet we know that there are more who need to be served, and as the population continues to age, the needs will become even greater. New programs, new services and new facilities will be required to help us meet these challenges. Not only is there a need to develop more homes and programs, there is a tremendous challenge to find the personnel to help us in this ministry. We encourage our United Methodist Churches to help us with this growing problem. In the day when unemployment is as low as it is, we must find a way to encourage persons in their retirement to come back into the work force and join with others in caring for our older population. We must discover persons of all ages who can and will help us to be "care-givers" to those who need and want so much to "live" and not just to "exist".

This has been a year when we have been faced with more and more persons requiring financial assistance. We have met the needs of many of our residents through the Conference Apportionments, the Fountain of Love offerings and other special gifts. We are grateful for the funds we have received and request that the members of our churches be encouraged to continue to participate in the "Fountain of Love" program. These funds need to be continually replenished so that we may continue this ministry of caring for those who can no longer provide for themselves.

It is our hope that you or others from your church will visit our Methodist Homes for the Aging and pray for us daily as we care for the special "Older Children of God" who enjoy the fruits of this special ministry as they live each day.

Report No. 13 – Committee on Health and Response

The Committee on Health and Response has begun the quadrennium by designing itself as it fits into the new structure of the Conference Board of Mission. Much of the committee’s work this year has been an initiation to the health and response as it interacts with the committee and with the Board of Mission.

As a committee, we have sought ways to encourage local churches to be involved in the health areas through such opportunities as Disability Awareness Sunday, which is September 14, 1997. There are materials available for congregations. The materials can be ordered from Dr. Robert M. Pitzer, Semar, Inc., P.O. Box 128, Lake Junaluska, NC 28745. For additional information contact Don Brill at Alabama-West Florida Conference Headquarters.

Through the United Methodist Children’s Home, Homes for the Aging and the Golden Cross, the committee has encouraged response to the needs around us in society. The Conference Disaster Response Committee is also an area where congregations can respond with resources, both financial and physical.

Being part of a Church that cares for each other, the Health and Response Committee seeks to keep opportunities before Christian people who want to share God’s love in many ways.

Report No. 14 – Hispanic Ministries

This past year, the third at our current home base in Summerdale, we have experienced continued growth in outreach to our local Hispanic community through a variety of programs and activities. The center of these activities continues to be the **weekly Sunday Worship service**, in Spanish, at Summerdale UMC. Our adult attendance has consistently averaged 50 persons, with many children also present. We continue to pray for additional volunteers and other resources which will enable us to expand our programming for children, youth and teen-agers.

An exciting area of the ministry has been the growth of our **Communities of Faith**. In Centreville and Clanton, through the efforts of three trained Lay Missioners, two having received their training in the past year, our services and outreach have significantly increased. The Maxwell Air Force Base prison ministry has also continued through the efforts of two Lay Missioners, and the support of the Eclectic UMC. A new Community of Faith was begun in the Foley-Bon Secour area by another newly commissioned Lay Missioner, who is also organizing activities in the Pensacola area.

We have been providing assistance to church congregations in the Dothan, Eufaula, and Wilmer areas in their efforts to begin organizing and offering services to growing Hispanic populations, and we are praying for additional Lay Missioners who will be able to provide the required daily support and nurturing of these groups. **This is truly an exciting, dynamic, and rapidly growing mission field!** We thank God for the blessings we have been receiving, and for that which He will continue to provide.

Throughout the year, many family support services have been provided, including English classes and Citizenship, Drivers Education and GED test preparation. An AA program in Spanish was organized and has been meeting weekly since mid-year at a local nursery in the Loxley area. While not our primary focus, Christian counseling and assistance in resolving everyday live problems, including transportation, marriage and family, substance abuse, low cost medical and dental services, and adjustments to a new, foreign culture has also been an important part of the overall ministry.

Our Vision for this ministry includes continued efforts to bring our growing Hispanic community to a close and personal relationship with the Lord Jesus through Bible studies, prayer, preaching, and teaching His Word, while ministering to everyday family and social needs. We pray for additional Lay Missioners and volunteers to expand our mission and ministry in new areas of need throughout the Conference and beyond.

We thank you all for your love and support, your prayers, and all your efforts on behalf of this ministry.

A.M. "Lee" Allen, Board Chairman
Aida B. Walker, Director

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The Board of Higher Education and Campus Ministry has reorganized for the 1997-2000 Quadrennium. The officers are: Chairperson – J. Walker Epps; Vice-Chairperson – Lester Stewart; Secretary – William Elwell. We have met three times in the 1996-1997 Conference year, and we have an outstanding group of persons from all areas of our conference who are eager to support our colleges and Wesley Foundations. We want all our local churches to know about these institutions and ministries, and we want to see the fine support from many previous years grow and flourish.

Report No. 1 – COLLEGES

The Alabama-West Florida Conference is in direct relationship with two United Methodist Colleges — Birmingham-Southern College and Huntingdon College. Both of these outstanding liberal arts colleges were founded in the Nineteenth Century by Methodist people. We are proud of their rich traditions and their current excellence. Their individual reports follow:

Huntingdon College

Huntingdon College continues its commitment to academic excellence and a distinctive liberal arts curriculum through the Huntingdon Plan, which was instituted in time for the Class of 2000 to come to campus in Fall 1996 as entering freshmen.

As a part of the Plan, all full-time freshmen were provided with personal computers which will be theirs to keep upon graduation. By offering e-mail and full access to the internet, the computers increase the College's ability to incorporate technology into every discipline, another element of the Plan.

The Liberal Arts Symposia is one of the finest distinctions in the revised curriculum. For their first two years, Huntingdon students will spend 12 semester hours in a team-taught, interdisciplinary course that traces various Biblical themes across cultures, historical periods, texts and disciplines. Students read and discuss Biblical texts that center on a theme such as origins, justice or beauty. They also study these themes as they appear in art and music.

The course synopsis, reading list, selected artwork and lecture schedule for the Liberal Arts Symposia may be found under "academics" on the Huntingdon website:

<http://www.huntingdon.edu>. The availability of computer newsgroups also enables students to use their computers for extended classroom discussion.

When today's freshmen become mid-year juniors, they will participate in a faculty-directed international travel/study program, another distinction of the Huntingdon Plan.

In addition, Huntingdon is adding new academic programs, including an Enhanced Concentration in Christian Education, a Major and Minor in Digital Art, a Minor in Internet Publishing, a Major in Sports Management, a Major and Minor in Political Science, a Major and Minor in Public Administration, a Major in Public Affairs, a Major in Public Affairs Tri-Subject, a Major in International Studies, a Major in European Studies and a Minor in Spanish.

Huntingdon's commitment to superior undergraduate liberal arts education has resulted in a number of academic distinctions, including being awarded the Carnegie Foundation's Baccalaureate I rating. Huntingdon has also been named to the Templeton Foundation's Honor Roll of Character-Building Colleges and was recognized by Money Magazine as one of the top 100 of the country's best values in college education.

In addition, a 24 ACT average for entering freshmen provides a strong core of students certain to benefit from the unique Huntingdon College experience.

Much to the excitement of many alumni, Men's Basketball returns to campus in Fall 1997; Women's Basketball will be added the following year. Women's Golf begins in Fall 1997 as well.

Huntingdon's commitment to a Judeo-Christian heritage remains strong on this campus. Five students are currently planning to attend seminary after graduation; eleven students are studying Christian Education with six students scheduled to become Christian Education majors in the Fall. Five Huntingdon students are serving as Youth Directors in local churches; two are serving in Children's Ministries settings. Huntingdon also has two summer Ministry Teams. Four students will lead Youth Revivals in churches in the Conference. Fourteen students will participate in a "Dance to Glorify" Ministry Team.

On-campus spiritual emphasis activities include weekly chapel services, a Sunday night campus Bible study, two dorm Bible studies and a Thursday night S.A.L.T. meeting (Students Actively Learning the Truth). Off-campus service activities include soup kitchen and nursing home ministries. In addition, an early March week of events culminated with a beach retreat, while a rafting retreat was offered last fall.

In conclusion, I want to thank all our Alabama-West Florida friends for their support, prayers and encouragement.

Wanda D. Bigham, President

Birmingham-Southern College

Birmingham-Southern College continues to receive citations for excellence from various national rating agencies for Higher Education. In its 1997 Guide to the Best Colleges, U.S. News and World Report ranks BSC as the number one Most Efficient School in the nation among the 160 top liberal arts colleges. BSC is ranked the ninth Best Buy for excellent college education in the U.S. News study, and a Money Magazine study calls BSC "...one of the elite values in college education today, and among the schools that deliver the highest quality for the tuition they charge." In the book by Loren Pope about 40 Colleges that Change Lives, BSC is called "...a warm, friendly, and increasingly diverse place. Able, imaginative administrators, and an enthusiastic, high-quality faculty are making good things happen."

These and several other statements and awards have confirmed what those of us who work and teach at BSC already knew: that this is a student-centered learning environment of truly extraordinary quality. The United Methodist Church can be proud of the personal and spiritual development that goes along with the academic program. Service to the community, leadership development, understanding of social issues, technological competence, research skills, intercultural travel and experience—these are special emphasis and programs.

The College continues to pursue its ambitious plan for the 21st Century, a process involving students, faculty, staff, and friends of the College. We have defined our goals, identified programs to be pursued, and redesigned administrative and faculty positions and job descriptions. We are finding new and better ways to accomplish our long-held purpose of "training leaders for church and society."

The 21st Century Campaign to secure \$64 million in pledges, planned gifts, and direct donations is nearing its completion with the realistic hope of success. To date, \$54.8 million has been pledged or received. The College's endowment, which was \$11.7 million twenty years ago, is now more than \$96 million, including annuities and life incomes. Student enrollment is holding steady with 1087 in the regular day program, 322 in the Adult Studies Program, and 83 in the two masters degree programs in Accountancy and in Public and Private Management. We continue to draw heavily from churches with our current enrollment having perhaps the highest percentage of United Methodist students of any college in the nation: 39%.

We need help from the church in many ways. First, we need your prayers, your good will, and your willingness to spread the good word about BSC at every opportunity. Second, we need your efforts to let students in your congregation know about the BSC experience and to let us know about potential students. Third, we need your financial support through personal gifts, will commitments, or special planned gifts as well as support of the Huntingdon/BSC Fund in the Conference budget. Help us continue to respond to the great challenge God has given us.

Report No. 2 – CAMPUS MINISTRY

Our six Wesley Foundations are the ministries our churches provide on college and university campuses. Within the last year we have had leadership changes at half of our campus ministries. Nevertheless, we feel that we have an excellent group of people working to provide spiritual guidance, personal encouragement, and missional opportunities to young people. Here is a list of our six campus ministries and the institutions where they work.

Troy State University

The Troy State Wesley Foundation is in a rebuilding phase. I was able to meet with four of the officers all summer long. We have decided to make our campus ministry reach out to all students as well as those who are United Methodist. One of our main goals is to reach out to the lost. Our property sits at the end of Fraternity row which puts us on the edge of ministry. This has been my first experience in working with college students and I can honestly say it has been a real blessing.

The officers and I meet once every two weeks which gives us time to plan for all upcoming events. They keep me informed about all other campus activities so our plans are not in conflict with another campus activity. God has truly blessed me with some wonderful college students to work with.

Weekly programs: Tuesday Night Live – A guest speaker – We average 10 students.
(The first Tuesday of every month a dinner is served family style)
Thursday Night Bible Study – We average 12 students. (Our Bible Study is entitled, “Facing Your Fears About Sharing Your Faith” and “I Corinthians”
I also teach a Sunday School class at Park Memorial United Methodist Church. We average 14 students.

Other Events:
(1) We had Coke and refreshment tent set up for registration where we passed out information on the T.S.U. Wesley Foundation and our Welcome Back Party.

- (2) Welcome Back Band Party — We had a contemporary Christian band named “Life Guard” plan and had refreshments. 29 Students showed up.
- (3) Our next big event was a Progressive Dinner supplied by four local churches. (Oak Grove, First United Methodist, Park Memorial, and Brundidge U.M.C.) We had 20 students show up.
- (4) We had six of our students go to Elba United Methodist Church to work with some of their youth before one of their revival services.
- (5) Eight of us traveled to Oak Mountain State Park and camped out on Friday and Saturday Night. (Oct. 25-27) Saturday Night we went to the Jacksonville State vs. Troy State game.
- (6) Nov. 2 we held a *Parents Night Out* as a fund raiser.
- (7) Nov. 9 we held the Troy District Fall Festival where 65 youth from District Church’s attended.
- (8) Nov. 12 we held a Christmas in November Party and had eight students attend.
- (9) Other activities we have done are tailgating before every home football game and I have two students who on a regular basis go to the Salvation Army to fix toys and bikes.
- (10) We did a youth retreat for Park Memorial Senior High Youth in January.
- (11) We had two students and one director attend the student council at Blue Lake.
- (12) Eight students attended the Joint Wesley Foundation Retreat at Camp Sumatonga.
- (13) We will be hosting a trip for local church Senior High Youth in April. The trip will be to Six Flags Over Georgia. This will increase our visibility with local youth in Methodist Churches.
- (14) In May we will have a Spiritual Retreat to prepare for our summer departure.
- (15) At the end of May we will have a P.J. party putting to sleep the Spring Quarter.

In the Spring Quarter we will be putting together a coed softball team as well as putting together a new display board for future browse sessions.

Goals:

- (1) Become more visible on campus.
 - (2) Do a project with the Pike County Habitat For Humanity
 - (3) Become more involved with local youth in local churches
 - (4) Become more visible in the Conference
 - (5) Do a Spring time three Conference (North Alabama, South Alabama-West Florida, and Florida) mailing asking for prospective students names.
- Kevin Krist, Director

Tuskegee Wesley Foundation

The 1996-97 school year has become a breakthrough opportunity for the advancement of Tuskegee Wesley Foundation. The focus of this endeavor is to bring together Methodist, as well as other students, on the campus of Tuskegee University into a Christian fellowship for the enhancement of college life through social, recreational and spiritual activities. Our services and opportunities are available to all students regardless of denomination. We believe that college is as much a manifestation of the body of Christ as your local church.

Frederick G. Outlaw, Director

University of West Florida/Pensacola Junior College

The Wesley Foundation at the University of West Florida and Pensacola Junior College is continually seeking to meet the needs of students on these predominantly commuter campuses. We strive to provide students with opportunities for spiritual growth and learning/service experiences.

We continue to meet weekly for Bible study and fellowship on the Pensacola campus of Pensacola Junior College. We are struggling this year to motivate students at UWF. This has been a challenge since we graduated several students this past semester.

Time continues to be spent educating persons in the Pensacola district with regard to campus ministry and in particular of the Wesley Foundation at PJC/UWF. We are in the final stages of planning our mission trip to Tampa United Methodist Center in May. We continue to work on and toward the following goals: (1) strengthening the core group of students and PJC and UWF, (2) sharing with various groups throughout the district the visions of campus ministry, and (3) creatively increasing our funding through local churches and other means.

Michael B. Dillaber, Director

Wesley Foundation of University of West Alabama (Livingston)

This quarter and new year is off and running with many exciting avenues and adventures. The ministry is growing and we are blessed with dynamic students hungering to discover the joys and blessings in Christ.

Program summary:

Receive:

Membership/Outreach: Our average attendance has increased to about fifteen students. We have an active visitation program and the students continually invite friends and classmates to come check us out. Although we need to do better, we continually hang flyers announcing our programs and activities.

Goals:

1. We desire to send out a newsletter once a month rather than once a quarter.
2. A creative visitation program. Currently we deliver rice crispy treats.
3. A sandwich board on campus to post bulletins.

We have noticed a lack of Methodist students. We have contacted all of them and continually invite these students but we are still unsuccessful. This may say more about the youth programs they come from than our endeavors. Most Methodist students do not know about Wesley Foundation upon reaching college. We are writing all the senior high students in our district to hopefully begin turning this process.

Relate to God:

Worship: Worship is great and an area of strength. Normally we have between 10-20 students. These services are student led and include contemporary music, group prayer time, great fellowship and a message designed for their needs. We have had two professions of faith and one is being baptized in a few weeks. Also, we had a meaningful Ash Wednesday Service which included a foot washing and drama.

Music/Drama: The amplifier and speakers have greatly augmented our services. We are very thankful for these additions. What's more, they were donated by a Methodist Church from Morton, Mississippi. We purchased a CD player and two microphones as well.

Goals:

1. Increase attendance through more publicity and student involvement.
2. Invite more talented students to sing and participate.
3. Hopefully add a choir by this time next year and use more live music.

Relate to Others:

Fellowship: Thursday night dinner has between 10-15 students. Some weeks they volunteer to cook making it a little more interesting. We kicked off the quarter with an acoustic guitar concert performed by Mr. Frank Bell. After dinner, we generally take time to plan upcoming events. We have a Spades tournament scheduled for March 6 which is a fellowship/stewardship event. Many times we just go to different activities together.

Recreation: We have combined with BCM in intramural sports. We've bowled, played basketball, volleyball and even some checkers. Next quarter is softball.

Goals:

1. A social activity once a quarter between us, BCM and Campus Outreach.
2. Intentional recruitment for sports.
3. A large social activity once per quarter and smaller informal ones on weekends.

Equip:

Christian Education: There is a lack of students involved in Sunday School everywhere in our community. This is a difficult area for me to work in due to my extensive absence on weekends. We eliminated the Dessert Issue Discussion because attendance was low and it was not drawing new people.

Spiritual Growth: Bible study is an area of strength. We average ten but have been as high as fifteen. Students truly seek knowledge and understanding in this arena. This quarter we focused more upon their questions and topical issues. We postponed the luncheon Bible study. It also was not drawing any students. Winter retreat was quite successful. We took ten students to Camp Winnataska and discussed the fruit of the spirit as it applies to our relationships. Rob Couch, president of Auburn Wesley Foundation, led our music. Jim and Janet Chase from Huntsville, AL were the leaders.

Goals:

1. Add another Bible study for those not able to attend on Tuesday night.
2. Next year we want to offer Disciple Bible study in coordination with Livingston UMC.
3. A Spring beach retreat and leadership retreat.
4. Increase Sunday School participation. We have discussed doing a college class for students, faculty and staff from 9:30-10:30 Sunday morning in Wesley
5. Holy week services

Send Out:

Stewardship: The students are good about cleaning up after dinner. They are also planning fund-raisers for our summer missions programs. These may include a Boston Butts sale, BBQ and homemade ice cream sales. We currently sent out information for a Spring break stress kit. We are slowly adding items to the building to give it a "homier" feel. There is a good bit of usage during the week for study purposes. We would love to add a computer and additional copy machine to facilitate their studies.

Missions: I went with Auburn Wesley Foundation to New Orleans to work at the Children's Home during Christmas. Parents were reluctant for our students to go due to increased violence in the New Orleans area. The trip was very successful and would have benefited our students. We are trying to coordinate with the Children's Home in Selma for an alternative Spring Break trip. We received a letter discussing the need for a bike room. Our job would consist of cleaning, painting and putting up brackets. Also, I plan to invite students who live in Livingston to work with me on the Arm of the South project if they desire. On a world wide focus, we have the opportunity to send three students to Ecuador with SIFAT in late August. I and a newly ordained pastor will lead this trip. Locally, we are still investigating a prison ministry route. We were also asked to help provide tutors at the Alternative School. There is much potential in this area. During Easter we will keep with the tradition of the Easter egg hunt for the foster children. We are attending the conference on Welfare Reform as well. We were hoping to team up with Auburn students for the summer Mobile Inner City Mission project. The opportunity for this ministry has not opened and will hopefully be considered for Summer '98.

Goals:

1. A weekly service project. Another local missions emphasis project during the quarter i.e. food drive, care construction project.
2. A pilot, care- constructed program this summer.
3. Helping with the local youth group at LUMC.

Structure of Wesley: With the Spring quarter just around the bend, we will begin preparing students to take on leadership roles by the onset of a student council. This will include a president and three to five area coordinators.

We thank you for your continuing vision and help with the Wesley Foundation. We look forward to God growing us in many area.

Visions

The board's role and help:

1. Provide accountability and vision.
2. Fund raising body
3. Information about the community and the university.

I would like to begin answering thee questions:

1. Where have we been? What worked and what didn't? Why/why not?
2. Where are we going?
3. How do we plan to get there?
4. What are the resources we need?

Administrative needs:

1. A budget for 1998
2. Draw up new by-laws.

What I see for the future of Wesley:

1. Setting up a long range financial plan to augment the budget and ministry of Wesley Foundation. This may come in the form of a money market savings, endowment fund, trust fund or other plan.

Why? 1. We need to consider the possibility of a van for trips and ministry.

2. Our building has foundation errors that need our addressing.
3. The most successful ministries have some type of "dorm" housing which greatly influences their outreach.
4. If a seminary person is to move into this position after I leave we must create a package that will sustain them. Most seminary graduates have school loans they must pay off.

2. Wesley Foundation could very easily serve as a bridge between the campus and the community.

How? 1. Universities and colleges naturally teach academics but are also a form of support for the community. Education should benefit the area. I see a model of learning called "Praxis" which means servant learning; where students in a particular form of study have community service added into their curriculum. Thus they are paired with agencies such as DHR or Home Health and work approximately an hour a week in service.

2. Helping build the universities enrollment through more promotions and letters. Getting more students aware of Wesley Foundations.
3. Ministries whose intent are to bridge racial and class systems. Alabama Rural Ministry has this focus and purpose while also addressing poverty housing needs.
4. Having more students volunteer their time.

3. Creating paths for students to go into full time Christian service.

What for? Wesley Foundation is a fellowship. We must ask what is good fellowship? It is not just sitting around watching TV and celebrating that we are Methodist. My vision is creating the next wave of church leaders and ministers. Our ministry must get stronger in the area of evangelism and discipleship. Wesley Foundation yearns for the Holy Spirit to enflame our students and prepare them to work as Christ does.

Thus, we want to challenge our students in these areas. Our board is enthusiastic and supportive of these goals. We also pray for your encouragement and direction.

Thank you again for your prayers, support and guidance.

Report No. 5 – PROPOSED CHANGES

IN THE ARTICLES OF AMENDMENT TO THE ARTICLES OF INCORPORATION OF HUNTINGDON COLLEGE.

PROPOSED CHANGES IN THE ARTICLES OF AMENDMENT TO THE ARTICLES OF INCORPORATION OF HUNTINGDON COLLEGE

At the October 26, 1996, meeting of the board of Trustees of Huntingdon College the attached Articles of Amendment to the Articles of Incorporation were approved and the Board requested that the document be forwarded to the Alabama-West Florida Conference and the North Alabama conference for action by each of the Annual Conferences.

In summary, the changes which the Board of Trustees approved and which they ask the Annual Conferences to also approve are as follows:

1. Add the Bishop of the Alabama-West Florida Conference and the Bishop of the North Alabama Conference as ex officio members of the Board of Trustees. Service would be concurrent with their terms as Bishops of the conferences.
2. Change from 12 “at large members” to 20 “at large members”.
3. Change the length of service before consideration for life membership from 24 years to 18 years.
4. Change the age at which one can be considered for life membership from 72 years to 68 years.

The result of the changes would be that the Board would be comprised of 12 clergy (six from each conference including the two Bishops); 12 Methodist laypersons; 20 “members at large”, two alumni members (the President of the Alumni Association and an elected representative), and life members.

5. Change references to “he” to “he/she” and “him” to “him/her”

Current Articles of Incorporation of Huntingdon College

- (b) The affairs of the corporation shall be managed and controlled by a board of trustees as hereinabove defined and described, which board shall be composed of life members as provided in subparagraph 5 below and 38 members chosen as follows:

1. Twelve of the trustees shall be elected by the North Alabama Conference of The United Methodist Church, six of whom shall be ordained ministers of The United Methodist Church who are members of said Conference, and six of whom shall be lay persons who shall be members of The United Methodist Church.

2. Twelve of said trustees shall be elected by the Alabama-West Florida Conference of The United Methodist Church, six of whom shall be ordained ministers of The United Methodist Church who are members of said Conference, and six of whom shall be lay persons who shall be members of The United Methodist Church.

3. Twelve trustees shall be elected by joint action of the Alabama-West Florida Conference and the North Alabama Conference, designated “member at large”, without any restrictions as to their geographical place of residence and without any restriction as to religious or church affiliation.

4. Two trustees shall be elected by alumni. One shall be the president of the Huntingdon College Alumni Association, who is elected to that office by members of the Association, and shall serve ex officio as a trustee so long as he/she holds the office of President of the Huntingdon College Alumni Association. The second trustee elected by the alumni shall be elected by the Huntingdon College Alumni Association to serve a regular term of three years. In case the person elected for a three year term is unable to complete the term, the vacancy shall remain unfilled until a successor trustee is elected by the Huntingdon College Alumni Association.

5. In addition to the election of the trustees as hereinabove provided by action of said Conference of The United Methodist Church, all trustees who attain the age of seventy-two while serving as a member on the board of trustees, and all trustees who arrive at a cumulative total of twenty-four years of membership on the board, shall be eligible for election as a “life member” of the board, with all membership privileges of the board of trustees of Huntingdon College, and such life members shall be in addition to the members of the board of trustees elected by said Conference of The United Methodist Church, as hereinabove provided. Life members shall be elected by joint action of the Alabama-West Florida and the North Alabama Conference upon certification by the President of the College of their eligibility, as herein provided. BOARD OF EDUCATION

Report No. 1 – CHAIRPERSON

The Board of Education has been busy becoming reorganized in conference year '96-'97. We are grateful for all the leadership that has been given to this Board during the previous quadrennium. While the committees of the Board of Education remain the same in this new year all of them are under new leadership. In some cases leaders are yet to be found.

At the invitation of the Cooperative School of Christian Missions leadership, we recently voted to become one of the sponsors of our annual conference's summer missions school. The Board is eager to enter into this new venture, for we commonly feel that missions studies and involvement in missions are integral to Christian education. Our work in this area will begin following the 1997 school. It is with great interest and enthusiasm that we begin this partnership.

During 1997 the members of the Board of Education plan to study Foundations: Shaping the Ministry of Christian Education in Your Congregation. This book articulates the purpose of and provides support for all educational ministries in the United Methodist Church. Published by Discipleship Resources and prepared by the Christian Education staff of our General Board of Discipleship this is a primer for all persons working with Christian education programs in local churches. We pray this guide will help inform, as well as transform, the ideas we are able to share with local churches in the quadrennium we have just entered.

Reports from the various committees now share work that we are continuing and new opportunities that are on the horizon for persons and congregations of the Alabama-West Florida Conference in the area of Christian education.

Rev. Libba Stinson, Chairperson

Report No. 2 – SUNDAY SCHOOL COMMITTEE

The Sunday School Committee currently has two areas of focus.

In 1996 this committee planned and gave oversight to Christian Education Weekend, September 20-21. The Sunday School Committee is the co-chair of the weekend in 1997. The leadership for Christian Education Weekend alternates between this committee and the Children's Ministries Committee in even and odd years. We were quite pleased with the 1996 event which was guided by the inspired leadership of Sandy Sisson and Marti Patterson for our Sunday School Committee. Dr. Michael Williams, gifted Nashville pastor and storyteller, was the inspirational leader and keynote speaker. Many Christian educators and lay people from around our annual conference led workshops, sharing ideas that have met with great success in their churches. With the theme, "Who Is This Teacher Jesus?" Christian Education Weekend '96 brought just over 300 people to Blue Lake to receive encouragement and insight into ways to strengthen the Christian education program in their churches. The Meltdown Reunion Band led the weekend's music and the Blue Lake gymnasium was "dressed up" in schoolroom decor. The Sunday School Committee wholeheartedly thanks everyone who was involved in Christian Education Weekend whether as a leader or a participant for making this the wonderful event that it was!

The Visionary Sunday School Teacher Program is the second emphasis of this committee.

VISIONARY SUNDAY SCHOOL TEACHER CERTIFICATION PROGRAM

The Visionary Sunday School Teacher (VSST) training program was developed by the Sunday School Committee of the Conference Board of Education in 1994. The purpose of this program is to provide training to enhance the skills of the Sunday School teacher of all age levels. The program calls for attending a beginning session consisting of 2 to 3 hours of training; then following prescribed requirements of selected readings and of attending local, district and conference events. It is suggested that a person complete the certification program within a year.

Thus far, we have certified 18 persons throughout the conference who have successfully completed the requirements. Presently, we have 57 persons actively enrolled and progressing through the certification program at their own rate.

Members of the Sunday School Committee and some DCEs are continually teaching the basic session and enrolling new candidates. The committee will make an effort to organize a VSST training session anywhere in the conference when there is a request.

During 1996, we revised our reading/video list with the help of Cokesbury personnel.

As the program continues to grow with more individuals enrolling from all areas of the conference, the committee needs to enlist the help of DCEs to serve as mentors. We have learned that most people need encouragement along the way to complete the program.

Jo Lovell, Immediate Past Chairman

Report No. 3 – OLDER ADULT MINISTRIES

Older Adults within the United States went from only three million in 1900 to over 34 million by 1994. Congregations are experiencing the impact of our aging society. By the year 2030 there will be about 70 million older persons — more than twice the 1994 number and more than 20% of the total U.S. population. Approximately 5600 people celebrate their 65th birthday every day.

The Older Adult Committee met November 19, 1996 at Prattville First United Methodist Church for a very fruitful meeting to discuss The Older Adult Ministry of our conference. Time was given to remembering the work of Older Adult Ministry by those present as well as visioning for the future of what might be. These ideas, as well as others to be gathered, will be presented to the participants of The Older Adult Assembly May 1997 for further discussion and planning.

“LIVING THE BEAUTIFUL LIFE” taken from the popular song “Oh, What A Beautiful Baby!” is our 1997 Older Adult Theme May 12-15. The Reverend Mr. Ervin Dailey will be the inspirational speaker. Blue Lake Director The Rev. Mr. Linwood Lewis will serve as Dean. An effort is made to broaden participation in this activity through involving people in the planning, actual assembly participation, and in the future assemblies.

It was a desire of The Rev. Mr. Glenn Carmichael, who chaired this committee and gave tireless efforts promoting so unselfishly prior to his untimely death, that every district in The Alabama-West Florida Conference have an active Older Adult Committee with representation to this Conference Committee. In this new quadrennium this idea will be carried forth as we seek to address the needs, aspirations and vision of Older Adult Ministry within The Alabama-West Florida Conference.

I encourage participation by those with an interest in Older Adult Ministry to attend The Conference on Older Adult Ministries at Lake Junaluska August 11-14, 1997. Our Bishop William W. Morris will be the worship Preacher. Dr. Evelyn Laycock will be The Bible Study Leader and The Junaluska Singers will perform. This will be a worthy meeting to attend, “Our Hope For Years To Come”.

There is much vitality to the Older Adult population within the bounds of our conference and our committee seeks to encourage, inform, and equip the ministry of Older Adults.

Stephen F. McGucken, Older Adult Committee Chairman

Report No. 4 – CHILDREN'S MINISTRIES

The Children's Committee has three main priorities: to promote and train leaders for the Cokesbury Vacation Bible School Curriculum; the Bishop's Confirmation Rally; and responsibility for Christian Education Weekend as chair on odd years and co-chair on even years.

In 1996, Vacation Bible School training was held in three districts in order to get training closer to the local people. The workshops gave VBS directors an opportunity to have a hands-on look at all United Methodist VBS resources. From there the directors were able to train teachers with a better idea on how to plan an exciting VBS.

Youth and children who had participated in Confirmation training in the local churches were invited to a Confirmation Rally to meet the Bishop and to attend classes on John Wesley, Methodism, Worship and Stewardship. They were also given a chance to fellowship with other United Methodist youth.

Christian Education Weekend continues to be one of the most successful teacher-training events in our conference. Generally, the attendance ranges from 250-300 participants. This weekend also includes training for Weekday Children's Ministries directors and teachers. Our plans are already being made for Christian Education Weekend '97 where we plan on implementing a day camp for children during the weekend. The dates for the weekend this year are September 19-20, with Judy Gattis Smith as the keynote speaker. Mrs. Gattis Smith is an enthusiastic speaker with many year's experience in local church Christian Education Ministries. She is also a prolific author with many helpful publications to her credit. Her vivacious presence will bring excitement as well as strong leadership to our Alabama-West Florida Conference.

Our '97 theme "A Garden of God's Grace" is intended to emphasize the ways we are enabled to grow through Christian education. Nineteen workshops are planned varying in focus from those of a foundational nature to those emphasizing the arts in Christian Education to those which will offer ways to help keep children safe. One workshop will highlight the message of the Episcopal Initiative on Children and Poverty.

We fully expect another successful event and hope that many persons present at annual conference will help bring persons from their church to Blue Lake for the weekend.

Virginia Lindley, Co-Chairperson
Rachel Baxter, Co-Chairperson

Report No. 5 – CHURCH FAMILIES AND YOUNG ADULT MINISTRIES

We, the Conference Board of Education, are very grateful for the work in Family Ministries begun by Reverends David and Chris Cook. As a way of lifting up families, a seminar entitled Up With Parents is being scheduled in nine places throughout the conference. The dates for these upbeat seminars given by Dr. Rod Kennedy of Baton Rouge, LA will be October 6-14. This will be sponsored by the Conference Board of Education.

In Young Adult Ministries the first-ever CCYM (Conference Council on Youth Ministries) Reunion has been planned for Saturday, June 28, at Blue Lake. We are hoping for a large number of former youth leaders in our conference to gather together once again.

Report No. 6 – THE LEADERSHIP DEVELOPMENT COMMITTEE

The Leadership Development Committee under the Conference Board of Education sponsored a three-day intensive workshop for United Methodist leaders through the SEJ Administrative Council. The workshop was The Seven Habits of Highly Effective People, led by Joe Gordon. Nineteen people participated. Their reactions were very favorable and because of the positive feedback, they recommended another intensive three-day seminar entitled Principle-Centered Leadership. This seminar is scheduled for January 6-8, 1998, at Blue Lake. Information will be coming out soon.

Report No. 7 – CAMPING COMMITTEE REPORT – 1997

The Summer Camping program for 1997 will be using the theme, **Come, Follow Me!** A total of seventeen camps are planned that will include children, youth, and adults, as well as

the special camps. Nineteen deans have been secured to plan and oversee the various camps. In addition, there will be a host of other volunteers serving as camp counselors and helpers.

Once again, we want to say a special thank you to Rev. Linwood Lewis for organizing this year’s camps. There were deans to secure, curriculum to choose, schedules and dates to be planned, along with all the other duties of managing Blue Lake Camp. His tireless efforts enable us to have a successful summer camping program.

We anticipate a great summer program where the lives of children, youth, and adults are touched by the love of Jesus Christ.

THE CHURCH AND SOCIETY

A Guideline for United Methodist Churches of the Alabama-West Florida Conference

According to the Book of Discipline, the Board of Church and Society shall recommend to the Council on Ministries or the Administrative Council study/action projects in the field of social concerns. (The Board) shall cooperate with other commissions in surveying the needs of the local community and in making program recommendations for responding to local, community, state, national and international needs to which the church ministers by its service, education, witness and action. (See: Theological Guidelines: Sources and Criterion, pp. 76-80, Book of Discipline, 1996)

GENERAL BOARD OF CHURCH AND SOCIETY

CONFERENCE BOARD OF CHURCH AND SOCIETY

DISTRICT BOARD OF CHURCH AND SOCIETY

LOCAL CHURCH BOARD OF CHURCH AND SOCIETY

- Chairperson of Outreach responsible for:
 - Planning and implementation of programs to deal with the needs and concerns of persons beyond the congregation
 - Relating the ministry of the local church to the needs of the world

Help local church use church and society as a resource. Board of Church and Society must never be in a position that we are relieving the responsibility of position of parents, guardians or those in charge of minors. We do take the responsibility of helping parents raise their children in our society.

PURPOSE:

“...to relate the Gospel of of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which they live. It shall seek to bring the whole of human life, activities, possessions, use of resources and community and world relationships into conformity with the will of God. It shall show the members of the Church and the Society that the reconciliation that God effected through Christ involves personal, social, and civic righteousness.”
(Par. 1002 Discipline 1996)

OBJECTIVE:

...to protect a plan that challenges the members of the United Methodist Church of Alabama-West Florida Conference to work through their own local churches, ecumenical channels, and society toward personal, social, and civic righteousness.
(Par. 1003. 1 Discipline 1996)

...and to implement the episcopal initiative “Loving relationships, hope for the future, and a sustaining value system are necessary for children to flourish and fulfill their God-given potential.” Children and Poverty: An Episcopal Initiative p. 6 Para. 2) As well as the gospel mandates:

Mark 25:40 “And I, the King, will tell them, ‘When you did it to these my brothers you were doing it to me!’ ”

OUR PLAN:

The Logo will be — **The Road to Life: An Exciting Journey**

For each year — 1997 through 2000 — A road will be used as the Logo with road signs directing action towards fulfilling the Gospel mandates. Road signs that deal with Spiritual, Financial, Social, Physical and Educational needs of individuals and families. The Board of Church and Society is directing the thinking of local churches with these concerns:

That we help encourage and equip children, youth and parents (guardians) to the effective peacemakers at home, school, work, and in the neighborhood. The schedule for the Quadrennium will be:

1997

Nurturing Middle School Youth: Tomorrow's Peacemakers. I Timothy 4:12

"Let no one despise your youth, but set the believers an example in speech and conduct, in love, in faith, in purity."

1998

Nurturing Senior High Youth: Tomorrow's Peacemakers. Daniel 1-8

"...resolved that he would not defile himself..."

1999

Nurturing an Adult: Today's Peacemakers. Luke 10:33-34

"...and when he saw him, he was moved with pity. He went to him and bandaged his wounds..."

2000

A Year of Jubilee: The Family at Peace. Leviticus 25:10

"...you shall proclaim liberty throughout the land to all its inhabitants...you shall return, every one of you, to your property and every one of you to your family."

The general picture of this "Road to Life: An Exciting Journey" which Jesus demonstrated is found in Luke 4:18 "...to bring good news to the poor...to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor."

CONCEPT:

Each local church can find one middle school child for 1997 (high school student for 1998, adult for 1999 and a family for the year 2000) through a member of the congregation, a teacher at the school or a social worker who needs help with tutoring, discipline, self esteem or listening skills.

Ideals which a local church can develop to be in ministry with children and the impoverished are:

- listening skills
- discipline: self and authoritative
- words that hurt / words that heal
- responsibilities and consequences (punishment)
- positive reinforcement / effective encouragement
- acceptance and cliques (gangs)
- safety issues for parents

In working with individuals, it is inevitable that families are touched. In the last two years of this program, the social gospel will be intentionally implemented through spiritual, financial, social, physical and educational means.

THE HOPED-FOR OUTCOME:

"The focus is on communicating and living the gospel of Jesus Christ with all children and intentionally reaching out to impoverished persons as recipients and means of God's grace in Jesus Christ." (Episcopal Initiatives p. 9)

If each church embraces the program, then 693 children and their families will be touched by a United Methodist Church each year. If a new family is touched each of the four years, a total of 2,772 families could be hearers of the Good News.

BOARD OF THE LAITY**Report No. 1 – LAY LEADER**

Since 99.4% of the United Methodist Church is lay, the board of the Laity is more convinced than ever that lay and clergy must have a mutual ministry in the planning and carrying out of the primary mission of the church, “to make disciples for Jesus Christ.” This is the purpose for adopting the 1997-2000 Quadrennial emphasis, “Partners in Ministry”.

In preparation for an extensive effort in our conference to truly be partners in ministry, thirty-six persons (both lay and clergy) attended for 2 1/2 days a Skills Workshop at Blue Lake in October which was led by Dr. Roy Trueblood. This was the beginning of learning as lay and clergy to be more effective team members, especially in training the laity to find places to use with integrity and accountability their gifts in ministries.

As a follow-up to the Skills Workshop, in a five-day “Train the Trainers” workshop in February, six clergy and six lay persons did extensive training to enable them to go as a two member lay/clergy team into local churches, district and conference settings to lead the skills workshops. Any person attending one of the 2 1/2 days’ work-shop will then be ready to be trained as a trainer.

At the present time four workshops of various types are in the planning stages. All of our team members are committed to Jesus Christ and to accomplishing a shared vision for the church. Local churches and districts are encouraged to participate in a workshop.

The Board of the Laity, which has the responsibility for stewardship within our conference, is making plans for a year-round emphasis. Under the leadership of Dr. Marvin Grunzke, District Lay Leaders will be responsible for the first phase in each district. The Stewardship Committee is also working on stewardship manuals to be placed in each district.

Each local church lay leader is encouraged to observe Laity Sunday in his/her church. If the third Sunday in October is not a convenient date for your congregation, make your plans for a more suitable date. The theme for 1997 is “Partners in Ministry — Making Disciples of Jesus Christ in the Church”.

A part of the annual meeting of the National Association of Annual Conference Lay Leaders meeting in Nashville this year was designated for training in spiritual discernment. As your Conference Lay Leader my prayer for all our constituency was the most emphasized point in the training: “Consecrate your work for the Lord through personal devotions, remembering that we cannot divorce our work from our spiritual lives”. I pray it be so as we work together to bring about the dreams and aspirations we have for our conference.

Jean Sublette, Lay Leader

Report No. 2 – UNITED METHODIST MEN

In January, United Methodist Men came under the newly formed General Commission and thus are no longer part of the Board of Discipleship. We are now self-supporting.

Our Spiritual Life Retreat was held at Blue Lake with guest speakers Dr. Ellworth Kalas and Steadman Shealy, former quarterback for the Alabama Crimson Tide. Providing the entertainment, were Larry Hanna, piano, Joe Pat Cox, song leader, and the Good News Singers from Frazer United Methodist Church, Montgomery.

One of the highlights was a bowl-a-thon in which Bishop William Morris raised over \$700.00 by demonstrating his expertise in this sport. The money raised was given to the UMM Foundation. Bishop Morris was presented with the John Wesley Fellow award. Others receiving recognition were Larry Hanna, Joe Pat Cox and Andy Ellis.

New members coming aboard the United Methodist Men’s council are Joseph “Buck” Stokes – Andalusia, Mark Stewart – Dothan, John Kemble – Pensacola and Charles Persons – Montgomery.

The Pensacola District held their retreat in October with guest speakers Rev. Harold Bordages and Rev. Don Kirsch. Demopolis district held their rally in April at Linden United Methodist Church with guest speaker Robert Powell.

Plans are being made to have at least two “First Men Gatherings” on alternate years, in addition to Jurisdiction plus the International Congress at Purdue and the traditional Jurisdictional meeting. The “Men’s Gathering” will consist of men from Alabama-West Florida, Florida and South Georgia Conferences.

The objective will be for men to leave the Gathering committed to Christ and pledged to “Seek Him First”.

We in the Alabama West Florida Conference are truly blessed to have Robert Powell, past Conference President, Southeast Jurisdictional President elected as our National President.

Robert, on behalf of the Annual Conference we wish to thank you for your leadership and may God continue to richly bless you in this ministry.

Plans are being made to attend the seventh International Congress of United Methodist Men. The Congress meets every four years and will be held once again at Purdue University July 11-13th.

As we look forward to the year 2000 our focus is men responding to Christ with much emphasis on prayer, commitment and communication.

Report No. 3 – UNITED METHODIST WOMEN

“Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God — what is good and acceptable and perfect.”

— Romans 12:2

United Methodist Women emphasize a holistic approach to mission through spiritual growth, leadership development, education for mission, personal involvement through service, ecumenical cooperation, advocacy for the oppressed and sharing resources. The focus is on more than change; it involves transformation.

From – **United Methodist Women In Mission** by Ruth Daugherty

UNITED METHODIST WOMEN make a difference! The following report reflects that difference.

The theme, “Yes, Count Me In!” was heard throughout the conference in 1996 as United Methodist women began a six year Membership Campaign. The purpose of the campaign is to recruit for, maintain and sustain the organization of United Methodist Women. The Membership Campaign had a great beginning when United Methodist Women gathered at Annual Day, October 5, 1996 for the 24th Annual Meeting. Marilyn Winters led the conference in a Membership Workshop where membership goals and new ideas were introduced to generate new enthusiasm and challenges for each local unit of United Methodist women. Each district will be encouraged to increase membership by 10% each year of the campaign. The Membership Campaign will run from 1996 - 2002.

The Spiritual Enrichment Retreat was led by Lisa Ausley, a diaconal minister from Clanton, AL. The theme, “Bifocals to Binoculars” focused on perspective — get life back in sync with what God says life is all about. Musicians for the retreat were David and Kathy McKee. One hundred twenty-three persons attended the retreat.

The Mother – Daughter Day, a relatively new event is designed especially for mothers and daughters, grandmothers and granddaughters, or both who are interested in mission. The theme, “Linking Together in Mission” will be explored in April with Rev. Jill Berquist-Wallace as the featured speaker. Sheryl Wise and daughters, Priscilla and Tracie will serve as the musicians.

“Living God’s Vision For a Just World” was the 1996 theme for the Alabama-West Florida Conference School of Christian Mission. Mission studies presented were: John Wesley: Holiness of Heart and Life; Living In a Multicultural Society and China and Hong Kong. The special offering was given to the Mobile Inner City Mission’s Multicultural Worship Program. Members of the conference mission team will participate in the South Atlantic Regional School of Christian Mission in June where they will be trained in leadership responsibilities for the upcoming school.

Participants that included members of the Task Force, district presidents and treasurers, conference officers and local women met at the Dumas Wesley Community Center, Mobile, AL in October 1996 for an Education for Mission Event. The mission experience provided participants a personal, individual and in-depth involvement in a specific mission program/project. Carlton Carruthers, Executive Director, Clara Ester and other members of the staff assisted the group to understand factors of the past and present which make the loca-

tion of this particular institution necessary. The staff reviewed the funding for the institution/project and we saw how United Methodist Women's mission "monies" are being spent. The participants experienced "first hand" the dedication and commitment of the staff and volunteers who serve at Dumas Wesley Community Center.

In 1996, the Pledge to Mission made by the nine districts was \$173,500.00. The pledge collected was \$111,119.07. However, the total amount given for undesignated giving was \$145,501.91 in 1996.

"Mission Alive @ 25" will be the theme heard most during 1997 and 1998, as a year long celebration takes place at all levels of United Methodist Women. The celebration will finalize at the 1998 United Methodist Women ASSEMBLY in Orlando, FL. Plans are underway for the Silver Anniversary Celebration at the Alabama-West Florida Conference United Methodist Women's 25th Annual Meeting in October 1997. Local units and districts are encouraged to join in this celebration as we recall our history and make a recommitment to mission. The theme, "Mission Alive @ 25" uplifts the years of world-wide mission service of United Methodist Women as they continue to address the concerns of women, children and youth.

Report No. 4 – LAY SPEAKING

The Lay Speaking Ministry of the Alabama-West Florida Conference is continuing to meet people where they are and be a means for persons to commit to a more meaningful way to serve God. The extraordinary response of persons who move beyond this ministry into other areas of service is but a mere reflection of the limitless depth and breadth of Lay Speaking Ministries.

At this writing planning is in process to conduct the Ninth Annual Lay Speaker Training Weekend, April 4-6, 1997, Blue Lake Assembly. This training event provides Lay Speaker training in a retreat atmosphere for the benefit of persons seeking to become Local Church Lay Speakers (LCLS), Certified Lay Speakers (CLS), or recertification as Certified Lay Speakers. What has been most beneficial is the sense of family that is fostered by these gatherings. And, as we have grown in this relationship, we have come to realize the reward of our time together.

Our enrollment figures for the Lay speaker Training Weekend is currently 132 students and 18 instructors. A new "Basic" course is being offered comprising 12.5 hours by contrast to the previous Basic Courses which comprised only 10.0 hours. In addition to the new Basic Course, we will be offering four Advance Courses, three that are newly revised.

Currently the ministry is being audited so that our records will more accurately reflect those persons who are active, inactive, have moved and/or those who have gone into full/part time ministry. The audit will be completed subsequent to this report for the Brochure of Reports and will be accurately reported at Annual Conference.

One of the dilemmas of this ministry is its name. Far too many persons associate the ministry directly to its name. The irony is that the name is derived from John Wesley's charge to members of the classes or societies that as they were sent forth that they were to be "Lay Speakers for Christ". This charge then, became the ministry that we address today. However, the Lay Speaking Ministry is far more and far greater than speaking. This ministry is first and foremost about service. And the three prongs of our approach to our service are, Leading, Caring, and Communicating.

Pastors and churches should consider their recommendation of persons to be a part of this ministry based a simple assessment. Are the persons you recommend committed to serve? Persons who contemplate becoming a Lay Speaker should consider whether they are ready to: 1) share their faith; 2) go wherever and whenever God calls; 3) willing to commit their time and energy to the service of their neighbor; and 4) realize that God's presence is more important than stage presence.

This ministry is far more important than being simply a means for a person to occupy a pulpit. Prospective lay speakers and/or pastors who only see filling pulpits as the emphasis of this ministry, are seeing only a very narrow aspect of the Lay Speaking Ministry. The sole context must be an understanding that this ministry is about serving in a more meaningful

way. As lay speakers care, lead, and communicate, they encourage, equip, and support others for deeper commitment to Christ and faithful discipleship. Lay speaking isn't the only way to serve, but for a large number of laity, it is one of the most rewarding ways for their lives to be the only Bible some people may ever hear.

Someone who feels the call of God in their life and are seeking to find a way to be in ministry, not just for the purpose of filling an available pulpit, but to truly be in ministry in a more meaningful way, should be encouraged to try the Lay Speaking Ministry.

During the past year the Lay Speaking Ministries of the Alabama-West Florida Conference were represented in supporting the Annual SEJ Lay Speaker Workshop. A team of five (5) Lay Speaker Instructors conducted the Basic Course; four (4) Lay Speakers supported Dr. Mel Steinbron, author, "Can The Pastor Do It Alone," and founder of the Lay Pastoral Care Ministry, as he presented the training to workshop participants; two (2) Lay Speakers conducted early morning devotions "At the Foot of the Cross;" two (2) Lay Speakers provided special music; and two (2) Lay Speakers assisted Bishop Tullis, Bishop in Residence, in the consecration and communion closing worship service.

The Lay Speaking Ministries of this conference are moving with great anticipation toward an even brighter future than our past. With the love and concern of not only those laity who participate in this program, but also with the willingness of clergy who have been and who are going to be instrumental in our Leading, Caring, and Communicating, we will soar like eagles. Many of our instructors are clergy who give abundantly of their time and insight. We are indebted to those who have said yes when asked to instruct, or provide a facility for the weekend training sessions, or who give encouragement to their own Local Church or Certified Lay Speakers. Keep on lifting up the laity who serve through these ministries. For pastors who are still working toward motivating and/or encouraging those laity who are still seeking to hear God's call on their lives, try Lay Speaking. Every board and agency of our conference should encourage participation by the laity who are currently serving and are not in this ministry area, to try it.

One such initiative for the future work will be a ministry we call, Every Church Open Every Sunday (ECOES). This is intended to be a means of offering to the local church a way to have worship every Sunday, either with Sunday School, contemporary or traditional, or regular worship services, contemporary or traditional. In many instances, our small membership or multiple charges do not have the personnel resources to be open every Sunday. This is but one of the ways that we can proactively address this condition in our conference. Our work will begin with the District Superintendents and the Pastors in defining the need and developing a strategy for meeting the need. While this is only one ministry opportunity lifted up herein, the Lay Speaking Ministries include 27 other such Support and Assistance areas. And we will continue to not only broaden our scope, but also broaden our reach.

The bedrock and foundation of the success of the Lay Speaking Ministries of the Alabama-West Florida Conference is the work of the District Directors. They represent the very essence of the ministry area. Their work is the primary basis for the success of the Lay Speaking Ministries. Records maintenance and review, planning training sessions, service options, and supporting local churches and pastors, are but a few of the tasks accorded the district directors. Their success is the success of the conference director. Their challenging opportunities are likewise the challenging opportunities for conference director. In other words it is truly as team effort. By district they are:

- 1. Andalusia District Mr. Dennis Finch, CLS
- 2. Demopolis District Mr. Wade Drinkard, CLS
- 3. Dothan District Dr. Wayne Bradshaw, CLS
- 4. Marianna/Panama City District Mrs. Joann Turner, CLS
- 5. Mobile District Mr. Ed Fitzgerald, CLS
- 6. Montgomery District Mr. Bill Williamson, CLS
- 7. Pensacola District Mr. Pat Rommes, CLS
- 8. Selma District Mr. Joey Wilson, CLS
- 9. Troy District Mrs. Barbara Smith, CLS

We are grateful for the support of our Bishop, our Cabinet, our Council on Ministries Director and Staff, the Conference Lay Leader and Board of Laity, and the Director and Staff of Blue Lake Assembly, for the outstanding support you all have given and continue to give in sustaining this ministry area.

Curtis J. Henderson, CLS, Director

Report No. 5 – YOUTH

The Conference Council on Youth Ministries (CCYM) held three meetings and two youth rallies during the past year. CCYM also participated in a summer mission trip and in the South Eastern Jurisdiction Youth Ministries Organization's (SEJYMO) bi-annual convocation. The summer mission trip was in our conference in Mobile, Alabama. We spent our mornings doing mission work at a homeless and rehabilitation shelter, Wings of Life. The afternoons were spent holding a week long vacation bible school for hispanic children involved in the hispanic ministries program. The school was a blessing to us and to the children.

Summer meeting was held at Andalusia First UMC. It was a time of fellowship in Jesus to orientate new members. Meeting guidelines and politics were reviewed. The main focus of the meeting was the upcoming Fall Rally.

In August, the president, YSF coordinator, and the priorities coordinator of CCYM went to Lake Junaluska to the SEJYMO Convocation. It was a week long camp for the youth of our Jurisdiction. We had one day of meetings for all CCYM representatives. The purpose was mainly to elect new SEJYMO officers for the next two years. The president of our CCYM, Mary Claunch, was elected president of the SEJYMO.

Fall Rally was a new and exciting experience for CCYM. We changed the location and almost the entire event to improve the attendance. It was held at Blue Lake and was a huge success! There were over twice the number of youth there than in previous years. Everyone went to a workshop such as Drama or Praise and Worship and at the end everyone brought a skill that they had learned and contributed to a two hour long worship service.

Winter meeting was also at Andalusia First UMC. This was the meeting we approved the budget for the next Annual Conference year.

Spring meeting was at Andalusia First UMC. At Spring meeting CCYM distributed YSF funds and elected new officers. Also CCYM members were assigned to Conference Boards and Agencies.

Spring Fling was held at Laguna Beach Christian Retreat Center April 18-20. Greg Mckinnon was the speaker and Chris Davis led the music. Also the band Nouveau performed.

Throughout the past year CCYM has grown spiritually. God has blessed this group of teens with Christ's spirit of love, giving, and unity. CCYM is excited about all that God is doing to and through the youth of our conference.

Mary Claunch, CCYM President

ARCHIVES AND HISTORY

This report dare not begin on any note other than those of gratitude and appreciation. The gratitude extends to all the men and women, most of them unknown and unsung, who lived our history before we came on the scene. The appreciation goes to those persons—women and men—committed to the discovery, recovery, and recording of the history of Methodism within the bounds of this splendid entity, The Alabama-West Florida Conference.

Our new history—which, in my ignorance, I presumed could be gathered in one quadrennium—has extended into a second. Dr. Peter Branum continues daily work and much of the manuscript is ready for a final typing. Both Dr. Branum and I have concluded that finally closure has to come while we know that there is still so much of great value to be recorded. The original vision of this history was of three volumes...and that greater dream may yet have to be the one we seek to make reality.

The Archives continues to develop, become richer in its holdings, and of greater usefulness under the continued labors of love that Mary Ann Pickard so generously gives. All the members of our commission give generously of time, talent, and delight in preservation of 'what has been'. We are deeply grateful to the Finance And Administration Council for their empathy with our efforts.

In recent days a phrase from a Charles Wesley hymn has warmed my heart, “part of His host have crossed the flood and part are crossing now”. Those of Alabama-West Florida who preceded us made history. We who are this Conference now are making history. Those who come after us will want to know what we did, how we thought, how we loved. It is to the preservation of the past and access to its records that this Commission dedicates itself.

Charles R. Britt, Chairperson

PASTORS’ ASSEMBLY

The 1996 Pastors’ Assembly was held at Blue Lake Assembly Grounds, September 23 and 24, 1996. Featured speakers were Bishop William Morris, The Rev. Rosemary Brown from Tennessee, Dr. Richard Hays from the Divinity School at Duke University and Dr. William Mallard from Candler School of Theology. Our Assembly theme for 1996 was “*Living The New Testament Faith*”. Over one hundred twenty-five (125) pastors were in attendance.

The Board of Managers of Pastors’ Assembly has planned another outstanding Assembly for 1997. It will be held at Blue Lake, September 22-24, 1997. Our featured speakers will be Bishop William Morris, Dr. Gayle Felton from the Divinity School, Duke University, and Dr. Bill Ury of Wesley Theological Seminary. Our Assembly preacher will be Dr. William Peeples from the Louisiana Conference. Our theme for 1997 is “*Sacrament of Living*” – Celebrating and Living the Sacraments of the Church. The 1997 Pastors’ Assembly will be an inspiring and stimulating event for the pastors of our Conference.

Board of Managers of Pastors’ Assembly

COMMISSION ON EQUITABLE COMPENSATION

It is the purpose of the Commission on Equitable Compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for clergy support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on clergy support to district superintendents and committees on pastor-parish relation.

– *The Book of Discipline, 1996 (622.2)*

In keeping with the purpose stated above; the Commission on Equitable Compensation has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors who are full connection, probationary, associate, seminary students, full-time local pastors, student local pastors, and retired pastors (as specified in paragraph 2) are eligible for equitable compensation support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Compensation Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. To receive fully scheduled equitable compensation for the minister’s category, the church must pay 80% of the equitable compensation for 1998, except as defined in paragraphs 8-12 of this report.

3. The amount of equitable compensation a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

4. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable compensation for his/her classification, except as provided in paragraphs 8-10 of this report.

5. No person qualifying for equitable compensation which amounts to less than \$100 per year will receive any equitable compensation. The Commission expects the local churches to take care of that amount.

6. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable compensation unless there is not appoint-

ment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable compensation aid.

7. The Commission on Equitable Compensation recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Compensation, above the regular equitable compensation, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

8. Ministers of newly organized congregations will be eligible for Equitable Compensation for five years based on the following schedule applied to the minimum compensation approved by the Annual Conference:

First year	120% of Equitable Compensation
Second year	100% of Equitable Compensation
Third year	80% of Equitable Compensation
Fourth year	60% of Equitable Compensation
Fifth year	40% of Equitable Compensation

As shown there will be a 20% decrease each year with assistance ending after the fifth year. This schedule does not apply to churches presently receiving Equitable Compensation as a “new church”. The Commission suggests to the cabinet that consideration be given to ministers with background in church planning and growth development.

9. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Compensation, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable compensation, without any reduction in the equitable compensation support.

10. The Commission on Equitable Compensation recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Compensation, and present the findings to the Commission upon whom rests the final decision.

11. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister’s salary. The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

12. The Commission recommends that all charges receiving equitable compensation assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

13. The District Superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable compensation assistance when divided unless the Small Membership Church Commission has surveyed and recommended, and the Commission on Equitable Compensation has approved the division. The Commission recommends that churches or charges, to be eligible for equitable compensation aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

14. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable compensation funds. Also, the District Superintendents shall be responsible for the accurate completion and sub-

mission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable compensation funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

15. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

16. The Secretary of the Commission on Equitable Compensation shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable compensation fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

17. The Commission recommends the following Equitable Compensation Schedule for 1998:

	Minimum Salary	Minimum for church 80%
Full Connection	\$24,435	\$19,550
Probationary	24,435	19,550
Associate	23,670	18,940
Seminary Student (married)	18,970	15,180
Seminary Student (single)	17,925	14,340
Full Time Local Pastor	20,480	16,385
Student Local Pastor (married)	15,360	12,290
Student Local Pastor (single)	13,730	10,985
New Churches	29,320	

(Above figures rounded up to nearest 0 or 5.)

BOARD OF COMMUNICATIONS

The 1997 Annual Conference marks the third anniversary of the decision to authorize the Board of Communications to begin publishing our own informative, monthly magazine — The Christian Advocate — and, to establish an area Office of Communications. Much has been accomplished since that decision of the 1994 Annual Conference.

The Board of Communications along with Communications Director Andy Ellis and Staff Assistant Susan Haupt has been and will continue to be dedicated to producing a quality publication that seeks to inform, inspire, and entertain Alabama-West Florida United Methodists. Recognition of this hard work and dedication was realized in November 1996 when The Christian Advocate was honored by the United Methodist Association of Communicators with five Awards of excellence. This accomplishment is one in which all supporters and subscribers of The Christian Advocate can share.

While response to the quality and usefulness of The Christian Advocate has been overwhelmingly positive, circulation figures continue to be an area of concern. The Christian Advocate has 3,100 subscribers. We must increase the strength of our subscription base, and a pilot program is under way in the Andalusia and Mobile districts with this goal in mind. If successful, the program will be used in the remainder of the districts as well.

We are indebted to Bishop William W. Morris, our district superintendents, the Confederate Council on Ministries staff, pastors and all who continue to promote and subscribe to The Christian Advocate. Without the support of the dedicated leadership of our conference, publishing The Christian Advocate would not be possible.

While The Christian Advocate continues to be the primary focus of the Office of Communications, the board and staff are committed to developing a strategic plan for use of other media. In addition to the 30 second Christmas television spot from Bishop Morris, which has been aired on television stations within our conference, the Office of Communications continues to study the use of radio, television and advancing computer technologies such as the Internet in the telling of the church's story.

The Office of Communications also is committed to aiding local churches in ministering to their communities. In October 1996, the board sponsored a workshop on the use of the

Internet by local churches in two locations within the conference. Nearly 100 people attended the events in Fairhope and Montgomery, which were led by Dr. Bill Jenkins, computer coordinator for the Mississippi Annual Conference. Other communication training events could be held in the future on various topics of use to local churches.

The field of communications is rapidly changing, and the challenge facing the church is to take advantage of the advancing technologies to spread the Good News of Jesus Christ to the world. The opportunities facing us are exciting and challenging, and it is only through your continued support that we can succeed in this mission.

Andy Ellis, Director of Communications

Rev. Walter Albritton, Chairman Board of Communications

ASSEMBLY GROUNDS TRUSTEES Blue Lake Camp

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own United Methodist people but by other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we receive from our people. The facilities at Blue Lake continue to be used widely by Conference boards, agencies, committees, district and local church groups. Non-United Methodist groups make use of the camp when they are not reserved by our conference people.

The reservation policy of the Assembly Grounds is at it has been for many years. conference boards and agencies and district and local United Methodist groups are urged to plan and schedule their events early. When groups are small an effort is made to schedule more than one group in Oakwood in order to accommodate as many groups as possible. It is possible to have as many as four (4) groups in Oakwood of 25 persons each at one time. Our United Methodist groups have until October 1 of each year to schedule their activities. After October 1, non-conference groups will be scheduled if dates are available.

Each year we have groups cancel their dates at the last minute. This poses a real problem for your Assembly Grounds. If a group cancels two months or less before their event, it is too late to schedule another group; therefore, they forfeit their deposit (\$250.00). All groups are urged to make firm plans and give Blue Lake at least two (2) months notice of cancellation.

The Blue Lake Fund is the life blood of your Assembly Grounds. Without the continued support of the Local Churches through their budgets the rates for all programs at Blue Lake would be much higher. Therefore, I urge each of you to accept and pay **"IN FULL"** the Blue Lake apportionment.

The rates are as follows: United Methodist groups within the Annual Conference: \$26.50 per day in the original section of Oakwood Lodge and \$36.50 per person per day in the new section. In Pinewood and Dogwood the rate is \$21.50 per person per day. These rates include lodging, three meals and insurance. Non-conference groups pay a higher rate per night's lodging.

As of October 1996 your Assembly Grounds has been DEBT FREE!!!!!! Thank you, Thank you, and Thank you to all those churches that celebrated BLUE LAKE SUNDAY and received the special offering. Now we must look to Pinewood and Dogwood Camps and upgrade them for the children and youth of this conference.

Your camp grounds are looking better and better due to the many work crews that come and assist the staff from time to time with all sorts of projects. Work crews are encouraged and welcomed. Projects from cutting and stacking wood, repair docks, painting and just general help around the camp are available. Your help is always welcomed and appreciated.

The support of the United Methodist Women and the United Methodist Men both physically and financially have made many of our facilities and their upkeep possible. For their continued support I am deeply grateful.

Blue Lake is your church camp and your church should use it as often as possible. Bring your group for retreats and send your boys and girls to the summer camping opportunities.

The Blue Lake Ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support, and understanding are greatly appreciated.

PREACHER AID SOCIETY

The Preacher's Aid Society is one of the oldest organizations in the Alabama-West Florida Conference. It has been giving a "helping hand" to the ministers of the Conferences for over one hundred years.

There are two ways the Preacher's Aid Society gives assistance to ministers and their families. First, low-cost loans of up to \$600.00 are available to ministers under appointment in the Alabama-West Florida Conference. The rate of interest is 6% with up to two years to repay the note.

The second source of help comes through the giving of grants to ministers in the Conference who have excessive medical and other expenses that are beyond their capacity to handle. These grants are made available through funds acquired from the interest received from the loans made by the Preacher's Aid Society to ministers.

To be eligible for a grant or loan, a person must be under appointment or a member of the Alabama-West Florida Conference and must have paid the annual dues of \$1.00 on a regular basis. Within each district there is a designated collector for Preacher's Aid dues, or dues may be sent directly to the Rev. Paul M. Higdon, Treasurer; 1305 Dixie Drive, Monroeville, Alabama 36460-3430. This includes ministers in full-connection, Probationary Members, Associate Members, Student Pastors, and Local Pastors.

During the year 1996 the Preacher's Aid Society has been able to assist several families with grants from \$50.00 to \$150.00. In addition, the Society has made loans for several minister's families.

We urge that all ministers support the Preacher's Aid Society by paying the annual dues. Ministers who borrow money are requested to repay promptly and systematically, thus making more funds available to help others in need. Remember, this is one way we can help one another as brothers and sisters in Christ.

BOARD OF ORDAINED MINISTRY

This is a time of transition for the United Methodist Church regarding ordained ministry; therefore, our Board of Ordained Ministry has reorganized to fulfill the expectations of the ministry legislation passed at the 1996 General Conference. Our work now incorporates the work of the former board of Ordained Ministry and of the former Board of Diaconal Ministry.

The board has divisions for deacons, elders, local pastors, and conference relations. We have responsibilities for associate members, diaconal ministers, professional certification, and extension ministries. Our board has program areas for the Ministerial Education Fund, continuing education and spiritual formation, clergy ethics, District Committees on Ministry, Pastor/Staff Parish Relations Committees, ethnic concerns, retirees, Beginning Ministers Workshop, clergy support systems, ministerial effectiveness, women and clergy couples, mentors, psychological assessment, identification and enlistment, and Licensing School.

Throughout this new quadrennium we will continue to study how to function in this new environment of ministry. Along with the entire denomination we will learn and grow as we actually live through this new process. We are blessed to have a board that is committed to serve in the name of Christ as we seek to accomplish the tasks before us as required by The Book of Discipline.

Pray for us as we go forward. Our responsibilities are large. Our tasks are great. Our work is important for the cause of Jesus Christ, our Lord.

ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

The Board of Directors of your United Methodist Foundation is pleased to report another year of growth of assets under management as well as increasing usage of the Foundation's services to encourage long range financial planning in the local church. We appreciate the many invitations in the last year to present programs in your church that will encourage endowment ad planning efforts. The Foundation is equipped to assist church members and

friends establish permanent gifts as well as providing trust and investment management services for church funds.

The majority of the new trust funds coming to the Foundation are established to support the ministry and maintenance of the local church, however each year we receive a number of funds to benefit our Conference agencies; Homes for the Aging, Children’s Home, Blue Lake, and Huntingdon College to name a few. In 1996 we established 27 new funds for various uses and these new funds alone were valued at \$1,858,272.24. With five more additional funds so far in 1997, our current valuation of assets under management exceed \$26 Million. This growth represents a commitment by our leaders and our local church membership to support further ministry through their gifts and leadership. We are blessed by this commitment and look forward to providing support for this new level of stewardship and planning.

The Foundation’s Investment Committee provided excellent leadership in recent years by developing three diversified pooled investment funds to offer the churches professionally managed investment options. These funds excelled again in 1996, with our Equity and Balanced Funds ranking in the top 3% of a group of similar funds. Our Scholarship Committee will again meet in July to award scholarships to students who qualify. Please contact the Foundation office for more information. And our Wills and Endowment Committee has been very busy promoting endowment planning with the development of an informational video for your use. These are a few examples of the work being done by our Board of Directors and we hope you will thank them for this work and commitment to this ministry. We thank outgoing president Kent Hall for his outstanding leadership and the board unanimously endorses the following new officers.

UNITED METHODIST DEVELOPMENT FUND

As the Conference loan and deposit fund, the United Methodist Development Fund continues to grow, providing a deposit fund for churches and individuals to invest in as well as providing financing for church building projects. By offering competitive rates and no in-house closing costs on loans, the Development Fund and it’s depositors are supporting church growth and development in areas throughout the Alabama-West Florida Conference.

The United Methodist Development Fund has exceeded \$4 Million in assets and currently has liquid funds available for first mortgage loans. We encourage all churches considering building projects to contact the Foundation for further information.

Many thanks to the officers and Board of Directors of this agency as they provide leadership and support to this ministry.

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

For the past 30 years the Alabama-West Florida Methodist Federal Credit Union has been serving the ministers and their families in the Alabama-West Florida Conference. We believe we have been doing a fair job as we have made a total of 1,893 loans for a total of \$9,244,870.14 during our short history.

We are providing a source of low-cost loans for some 584 members, and offering a place of investment that is as safe as any in the financial industry. All deposits are insured up to \$100,000.00 with the National Credit Union Share Insurance Association, the strongest of all the Federal Insurance Funds.

We have a new Financial Officer as of December 1, 1996, Mrs. Debra Lewis. She owns and operates Lewis Tax Service in Georgiana, Alabama. She is fully bonded, and is proving very efficient and thorough in her work.

We have welcomed a new member to the board of Directors as of January 1, 1997. He is the Rev. James Belcher, of Pensacola, Florida, and he replaced Billy Joe Bass, who is no longer with the Credit Union.

The Credit Union is governed by a Board of nine Directors who are elected by the membership to terms of three years each. They are required, by law, to meet at least monthly to review the operation of the Credit Union, and to make plans and decisions for its on-going work. The following are members of the Board at present: Clifford Abbott, Zedoc Baxter, Jim Belcher, Lamar Brown, Bill Calhoun, Walter Ellisor, Wilbur Majors, Oliver Scott, and Edwin Sells.

Membership in the Credit Union is open to all Ministers in the Conference and to members of their families, (including spouses, children, and grandchildren), employees of local Churches, and employees of Institutions owned by the Conference. To become a member you must pay a membership fee of one dollar and make a deposit of at least Twenty-five dollars to open your account.

Dividends are paid quarterly on deposits of one hundred dollars or more. We encourage those members who have less than one hundred dollars in their account to consider building their deposits to at least one hundred dollars.

Remember, we furnish free Life insurance on your deposit, up to the amount of \$3,000.00 if it is placed before age 55. We also furnish free Credit Life Insurance on your loans up to the amount of \$20,000.00 as long as you are under 70 years of age. (There are some limitations. Please call or write for details.)

WHEN YOU NEED A LOAN, THINK OF YOUR CREDIT UNION FIRST. You will be helping yourself and your fellow members.

For doing business with the Credit Union, please call or write JOHN CARMICHAEL, Manager, at 334-335-3823, Rt. 2, Box 171-B, Brantley, Alabama 36009, or contact any of the Board Members.

THE COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The 1996 Alabama-West Florida Cooperative School of Christian Mission was held July 30 through August 4 at The Blue Lake Assembly Grounds, Andalusia, Alabama, under the sponsorship of the Alabama-West Florida United Methodist Women, the Board of Missions, and The Board of Church and Society.

Studies for the 1996 School were: John Wesley in the area of our Spiritual life study, the geographical focused on China and Hong Kong, and our third study was Living in a Multicultural Society. Also available during the weekend the school offered, Teaching Missions to Children where we as adults learn how to share with our children in new ways that would continue to bring new possibilities of ministry for all. Our leaders of these days did an excellent job as they opened the eyes of all participants into a new vision of being in ministry for our Lord Jesus Christ.

The 1997 school committee chose The Inner City Mission to receive the schools Mission Offering. As our study focused in on a multicultural society we gave attention to the Multicultural worship being held each week at The St. Francis United Methodist Church. We were well pleased to give support to one of our own local ministries that continues to reach out to all people.

The Elementary Mission camp, directed by Deans Tom and Sarah Sheppard, was outstanding as the eyes of our children were open to new realities in God’s Kingdom. The foundations developed in their days together will be one that will never be forgotten. We are most appreciative of our leaders and the children who continue to make our Mission Camp for our children a great success.

As Dean of the 1996 Cooperative School of Christian Missions I wondered how I can truly give thanks to my school staff, leaders, and participants who made the School of 1996 successful. Without your support and understanding I could not have completed the task asked of me as Dean. You were there for me and my family in the loss of my Mother-in-Law, Mrs. Anice Toole, you offered from your hearts your love to my family and continued on the work of our mission school even while I was away in those early days of the week. Your love and support were overwhelming but then again that’s why the 1996 Cooperative School of Christian Mission was so great just as many other schools through the years for you continue to place your heart and souls into the ministry you love so much. Thank You for all you do and continue to do.

The Reverend Steven D. Warren, Dean
1996 Cooperative School of Christian Mission

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL
Gordon C. Goodgame, Executive Director

The Southeastern Jurisdictional Administrative Council is grateful to the Alabama/West Florida Annual Conference for the support provided this connectional ministry. The work of leaders from the annual conference has enabled SEJAC to review its mission, revision its servant ministry, and take steps to become more effective in providing inspiration and training for nurture, outreach, and witness. In the mean time, financial contributions from the annual conference have melded with that of others to provide a historic level of support for your jurisdictional ministry.

Now, as the rewed SEJAC moves forward in a challenging quadrennium, the Alabama-West Florida Annual Conference will be represented on the Council by Bishop William W. Morris, James W. Carpenter, Edna L. Williams, Thomas P. Goodwin, Douglas C. Newton, Elizabeth M. Watson and Mary Clauch. It is our sincere hope that, together, we will be empowered by God to discern needs and tailor responses that will assist you in calling persons to Christ, equipping them in faithful discipleship, and sending them forth in service.

1996 Report

Ministry of Program and Agencies

The final year of the quadrennium was also the final year for the Program and Agency Divisions which have been merged into a new comprehensive Ministry Division.

During the year, the Program Division

- Offered an increased number of opportunities for Bible Study and Faith Formation
- Initiated a series of annual Wesleyan Heritage Weeks
- Enrolled over 22,000 persons in Council Sponsored programs with significant increases in Youth Ministry and Lay Ministry Center participation
- Took steps to create a new office of Outreach and Advocacy to undergird mission, church and society, and ethnic ministries.
- Helped establish six new Korean-American congregations, supported the Hispanic program of lay missionary training, and laid ground work to participate in Strengthening the Black Church
- Continued Development of theologically sound lay and clergy leadership training programs

During the year, the Seven Jurisdictional Agencies continued their serving ministries as

- Archives & History operated the Heritage Center, modeled preservation of historic materials, and provided annual conference training.
- Gulfside Assembly expanded its programming for youth and adults, sponsored a successful college travel fair, and took steps to upgrade facilities and increase endowment.
- Hinton rural Life Center consulted with annual conferences and advocated on behalf of small membership churches while expanding on-campus programs which included work team experiences.
- Intentional Growth Center continued an exceptional Elderhostel ministry and offered training programs within annual conferences as well as at Lake Junaluska.
- SEJANAM enabled the formation of Native American congregations and faith communities and provided training in a wide range of ministry areas.
- SEMAR worked with 42 homes for Retarded Adults and consulted with several annual conferences while advocating for persons with disabilities of all types.
- UMVIM coordinated a historic high of 531 mission teams, helped placed persons in individual mission assignments, and explored new areas for international service.

In early 1997, the new Ministry Division hosted its first Ministry Forum to seek a common ground for over 60 jurisdictional agencies, associations, fellowships, and organizations as these seek to carry out their ministries. Emphasizing coordination and communication rather than control, new stages in coordination and effective programming are anticipated. In response to requests, a new office in communications technology is being established to model effective use of current computer, video, and other technologies and to provide assistance to annual conferences upon request.

Lake Junaluska Assembly

Providing a setting for inspiration, training, and wholesome recreation, the Assembly hosted more than 70,000 persons last year. Jurisdictional-wide groups as well as annual conferences, districts, and local churches were served. As part of a studied plan, significant property and service enhancements were undertaken which include:

- Completion of Phase I in the Lambuth exterior renovation as well as extensive interior refurbishing
- Renovation of the Youth Center was begun and will be completed in March, 1997
- Development of additional parking and the erection of new signage throughout the Assembly
- Establishment of a Residential Services Department as a self-supporting cost center
- Launching of the Hickory Hill Development of 137 residential lots

In 1997, with support from the Ministry Division, needed video projection will be installed in Stuart Auditorium, renovation of Lambuth exterior will continue, a new Lakemont Condominium building is scheduled to replace the worn-out Liner Building, plans to upgrade the campground will be pursued and a new Long Range Planning Task Force will develop a comprehensive plan to guide further development.

During 1997, housing and food revenues failed to meet expectations and contributed to a 2.5% budget deficit. This resulted in a deferred maintenance contribution of \$167,000 less than budgeted. A thorough-going re-evaluation issuing in a reduced operating budget, a series

of planned outsourcings, further training in continuous improvement, and changes in leadership promise a better year in 1997. It is SEJAC's goal to establish levels of efficiency within the church's value system so that focus on mission can supersede financial concerns.

Public Relations, Marketing, and Development

Providing services to both the Ministry Division and Lake Junaluska Assembly, significant steps have been taken to enhance communication within the jurisdiction and redesign staff responsibilities accordingly. During the year the department has

- Established a Web Page
- Redesigned the sej united methodist
- Continued to work through system of district Junaluska Advisors
- Established a new Development Committee to seek increased endowment (Currently \$5,082,276 with \$1,547,545 in restricted accounts. Since 1988, proceeds from property sales are added to endowment)

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology of Emory University remains committed to preparing creative and faithful leaders for the United Methodist Church. Our work is enabled by our partnership with annual conferences and churches across the connection, and we are dependent on the prayers and prayerful support that we receive from our partners to continue our tradition of excellence in theological education. On behalf of the Candler community of faculty, staff, and students, I send my deep appreciation for the many ways that this annual conference has strengthened our efforts during 1996-1997.

Candler faculty demonstrate their commitment to our partnership with the church by providing the highest quality classroom teaching and by conducting research which benefits local churches. Dr. Rebecca Chopp's accomplishments in both of these areas were recognized by Emory University Board of Trustees this year when they conferred upon her one of the university's most prestigious honors, a Charles Howard Candler chair. In January, President William Chace bestowed upon Dr. Chopp another honor, appointing her interim provost for the University beginning in June 1997.

Five other persons joined the Candler faculty in fall 1996, and each has enhanced our participation in local church ministries. Dr. Marian Dolan, assistant professor of choral music and conducting, has brought expertise in contemporary Christian music. Bishop L. Bevel Jones, who served as resident bishop of the Charlotte area, is teaching in the area of church administration as Bishop in Residence. Dr. Rosetta Ross, a clergy member of the South Carolina Conference, is acting director of the Black Church Studies program and visiting assistant professor of social ethics. Professor Elaine K. Swartzentruber, acting director of the program for women in theology and ministry and instructor in systematic theology, has brought new insights into another Protestant tradition from her lifelong affiliation with the Mennonite Church.

Our ties to local churches and to the global church have been enriched by the presence of the Hispanic Theological Initiative. Designed to encourage Hispanic leadership in the church and the academy, the program celebrated its inauguration in March. Dr. Daisy Machado, program director, will teach in our master of divinity program beginning in fall 1997.

Perhaps the greatest signs of the partnership between Candler and the church are Candler students, the men and women annual conferences entrust to us for a term of preparation for ministry. I am pleased to report that Candler students continue to show dedication to rigorous academic study, to spiritual formation in and out of the classroom, and to training in the arts of ministry. The effective ministries of our graduates in this annual conference and others bear witness to the quality of Candler students and to their desire to honor God's call to service.

I ask that you continue to pray for these students and for all of us at Candler who work to offer them education for ministry. Know that your churches are also in our prayers and that we remember your support with thanksgiving.

R. Kevin LaGree, Dean and Professor Divinity

DUKE DIVINITY SCHOOL

In its mission of professional education for Christian ministry, Duke Divinity School continues in its established history of authentic spiritual and intellectual creativity, guided by an unambiguous commitment to the traditional Christian faith.

The Divinity School is in the final stages of selecting a new dean, as long-time Dean Dennis M. Campbell once again resumes full-time service as a faculty member this July, leaving a fifteen-year legacy of leadership as the tenth dean of Duke Divinity School. His term was the longest deanship in the school's history. Campbell's contributions to Duke, higher education, theological education, and Methodism, will be felt for years to come; during his deanship he has made thirty-five faculty appointments—all but seven of the current faculty—increased the endowment from \$4 million to more than \$30 million, enhanced the quality of the applicant pool and enrollment, overseen capital improvements to the physical plant, and strengthened the institution.

This past the Divinity School enrolled 477 students comprised of persons from 33 states and nine foreign countries. Currently, 60% of the student body is United Methodist, and 40% represent 41 other denominations. Total enrollment includes 387 M.Div., six M.C.M., 36 M.T.S., 26 Th.M., eight M.R.E., and 14 Special Students. Twenty-three students entered in January. The Divinity School includes 35% female and 18% ethnic minority; the median age of the student body is 27.

Elizabeth LaRocca-Pitts joined the faculty as assistant professor of Old Testament. Dr. LaRocca-Pitts received her B.A. from Duke, and she did graduate work at Garrett-Evangelical Theological Seminary and Harvard University. She is an ordained elder in the North Georgia Annual Conference. **John R. Levison** was named associate professor of the practice of biblical interpretation. A graduate of Wheaton College, Cambridge University, and Duke, Dr. Levison has been with the Divinity School professionally since 1994, having served first as research scholar in residence, then as visiting associate professor. The new director of continuing theological education is **Carol Jean Voisin**, a graduate of Colorado State University, Iliff School of Theology, and Graduate Theological Union in Berkeley. Prior to her appointment at Duke, Dr. Voisin served as director of special studies at the Pacific School of Religion in Berkeley, California. **C. Jarrett Gray, Jr.** has been named director of black church affairs and assistant professor of the practice of American Christianity. Dr. Gray previously taught at Allegheny College in Meadville, Pennsylvania; a graduate of Kalamazoo College, Dr. Gray received his theological education at Garrett-Evangelical Theological Seminary and Drew University.

The broad base of financial support for the Divinity School was particularly evident this past year with a total of \$4,170,513 received from individuals, foundations, churches and corporations. **The Ministerial Education Fund of the United Methodist Church** and the Charlotte-based **Duke Endowment** continued as the principal sources for underwriting current operations while individual contributions, especially for scholarship endowments, further strengthened the program.

The Episcopal Residence: 3291 Lancaster Lane, Montgomery

The Board of Trustees also holds title to the following bequests:

Norris Allen Fund	\$255,169
Hattie B. Norred Fund	61,181
C.B. Gilmore Fund	105,439
Lownesboro Trust	5,360
Mary Lloyd Reynolds Trust	66,245
J.B. Skinner Estate	932,045
Lida Malone Missions Account	6,403

The above funds are held in trust by the Board of Trustees with the revenues being used as requested by the donors.

We call attention to the resolution adopted by the Annual Conference of 1988, which designates the United Methodist Foundation as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the foundation for endowment funds in order to insure proper management and fiduciary accountability.

Maintenance on the Andalusia parsonages, and the Headquarters’ building, cost \$11,773 in 1996. Mortgage payments on the episcopal residence totaled \$20,255 in 1996. The January 1, 1997 principal balance is \$96,116 on the episcopal residence. The episcopal residence payment is \$1688 per month.

The renovation of the Conference Headquarters building in Andalusia which was approved by the 1996 session of the Annual Conference is well under way. The proposed budget for the renovation was \$333,039.11. The actual bid was \$292,632. As with most renovation projects, there have been some additional necessary work that was not evident until the demolition phase began. The major one was the asbestos abatement. However, even with these additional expenses, the project will be completed under budget. Davis Construction Company of Spanish Fort, Alabama was the low bid and after checking their references was awarded the contract. Contract completion date is August 3 with the possibility of an earlier completion. After the staff of the Conference Council on Ministries and the staff of the Fiscal Office move back into the Headquarters building, there will be an open house with all of the Conference invited to see the beautiful “new” offices.

Report No. 1 – PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the five years the Conference Board of Pensions pursued the goal of a pension rate equal to 1% of the conference Average Compensation as the Ministerial Pension Plan directs. Local church salaries have moved up so rapidly that we had difficulty gaining ground. The

1994 session of Annual Conference approved the recommendation of this board to go to the 1% level for 1995. It becomes more difficult staying at this level as the average compensation of the ministers of this conference increase, but the Board is committed keeping the pre 1982 rate at 1%. If we have to drop below .9% we will have to decrease the current pension funding of active ministers to 11% rather than 12% as it is now.

To maintain 1% of the Conference Average Compensation and after much deliberation, the Conference Board of Pensions recommends that for the year 1998 the total annuity rate for service years prior to 1982 be three hundred ninety-eight dollars (\$398) per service year with pension credited; the total rate for surviving spouses be two hundred seventy-nine dollars (\$279) provided that for those living in homes furnished by the Annual Conference, the pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouses.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$2,600,000 for 1998.

We call attention to paragraph 619 of the 1996 Discipline relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to the payment of the minister's salary by the local church. The Discipline gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this the pastor is then required to adjust his/her cash salary. Also the Discipline states that the pastor cannot receive a bonus or other supplementary compensation tending to defeat proportional payment. For example, if a church only pays 70% of the pension and benefits apportionments, the minister should receive only 70% of his/her cash salary as set by the Charge Conference.

Report No. 2 – DEATH BENEFIT PROGRAM

The General Board of Pension and Health Benefits has changed the Death Benefit Program (DBP) to the Basic Benefit Program (BPP). We made the change on January 1, 1995. BPP is an additional death benefit added to the regular death benefit provided by the Comprehensive Protection Plan (CPP) in which each full-time minister with a base compensation and housing equal to 60% or more of the Denominational Average Compensation participates. Formerly, this additional benefit was in a plan known as Death Benefit Plus in which we participated. The 1997 amounts are listed below.

Minimum Surviving Spouse Annuity Benefits

The Surviving Spouse of an active participant is eligible to receive a minimum annual pension 20% of the Denominational Average Compensation (DAC). (\$38,298 in 1998). The Comprehensive Protection Plan will supplement pension payments as needed to assure the 20%.

Surviving Child Benefits

Children under age 18: \$3,708.40 annually (10% of the DAC.)

Children between the ages of 18-25: \$7,416.80 annually (20% of the DAC) for up to four years, if enrolled in school full time.

The amounts for surviving children are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.

**Report No. 3 – ADDENDUM A TO THE MINISTERIAL PENSION PLAN
AND THE COMPREHENSIVE PROTECTION PLAN**

This Addendum A is applicable to the Alabama-West Florida Conference and is effective January 1, 1997. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan as revised January 1, 1993.

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). (MPP Section 2.12, 2.17(a), 2.18; CPP Sections 2.07, 4.01(a).)

The MPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP Section 4.01(a) & CPP Section 4.01(a).)

The MPP and CPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP Section 4.01(a) & CPP Section 4.01 (a).)

The MPP and CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West Florida Conference by the General Board of Pension and Health Benefits to each active participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pension and Health Benefits. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6 1/2% per annum) or the current monthly rate of interest credited to the Short Term Interest Rte Account (STIRA) whichever is greater. (MPP Section 4.01(k); CPP Section 4.02(a-f)(h).)

The Alabama-West Florida Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP Section 4.01(j).)

Any full or associate member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church contribution based on the participant's annualized Plan Compensation immediately prior to such leave. (Disciplinary Paragraph 446; MPP Section 4.01(j)(1).)

Any full member appointed to attend school after having served under appointment other than to attend school may continue to participate in MPP to extent allowable under applicable Federal Law. (Disciplinary paragraph 1606.3(a)(4); MPP Section 4.01(j)(1).)

The Alabama-West Florida Annual Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. (CPP Section 3.03.)

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. (Disciplinary Paragraph 446; CPP Section 3.02(a).)

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. (Disciplinary Paragraph 448, CPP Section 3.02(a).)

All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. (Disciplinary Paragraph 449; CPP Section 3.02(a).)

On January 1, 1997, the ministerial pension rate shall be \$380.00, and local pastor's pension rate shall be \$380.00. Should the pension rate, as a percentage of the 1997 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions and Homes for Claimants shall be authorized, after consultation with the General Board of Pension and Health Benefits, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary Paragraphs 1606.2(b), 1606.7, & 1606.21(a); MPP Supplement One, Article D.)

In accordance with MPP Supplement E.01(b), the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with MPP Supplement One (B.03), the unfunded liability as of January 1, 1997, has been actuarially projected to be \$5,211,328. Past service funding deposits are required to fund the unfunded liability and shall be in the amount and for the period shown below:

Amount	Period of Deposit
\$	17 Years
\$	25 Years
\$430,038 Total Annual Past Service Deposit Required	

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pension and Health Benefits. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pension and Health Benefits exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One, Article D.)

Report No. 4 – CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference treasurer, Andalusia, with the name or names of the persons being memorialized. Families of those so memorialized will be notified of the memorial gifts.

Report No. 5 – SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with paragraph 1606.3.a(3), 4g, 4h, of the 1992 Discipline, we recommend that those clergy appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the director of Noah's Ark, the director of the Mobile Inner City Mission, the director of Hispanic ministries, and the director of the Alabama-West Florida Board of Pastoral Care, Counseling and Training, provided such appointments are made as members of this Annual Conference or under paragraph 426.1 of the 1992 Discipline. The district superintendents, ministers appointed to the Conference Council on Ministries and the Fiscal Office are approved with pension responsibility on this Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pension and Health Benefits. (1992 Discipline, par. 1606.3a.)

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the comprehensive Protection Plan by a personal payment of 3.45 of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the General Board of Global Ministries.

Report No. 6 – DEPOSITORIES

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pension and Health Benefits of The United Methodist Church.

Report No. 7 – PENSIONS FOR LAY EMPLOYEES

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pension and Health Benefits for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pension and Health Benefits, 1201 Davis Street, Evanston, IL 60201.

Report No. 8 – FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606.4 of the 1992 Discipline.

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourth vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions and Homes for Claimants.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9 – RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS ANNUAL CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired ordained or licensed minister, or 100% of the disability benefit payments received by a disabled ordained or licensed minister, during the year of 1998 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired ordained or licensed minister's pension or disabled ordained or licensed minister's benefits.

NOTE: It should be noted that the above applies only to the minister and not the surviving spouse. The amount you can exclude for housing is the lesser of (1) the amount of your pension; (2) the amount it costs you to provide your housing; or (3) the fair market rental value of your home including furnishings. If you need further information concerning this, please contact the Fiscal Office.

**GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES
 ALABAMA-WEST FLORIDA CONFERENCE
 THE UNITED METHODIST CHURCH**

1. Priority for homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
 - A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference **and is receiving his/her pension.**
 - B. A surviving spouse of an active minister with a minimum of ten (10) years full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years service.
 - C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
 - D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
2. Applicants who meet the above qualifications shall furnish evidence of need by completing the Financial Assessment form provided by the Board. Then the following priorities will be followed:
 - A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
 - B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.
 - C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
 - D. Ministers placed on disability subject to 1.D above.
3. APPLICATION FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of the death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than providing temporary housing. Home assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.
4. Claimants shall provide the following information to the Director of Homes:
 - A. Name of claimant and immediate family members.
 - B. Number of persons to be housed.
 - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.

The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations.

MINOR MAINTENANCE AND REPAIRS UP TO \$50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.

7. Care must be exercised by the occupant in the erection of TV antenna so that existing property is not damaged.
8. **No claimant who serves a church, under appointment, which has a livable parsonage, will be provided a claimants home unless said church pays to the AWFC Board of Pensions and Homes for Claimants a monthly amount deemed by the Claimants Homes Committee to be equitable rent for said claimants home as long as the claimant serves that church under appointment.**
9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Box 700, Andalusia, AL 36420.

Report No. 12 – HEALTH INSURANCE

The partial self-funded health insurance plan has been in operation since February 1991. January 1, 1994, Blue Cross Blue Shield of Alabama became our third party administrator (TPA). We experienced an increase in claims for the second year in a row. While it showed a decrease again, the Insurance Trust fund is still solvent. As of December 31, 1996 the United Methodist Foundation Insurance Trust Fund had a balance of \$818,706 a decrease from 1995. Claims totaled \$1,801,479 in 1996 which is a decrease from 1995.

Local churches may cover their lay employees who work 30 or more hours a week. Lay employee premiums are \$200 for single coverage and \$410 for family coverage. For information on offering your lay employees this coverage contact Mrs. Pat Rathel in the Conference Insurance office.

The Board of Pensions and Homes for Claimants recommends that the appropriation for Health Insurance for 1997 be \$1,450,000. In 1996, 94.39% of the health insurance apportionment was paid. This is a 1.76% decrease.

Report No. 5 – POLICIES AND GUIDELINES ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration nominates and the Annual Conference elects one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocation of rooms for such; handle reservations for meeting rooms and for the dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration presents the following guidelines:

**Report No. 8 – STEWARDSHIP RESPONSIBILITIES AND
LOCAL CHURCH CONCERNS**

1. CFA believes that all apportionments are needed in the amounts apportioned. Further, CFA believes that it is within the capacity of the churches to pay the apportionments in full. Effort has been made to hold apportionments for which CFA has responsibility to minimum increases, and if possible, level funding. The 1998 Conference budget reflects an increase of 2.9% over 1997.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	no apportionments
2nd year	50% apportioned
3rd year	75% apportioned
4th year & following	100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and CFA may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanation by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in par. 262.4c of the 1996 Discipline. It is our suggestion that audits of local church financial records should be done by someone other than church staff and should involve others, through members of the Committee on Finance may be included.

Report No. 9 – DISCIPLINARY REQUIREMENT

Paragraph 715.1 gives CFA responsibility for the fidelity bonding of the conference treasurer. CFA recommends that the present policy of bonding be continued through the General Council on Finance and Administration. Paragraph 615.2 of the 1996 Discipline gives CFA the responsibility of requiring all agencies and boards for which the conference treasurer does not serve as treasurer to have fidelity bonding of their treasurers in such amounts as it deems adequate.

Report No. 10 – FORMULA AND ALLOCATIONS

1. We recommend that the Apportionments be developed using a formula based on financial strength of the local churches (see Standing Rule #2) and the membership of the local Churches, with financial strength weighted 75% and membership weighted 25% in the formula and that apportionments be determined by local church decimal applied to the amount of each budget item at the Conference level.

2. We recommend that the financial strength of a local church in calculating the deci-

mal formula be based upon all local expenditures (lines 64-72) of the local church report to the Annual Conference. This eliminates all apportionments and special giving from the formula.

3. We recommend that the spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocations of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

4. We recommend that the pastor and chairperson of the Committee on Finance or the church treasurer sign the annual Local Church Report as being correct. The Fiscal Office will enter the data in the computer, print a copy and send to the pastor to check with a timeline for corrections. When the new year's apportionments are run in July, there will be **only one set of apportionments which will be the final set. There will not be a "Trial Set" of apportionments as in previous years.**

Report No. 11 – MINISTERS MOVING EXPENSE

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$1,200 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following the death of the minister.

Report No. 12 – ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council (the original proposal was adopted by the Conference on June 1, 1988):

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.
2. The annual budgets for boards and agencies shall be prepared on a "zero-base". It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.
3. At the end of the fiscal, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account".
4. The Conference Program Reserve Account shall consist of:
 - a. unused balances of boards and agencies
 - b. funds which may be budgeted for the reserve account
 - c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
 - d. interest earned from sources as may be provided by the Council on Finance and Administration
 - e. funds from other sources that may be deposited by any board or agency or group within the Conference.
5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the Council Program Reserve account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.
6. Additional use of Conference Program Reserve funds by program boards and agencies or for other program purposes of the Conference Council on Ministries shall be approved by a majority vote of the executive committee of the Conference Council on Ministries upon the recommendation of the Conference Council Director.

Report No. 13 – MOVING EXPENSE GUIDELINES FOR LOCAL CHURCHES

The following guidelines for the moving expenses of ministers were first adopted by the 1984 Annual Conference session and appears on page 330 of the 1984 Journal.

1. Before moving to a new appointment, an incoming pastor should communicate with the PPRC chairperson to ascertain the church's policy on paying moving expenses and to discuss moving plans.
2. If the incoming pastor plans to use a commercial mover, two estimates should be secured from movers.
3. The receiving church is responsible for the moving expenses of an incoming pastor up to a maximum of 7,500 pounds.
4. The cost of packing by the movers, if done, is not the responsibility of the receiving church.

Report No. 14 – COSTS OF THE ANNUAL CONFERENCE

By action of the Annual Conference in 1991, in response to the motion presented at the 1990 session of the Annual Conference, CFA makes the following recommendations:

1. In order to have a more accurate account for meals served, the Conference will provide meal tickets for all Conference members, guests and other official visitors.
2. A charge of \$15.00 per person will be made for all who use Conference provided housing on the Campus. (Standing Rule 8) CFA will be responsible for studying and investigating possible locations for future sessions of the Annual Conference.
3. The 1997 Brochure of Reports will contain an order blank requiring orders to be placed for the 1997 Conference Journal at \$15.00 including cost of mailing. Those desiring loose leaf copies with a binder will be charged \$18.00. Those desiring only loose leaf copies without the binder will be charged \$15.00. Order forms will be available in other places as well. (Standing Rule 18.a)
4. Retired ministers and surviving spouses of ministers may receive one copy of the conference Journal free of charge provided it is ordered using the order blank.

THE COMMITTEE ON EPISCOPACY

The Committee on Episcopacy met with Bishop William W. Morris for a fall and spring meeting during the past year. At the fall meeting the committee expressed their joy and delight that Bishop and Mrs. Morris were returned to the Alabama-West Florida area for a second quadrennium.

Bishop Morris has given strong and vigorous leadership to our Annual Conference. This fact is borne out in the Bishop's Episcopal Area Report to the Southeastern Jurisdictional Conference that met at Lake Junaluska, North Carolina, in July of 1996. This report clearly indicated that the Alabama-West Florida Area is deeply involved in mission, and that the ministries are local, national, and global.

We deeply appreciate the radiant spirit and enthusiastic support that Mary Morris gives to her husband. She is a vital part of his ministry.

We look forward to years of continuous spiritual growth and developing ministries under the wise guidance of Bishop Morris.

Jerry M. Dooling, Chairperson
Elene Powell, Secretary

RECOGNIZE THE EXECUTIVE DIRECTOR – LINWOOD LEWIS

In 45 years of Blue Lake, there have been only six persons to serve as executive director. Two of the six served two terms.

Rev. John Lane – the first executive director served a total of nine years in two separate periods.

Rev. Selman Bradley – the second executive director served eleven years in two separate periods.

Rev. Linwood Lewis will have served over 17 continuous years as executive director. He has, as have all our executive directors, done an outstanding job for Blue Lake.

We would be amiss if we did not acknowledge the excellent work of the spouse of each director who served as dietitians.

The trustees have established Saturday, August 16 as Linwood Lewis Family Day, and the entire Conference is invited to Blue Lake for this day of appreciation. The event will begin at 11:00 a.m. in the gym with a reception, and the serving of “heavy” finger food.

At 12 noon a more orderly time will begin under the direction of Dr. Steve Furr, Vice President of the Trustees. Dr. Furr is preparing a very interesting program of recognition for the Lewis’s.

We extend a special invitation to Bishop Morris, to the members of the cabinet and to all members and friends of the Alabama-West Florida Conference to attend this special day.

Linwood, in appreciation of your long years of faithful service as Executive Director of Blue Lake Assembly Grounds, by a unanimous vote of the trustees of Blue Lake Assembly grounds, I am empowered to announce that the “new” wing of Oakwood Lodge which was constructed under your leadership is now named “The Linwood Lewis Wing.”

An appropriate plaque indicating this will be installed in an suitable place.

In closing I want to express the love and appreciation of the trustees and of members of this annual conference for your faithfulness and as well as your wife Phyllis, and your son Donald.

God bless you and yours.

For the Blue Lake Trustees,

Henry E. Eddins, President

COMMITTEE ON COURTESIES AND APPRECIATION

The 168th Session of the Alabama-West Florida Annual Conference convened at Huntingdon College the evening of May 25, 1997 with 1000+ registered delegates. The college had prepared well for our arrival by the leadership of President Wanda Bigham and her attentive and capable staff. We are grateful for the privilege of being on this lovely campus and also at Montgomery’s First Church that hosted the ordination service and reception on Monday evening and various breakfast and luncheon meeting each and every day of the conference.

We are thankful for the servant ministry of various conference officers such as Fred Baily, Registrar, and Neil Epler, Secretary of the Conference. This was their rookie year but they have done an excellent veteran job of keeping us in order and recording our time together.

We give thanks for the special event speakers:

- Bishop Edward Tullis who led us in an in depth consideration of “The Gospel of Wholeness” – a study of Paul’s Epistle to the Ephesians.
- Rev. Eddie Fox, who lifted up the importance and privilege of our evangelistic task.
- Senator Jeff Sessions, active member of the Ashland Place United Methodist Church in Mobile and US Senator from the state of Alabama who spoke out of his personal experience of the clergy and laity as “Partners in Ministry.”
- Bishop Carl Sanders who reminded us eloquently of our priorities in the “Sending Forth” service.
- There were the early morning communion services led by Reba and Steve Wiley, Richard Brooks, Robert Spicer and Bishop Morris, who especially voiced God’s call.
- Larry Bryars, our pastor at the Epworth United Methodist Church in Phenix City led us in the services of commendation and Holy Communion in which we witnessed to our faith and grieved the loss of our friends — fourteen ministers and seven wives who have died during the year now past.

There has been much to celebrate:

- The services of 204 local pastors serving 40% of our total number of churches.
- The fact that 244 of these local churches (35.7%) reported a net increase in membership.
- We recognized the service and retirement of District Superintendents Ed Sells, Asa Boozer, and Walter Ellisor and the retirement of twenty-two other ministers who represented more than 700 years of effective service of the causes of Christ. Among their ranks was Linwood and Phillis Lewis having directed the activities at the Blue Lake Assembly Grounds for 17 years.
- With excitement and joy, we welcomed 14 new elders into full connection and became the first conference in all of Methodism to ordain 19 individuals into the new Order of Permanent Deacons. Special thanks to Mike Watson and Rudy Heintzelman who have guided their respective Boards of Ministries in this merger of the Order of Ministry.

There are so many individuals behind the scenes who have made our conference time meaningful and enjoyable.

- Chairpersons of all of our Boards and Agencies who have carried out their ministry responsibilities all year long and reported to us over the last few days.
- Alba Stewart who repaired the stage that cracked under the weight of the largest class of retirees in the past six decades.
- Leonard Schults, who assisted in the Registrar's Office and helped make our days on campus pleasant.
- The Council On Ministries who reminded us of the importance of our ministry to children who are only 25% of our population but 100% of our future.
- All of the assistance of the Pages (under the direction of Mike Dillaber) in distribution of reports of the conference.
- Steve Snow who managed the food service for the conference.
- Andy Ellis who, with his staff, produced our "Daily Christian Advocate" which reported our daily events.
- We have enjoyed the new pictorial albums of the ministers which were coordinated by Curtis Henderson and released this conference and also the conference Journal received in plenty of time for the opening of this year's conference sessions. I believe Don Brill was responsible for that?

And, as is always the case at Methodist Conferences, there was a great deal of singing. Special thanks to Roy Watford, organist, and Carolyn Nelson, pianist for our general sessions, the choirs of St. Francis Street, Metropolitan, Toumanville-Warren Street, Hispanic and Native American Ministries, Theodore and Montgomery's First Church. There were the soloists like Sue Dawson from Frazer, the Stringfellow family quartet, and the Jubilee Shores Praise Ensemble. The singing was so fine that it inspired Walter Ellisor to set a new benchmark for the Retired Minister's theme song when he broke into numerous verses of "I'm Feeling Might Fine."

In the Wesleyan tradition, "conferencing" has been a historical "means of grace." Our people came together to mourn our losses, celebrate our victories, to be touched by the friendship of one another and to experience the divine presence of the Holy Spirit who comes when we get in one place and seek the mind of Christ and a common vision of ministry. We have "conferenced" again this year and will soon depart to multiply God's love in our churches and communities throughout South and Central Alabama and Northwest Florida.

And on behalf of the Committee on Courtesies, we voice a corporate "thank you" and submit this as our final report.

Independent Auditors' Report

Council on Finance and Administration
Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying schedule of cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church for the period January 11, 1996 through January 8, 1997. This schedule is the responsibility of the Council's management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedule referred to above presents fairly, in all material respects the receipts, disbursements and transfers for the period January 11, 1996 through January 8, 1997, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church in conformity with generally accepted accounting principles.

Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying schedule of cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Conference Administration Account for the period January 11, 1996 through January 8, 1997. This schedule is the responsibility of the Council's management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedule referred to above presents fairly, in all material respects the receipts, disbursements and transfers for the period January 11, 1996 through January 8, 1997, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Conference Administration Account in conformity with generally accepted accounting principles.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note B to the financial statement, the organization's policy is to prepare its financial statement on the basis of cash receipts and disbursements. This is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statement referred to in the first paragraph presents fairly the recorded cash receipts, disbursements and cash balance of Alabama-West Florida Assembly Ground, Inc. for the year ended December 31, 1996.

WILLIAM BRUNSON ATKINSON, JR.

William Brunson "Jack" Atkinson, Jr., was born in Birmingham July 21, 1929. He was the oldest child and only son among the four children born to William Brunson and Grace Atkinson, Sr. The elder Mr. Atkinson entered the Methodist ministry in 1931. Grace, Jack's mother, died when he was 17. His father later remarried, once again to a lady named Grace.

Jack attended Demopolis High School through the 11th grade, then spent his senior year at Marion Military Institute. He went on to Birmingham-Southern College, graduating from there in the class of 1951. He delayed seminary for several years, eventually going to Emory, where he was a member of the Candler class of 1961.

Jack and his first wife, Elizabeth, married in 1951. They adopted a son, Ronald Anthony, born June 1, 1961, then had three children of their own: Teresa Dickman, born in 1963; Rebecca, born March 26, 1965 (killed at age 18, on April 4, 1983); and John Wesley, born July 30, 1966.

Rev. Atkinson's first marriage failed, and on June 7, 1980, he married Jacqueline B. Atkinson, better known as "Jackie." She noted that among the things he enjoyed most was barbecuing chicken for such events as church meals and fundraisers. Later in his career and into retirement, Jack did woodwork, served as a volunteer fireman, and dabbled in real estate (only after retirement). He also enjoyed occasionally visiting elderly people and local nursing homes dressed in a clown suit. It was his way of helping bring joy to people's lives.

In recent years, Rev. Atkinson had developed complications from diabetes. He suffered a stroke in 1995 and spent time in rehabilitation, a nursing home, and in the hospital during the remainder of his life. He died in Montgomery's Jackson Hospital January 21, 1997. He was buried on the 25th. The funeral service was held at Leak-Memory funeral home, with burial in the Serenity Gardens area of Greenwood Cemetery in Montgomery. Dr. Thomas L. Butts, Jr., delivered the eulogy, with Rev. Tom Sheppard, Montgomery District Superintendent Dr. Asa Boozer, and Rev. Steve McInnis also participating.

In addition to his wife and three surviving children, he is survived by two grandchildren and his stepchildren: Wendy Hobbie, born January 13, 1958; Brenda Hobbie, born March 1, 1961; and Brandon Hobbie, born September 24, 1966.

CARLTON EVERETT BARNES

Carlton Everett Barnes was born September 10, 1914 in Atlanta, Georgia, the son of Mobile natives Dora and Charles Barnes. He entered the ministry in 1940, after earning a Bachelor of Arts degree from Birmingham-Southern College in 1938 and a Bachelor of Divinity degree from Emory University in 1940. His brother, Douglas, went on to the ministry in the South Georgia Annual Conference.

Everett and Jimmie Louise Nettles were married June 25, 1944 in Ashland, Alabama. Their home was blessed with three children: Everett Darryl, born February 25, 1946; Charles Carlton, born April 21, 1949; and Martha Louise, born September 18, 1956.

Rev. Barnes had a long and distinguished ministry in our Conference. In addition to serving some of the larger churches and as a District Superintendent, he served twelve years as the Executive Director of the Conference Council on Ministries. He was honored with a Doctor of Divinity Degree from Birmingham-Southern in 1982.

After battling a malignant brain tumor, Rev. Barnes died on September 15, 1996, at the age of eighty-two. The funeral service was held September 18, 1996 at the First United Methodist Church of Andalusia. Officiating clergy were Rev. Joe Ed Hastings, Rev. Gerald Maddox, Andalusia District Superintendent Dr. Frank Hyles, Rev. Walker Epps,

Dr. Syd Lock, and Bishop William Morris. Burial followed at Andalusia's Memorial Cemetery.

JOSEPH AMOS HOLLOWAY, II

Joseph Amos Holloway, II was born March 4, 1925 in Chipley, Florida. His parents were Joseph A. Holloway, Sr. and Matilda Jeffcoat Holloway of Opp, Alabama. His grandfather was Rev. Halton Jeffcoat, a former member of the Alabama Conference, Methodist Episcopal Church, South.

On August 7, 1944, Joe and Frances Trawick Holloway of Dothan were married there. The Holloways were blessed with three children: Ramona Gayle Holloway, born September 13, 1945; Vanna Michelle Holloway, born September 10, 1948; and Joseph Amos Holloway, III, born November 2, 1958.

Joe was a senior at Dothan High School in 1943 when he joined the United States Army. After serving his country in the Army in World War II, he returned to Dothan, where he worked for thirty years in radio and television. He entered the ministry in 1977 from the Cloverdale United Methodist Church.

And you, his fellow church members and friends, remember what happened then. He started his studies for ministry with two years at Wallace Community College with A's and B's, after being out of school for almost thirty-five years. He followed the Course of Study, which he loved, at Emory. Then the bishops from year to year appointed Joe to his churches, in which he served for a total of seventeen years.

Rev. Joseph A. Holloway, II died June 17, 1996 from complications after surgery. His funeral service was on June 19, 1996 at Cloverdale UMC, where he was a charter member. Burial was in Gardens of Memory in Dothan. Ministers taking part in the service were Dr. Al Harbour, Dr. Larry Davis, and Rev. John Bryan. Ministers of the Alabama-West Florida Conference were honorary pallbearers.

For Cloverdale, Lafayette Street, and Covenant - thank you for your prayers, the messages and cards that were received by the Holloway family. For the people who make up the memberships of the churches Joe served as pastor, thank you for your returned gratitude. Joe and Frances were grateful for you when they served among you, and they still are.

As human beings, we are creatures of time. We structure life by a calendar. Many of us live our lives guided by schedule-date books or Cokesbury pocket calendars. Joe didn't use his pocket calendar - one of the grandsons usually got that. Joe kept his schedule in his heart and in his head, and being fallible, his personal secretary Frances would write down information on a calendar or note it on a paper on the refrigerator. A calendar is made up of blank squares with the days of each month recorded in the corners with numbers. We know by looking where we are from day to day and what we are supposed to do.

As a United Methodist minister, the episodes of Joe's life and ministry were framed into a calendar. The squares were filled with times to preach sermons, to teach Sunday School, to visit in hospitals, nursing homes, and homes; to direct worship services; to counsel people in need; to list people with whom to eat lunch or supper; to schedule consultation or charge conference; to schedule all those everlasting committee meetings - and these were only the things Joe could not afford to forget. The squares were also filled with things he did not write down but which took place - thousands of cups of coffee, time with wife, children, and grandchildren, times of prayer, times of gestures of help and kind words to others. Whatever Joe did with his life, it had to fit into the squares of the calendar.

It is the same with you and me and life. We live one square at a time. The four lines that make the square are the walls of time that organize life for us. Everything we do has to fit into one square. We cannot straddle the lines. Each square has an invisible door that leads to the next. At a silent stroke, the door opens and I am pulled through it as though by a magnet. At that next square in line I will again fill the time frame that seals me, fill it with my busyness, just as I did the square before. As we get older, the squares seem to get smaller.

On Monday morning, Joseph Amos Holloway, II, our brother in Christ, walked into a square that had no door. There was no mysterious opening and no walking into an adjoining square. Joe knew that he would one day walk into that last square. And he knew that from day to day all he did and lived depended on what was going to happen when he got to that last square. What happened on Monday morning? Joe discovered that the reason that day had no door out of it for him was that it had no walls for a door to fit into. The four immovable lines that sealed Joe and you and me into time were erased. The last day of earthly life turns out to be the first day of life in a new dimension. The promise of heaven on that last and that first day is called HOPE.

On Monday morning, Joe was able to begin to see in perfection what he had attempted to experience of the Gospel in his life on earth. His NEW LIFE IN CHRIST, experienced for many of his 71 years, was quality life lived with others and with God. Joe saw that when life was right,

it was lived out through faith, hope, and love with others. Joe believed this. Joe attempted to live this. Joe preached this. He had the PEACE of God in his life. In the days given to him and to each of us, we have an opportunity to model what is taking place in heaven, the PEACE of God.

Joe learned about faith, hope, and love. He preached what he had appropriated by faith. There were responses to what he preached. His District Superintendent, Dr. Walter Ellisor, last week expressed gratitude to Frances and Joe for their faith-full ministry.

Right now, Joe, a saint of light, lives not by faith but by KNOWING; not by hope, but by REALITY; Joe is at home in the eternal love and grace of God.

As I close, I want to remind you and also myself of something. God is pleased when we enjoy his earth while we enjoy Him. God knows that some of us need more than just an undiluted version of his beauty; we need to experience the beauty of the relationships we can have as God's children. So, while God is at the heart, he does not ask to be everything. I am thankful to God for letting us find our joy in each other as well as in Him. I am thankful to God for letting us find our joy in each other as well as in Him. I am thankful for preachers like Joe Holloway who have guided us to gaze at God on Sundays; and then pointed us to the sacredness of our Mondays through Saturdays of the week when we have our opportunities to work, play, share, and pray for and with each other.

Heaven is just as fine on Mondays through Saturdays as it is on Sundays. You and I live in HOPE. The last square on the calendar in our earthly lives has been transformed by God. What we cannot do in a million calendar squares, God does for us.

Jesus said of himself, "I AM THE LIGHT OF THE WORLD." He also said of those who represent Him, "YOU ARE THE LIGHT OF THE WORLD." Frances, my sister in Christ, your husband, Joe, is how a SAINT OF LIGHT. He has carried forward the love he had for us here on earth into heaven.

Until we see him again, we will live each day blessed with more hope and joy.

HARRY BRUCE KEMPER, JR.

Harry Bruce Kemper, Jr., was born July 16, 1926 in Purcellville, a small town in rural northern Virginia. He was the son of Harry Bruce, Sr., and Helen Elizabeth Ritchie Kemper, both of whom were Purcellville natives. He graduated from Lincoln High School in 1944.

On May 25, 1951, Harry Kemper and Ardis Lamar were married at the First Methodist Church of Crestview, Florida. They were blessed with three children: Nancy Jeanne, born November 2, 1954; Donald Bruce, born January 8, 1958; and Carolyn Annette, born November 17, 1961.

In 1963, Mr. Kemper answered the call to preach. He served churches in the Alabama-West Florida Conference for twenty-eight years, including several lengthy pastorates. The Kempers retired to Crestview in 1991. They were very active in older

adult ministry and often attended events at Blue Lake. One friend described Harry and Ardis as, “kind, caring, faithful, and always anxious to do a good job,” and noted that, “they made a great team.”

Rev. Kemper died of a heart attack on June 22, 1996. His funeral service was held June 26th at the First UMC of Crestview, the same church in which he and Ardis were married forty-five years before. The service was officiated by Rev. John Wesley Spivey, Rev. Jerry May, and Rev. Tim Trent. He was laid to rest in Crestview at Liveoak Park Memorial Cemetery. Rev. Kemper is survived by his wife and children, Nancy Jeanne Aplin, Donald Bruce Kemper, and Carolyn Annette McMillan.

WILLIAM FRANKLIN LEAVINS

William Franklin Leavins was born December 12, 1948, one of eleven children of Howard and Irene Leavins of Bagdad, Florida. He graduated from Milton High School, Bethany Bible College of Graceville, and the Course of Study program at Emory University.

Bill married the former Becky Williams of Elkhart, Indiana, and they were blessed with two sons: Daniel Charles, born May 24, 1973 and David Franklin, born April 11, 1976.

Danny and his wife, Kristen, currently serve as missionaries in Russia. David is a student at Auburn University.

Success is not always an easy thing to measure in the ministry, but Bill Leavins' success was outstanding in at least two areas. When he was appointed to Park Street UMC in Troy in 1987, the church was somewhat small and tucked away in its location.

Under his leadership, the church grew to the point that the congregation realized the need for larger facilities. Once another congregation bought the Park Street facility, the church began construction of a new church on the Elba Highway. During the interim time, the congregation met in a vacant warehouse, located beside train tracks and just a few blocks south of the town square. Under Rev. Leavins' continued leadership and with steady growth, the new church was completed. In 1991 the congregation decided to change the church's name from Park Street to Park Memorial. Because of this success, Bill was selected to receive the annual Alabama-West Florida Conference Denman Award, the highest honor that can be bestowed on a church pastor for work in the area of evangelism. The ministry there continues to grow and prosper - in large part because of the good work accomplished there under Bill Leavins.

As fruitful as the ministry at Park Memorial was for Bill, he will be remembered by many more for his tireless efforts to minister to the needs of poor families at Christmas. Beginning with Operation Santa Claus in Brantley and continuing with the Pike County Christmas Program in Troy, an enormous amount of good was accomplished for the Kingdom. He became a regular drop-in guest on Troy's WTBF radio morning show, sometimes joking around with the announcers, but often promoting the ministry and the needs of the children of the area. While his ministry at Lafayette Street may not have been as widely

recognized, he had done very well there, too - especially in the area of beginning a ministry for foster children. This ministry helps with gifts at Christmas and clothes for back-to-school in the fall. The church is moving right along with this very relevant ministry.

All who knew Bill Leavins were shocked beyond imagination upon learning of his death on Saturday, April 19, 1997. During the funeral service, Ron Ball encouraged us to focus on his life and how he lived and served, rather than on how he died and the things we cannot understand.

The funeral service was held April 22nd from the Lafayette Street UMC. Worship leaders included: Dothan District Superintendent Rev. Walter Ellisor, who spoke of Bill's smile and enthusiasm and of his love of jokes; Rev. Ken Spivey, who sang the song, "Thank You;" Rev. Dick Sigler, who led the congregation in prayer, and Rev. Ron Ball, who delivered a beautiful eulogy. The burial was at the Sunset Cemetery, located a few miles north of Dothan. Those who spoke there were Bishop William W. Morris and Bill's brother-in-law, Rev. Jimmy Dufriend. He is survived by his wife and children, his mother, three brothers and four sisters, and other loved ones.

After his retirement he served as Chaplain of West Florida Hospital for seven years until 1982. He was instrumental in starting Hospice for Northwest Florida.

The Pensacola News Journal featured him on their editorial page on the occasion of his death under the title,

“Humanitarian zeal - Rev. McLeod’s legacy”

“As West Florida Hospital chaplain and founder of Hospice of Northwest Florida late in his career, the Rev. L. Powers McLeod was merely continuing the humanitarian zeal that motivated the civil rights crusader and former pastor of the First United Methodist Church of Pensacola.

Dead at 76, the Rev. McLeod always had the courage of his religious convictions, believing that one’s faith manifests through a person’s actions. He demonstrated his beliefs in helping break down racial inequality in Alabama from the 1940’s to the 1960’s. As an Auburn, Alabama Methodist pastor, he assisted the FBI in bringing the first African-American students to Auburn University in the 1960’s.

Raised in a traditional white Southern tradition, the Reverend McLeod chronicled his experience in the grassroots civil rights effort in a 1993 book, ‘Southern Accents, Different Voices.’ Like others seeing injustice, the minister - following his father and grandfather into the Methodist pulpit - believed what he was taught and lived his faith by battling segregationist forces then prevalent in Alabama.

By 1970 the Rev. McLeod was (Pensacola) First United Methodist’s minister, but in 1975 he became a hospital chaplain where he saw the need for a permanent facility for the terminally ill to spend their final days. Today Hospice is a vital aspect of Pensacola’s human care community, a tribute to the man who told his sons, ‘Dying is the last thing left to do, and I want to do it with dignity.’ He was a religious leader who lived his creed and helped others win their dignity that will remain the legacy of the Rev. L. Powers McLeod, Sr.”

CLAREN DONNELL MONDAY

Claren Donnell Monday (C.D.) was born in Findlay, Ohio May 7, 1917 to Louie and Sylvia Monday. He was the third of five children and the oldest of two sons. C.D. married Mary Ellen Johnson September 11, 1944 at her homeplace in Opp, Alabama. They were blessed with three children: Pamela Sharyn, born July 13, 1945; Michael Donnell, born February 28, 1953; and Cheryl Ellen, born October 23, 1956. C.D.’s life travels took him down several roads, taking on risks, and meeting challenges.

C.D. grew up on a farm near Mt. Blanchard, Ohio. Throughout his school years he attended Mt. Blanchard High School, graduating in May, 1935. He was particularly fond of literature and history and was a prolific reader. In addition to farm and school work, as C.D. reached his teen years, he worked as a school bus driver and later drove a dairy truck to earn some cash to help the family during the Depression years in the 1930s. After high school he

began farming on his own - until the specter of World War II loomed over the U.S.

In 1941 C.D. enlisted in the United States Army Air Corps. Trained as a cook, he was assigned to Maxwell Field in Montgomery, Alabama. He cooked for approximately 5,000 soldiers every day, though his special talent was in the bakery. It was during this military experience that C.D. met his future wife, Mary Ellen, and discovered his future vocation in electronics.

After his discharge from the Air Corps, C.D. and Mary Ellen moved to Mt. Blanchard, Ohio to be near his family. They lived there four years, until an opportunity to work in the radio service industry in Montgomery, Alabama presented itself. Since this was near Mary Ellen's family and the climate was far more appealing to C.D. than that of Ohio, they gladly moved back to Alabama. This was one of the first risks C.D. would take to try to ensure a better life for himself and his family. It proved to be a wise endeavor, because the radio and TV industry was about to boom, and C.D. was one of the first to envision the future of this industry.

In the early 1950's television was a new idea, and the infrastructure for the industry was being built. Everybody who owned TVs had to have antennas, and television stations had to have towers to receive the radio frequencies for their programming. C.D. installed and maintained them. By the mid-fifties, he had established his own business, "M&M TV Service and Sales." Amidst a growing family and a new business, trials did come. C.D. suffered from a herniated disk in his spine. He underwent a very risky surgery in 1954, and by the grace of God, survived and fully recovered.

From 1960 through 1964, C.D. would live through pivotal experiences which would shape him and his future ministry for God. His father died in 1960 after several years of illness. On Christmas day of 1961, Mary Ellen's only brother suffered a massive heart attack and died. C.D.'s closest friend from his service days also died of a heart attack in 1963. Mary Ellen's father died after an extended illness on Easter Sunday, 1964. This series of losses led C.D. to seek answers about life and death, and through this seeking, he found the Lord and began serving Him in earnest.

C.D. was baptized and joined the Ramer Methodist Church in 1963. His first tentative service to the Lord began by teaching an adult Sunday School class. Eventually, he was called by the Lord into the Lay Ministry, which became the foundation for his future full-time calling to the Lord in 1971. He sold his business and his home to follow the Lord. Some would say that was another risk, but by this time, to C.D., it was not a risk, because he had a deep and abiding faith in God. He knew the Lord would provide, and He did.

To the people in the churches he served he was known as a loving, caring person, who was concretely Bible-centered in his ministry. His church members called him "Brother Monday" because of his low-key, casual style of ministry. His experience as a businessman plus entering the ministry later in life added a maturity and wisdom in his service to the Lord. These attributes were appreciated by the churches C.D. served. He also had fun with his churches. In one particular church, a series of skits provided laughter and fun - with C.D. providing a most remarkable likeness to "Barney Fife" the Deputy Sheriff of "The Andy Griffith Show," with all of the shenanigans and mannerisms in place. In the newsletters he published for his churches he regularly inserted articles which reflected the humorous side of parsonage life or other humorous anecdotes from day-to-day living. He wanted God's children to know that having fun and laughing was as much a part of being a Christian as any other Christian activity.

Though retired from his full-time ministry in 1983, he was called back a few more times to serve the Church and the Lord in active ministry. He and Mary Ellen settled in Montgomery, and were active in both the Asbury and Perry Hill UMC's.

C.D. was diagnosed with Non-Hodgkin's Lymphoma in November 1996. He died from complications with his first chemotherapy on December 16, 1996. The Reverends Jim Reece, Lewis Doan, and Robert Cruikshank officiated at the service of worship held in memory of C.D. on December 19, 1996 at Perry Hill United Methodist Church. Rev. Don Osgood provided special music during the service. Reverend Monday is buried at the Alabama-Heritage Cemetery located on the old Atlanta Highway.

ALBERT DON PETERS

Albert Don Peters was born August 1, 1947, in Slocumb, Alabama. His parents, Wesley B. Peters and the former Linnie Mae Tew; each grew up in the Slocumb area. He was the fourth of seven children, born into a poor share-cropping family. With a less than healthy home life and a series of bad experiences at the Pentecostal church his family attended, Albert Don turned away from the church. Their mother did her best to help the children understand that one's faith shouldn't be based on what other people believe, but on Christ alone. He was eighteen when she died, and for the next eleven years he made one bad decision after another.

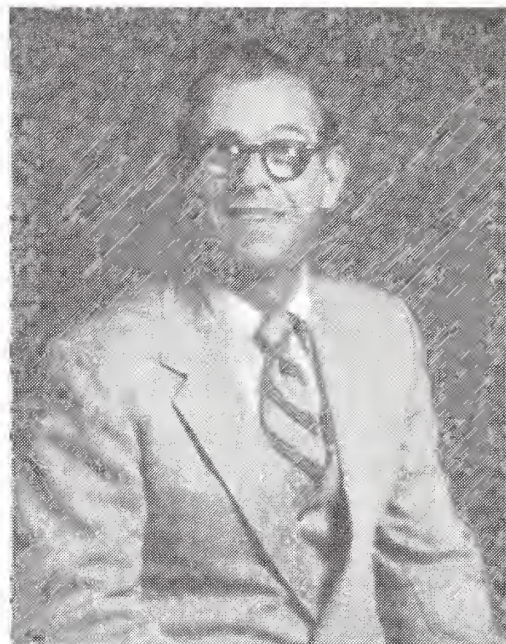

er. When at his lowest point in early 1976, he finally turned to Christ. Several months later he first felt the call to preach. Not long after that, Albert Don met “the most wonderful woman a man could ask for in a wife.” He married the former Johnnie M. Herring in Slocomb on December 4, 1976, the ceremony performed by Rev. Walter Collins.

The Peters had five children from their previous marriages: Lisa Bryan, born March 3, 1965; Susan Stevens, born September 15, 1969; Ivan Peters, born September 6, 1972; Stacy Peters, born April 17, 1974; and Kenneth Peters, born June 13, 1974.

After attending a Methodist Camp Meeting in the summer of 1979, Mr. Peters decided to give the Methodists a try. The next summer he took his first appointment. In the years to come he passed the G.E.D. test and attended colleges near his appointments. This journey would take him to Chipola Jr. College, Lurleen Wallace Jr. College, and both the Dothan and Ft. Rucker branches of Troy State University. After earning a B.S. degree in accounting from TSUD in 1989, he completed the nine year Course of Study program at Emory in 1990. He was ordained a Deacon and admitted as an Associate Member of the Conference in 1986.

Rev. Peters developed cancer in July of 1994 and never recovered. He died January 24, 1997. His funeral service was held January 28 at the First UMC of Bonifay, with Rev. Randy Woodham, Rev. Earl Capps, and Marianna-Panama City District Superintendent Rev. Dick Wright presiding. Burial was in the Bethlehem UMC Cemetery, with Rev. Earl Capps and Rev. Dick Wright officiating at the graveside.

In the closing paragraph of Rev. Peters’ autobiographical statement for the Board of Ordained Ministry, he wrote: “I know beyond any doubt God called me to be a shepherd to his people and my plan is to always be the best pastor I am capable of being.”

KARL DAVIS STRINGFELLOW

Karl Davis Stringfellow, the son of George W. and Nellie Davis Stringfellow, was born September 29, 1919, in Wilmer, Alabama. He moved to Mobile as a young child and lived there until his family moved to Theodore during his 9th grade year. He went on to graduate from Theodore High School. Karl married Clemie Elizabeth Dossett on April 8, 1939. Their two children are Karla Stringfellow Johnson and Gary William Stringfellow.

During World War II Karl was a navigator in the United States Navy and served in the South Pacific. Three years after his return to civilian life, while living contentedly with his family in Mobile, he was called to the ministry of the church. With the support of Clemie and his mother, who lived with them, he determined to attend college to prepare himself to better answer that call.

Karl was appointed to the Millry Charge in 1950 where he served as a student pastor and went to Livingston State College. He was graduated with honors in 1953 and later received

his Master's Degree from Troy State. He was received into Full Membership in the Alabama-West Florida Conference in 1955.

One cannot think of the Stringfellow family without thinking of love, stability, and devotion. They shared mutual respect and affection and always worked together as a family unit. Karl and Clemie instilled, by their example as well as by their teaching, the highest moral values and spiritual values in the lives of their children and grandchildren. Theirs is a priceless heritage.

To their church members and friends, their home served as a model of what family life is all about. This was true everywhere they made their home, too.

One of the qualities that was apparent in Karl's life was his ability to keep hope alive, even in the face of overwhelming odds. Hope did spring eternal in his daily life. He responded to the challenge the writer to the Hebrews issued: Reach out and take hold of hope! Seize hope! Grasp hope! Hold fast to the confession of hope without wavering.

The French philosopher Albert Camus recorded, "In the midst of winter, I finally learned that there was in me an invincible spring." Karl incorporated that attitude in his living.

Karl knew that the task of every disciple of Christ is to offer hope to a highly mortgaged world, and he preached that message. Because he had internalized hope himself, it was contagious. He held fast to the confession of hope, without wavering, for he knew God is faithful.

Just think of the comfort he offered, throughout the thirty-two years he lived and preached in the active ministry and beyond, with the message he proclaimed.

Karl served up the message of faith, hope, and love with grace and humor. To those he served as mentor, he taught the meaning of confidentiality and the value of trust relationships. At the same time, his young colleagues learned that ministers did not have to be stuffy, long-faced, and preach long, boring sermons. He had a really marvelous sense of humor, that ability to add the spice of humor in the good times and in the not-so-good times. His humor was often the catalyst that made a situation more bearable.

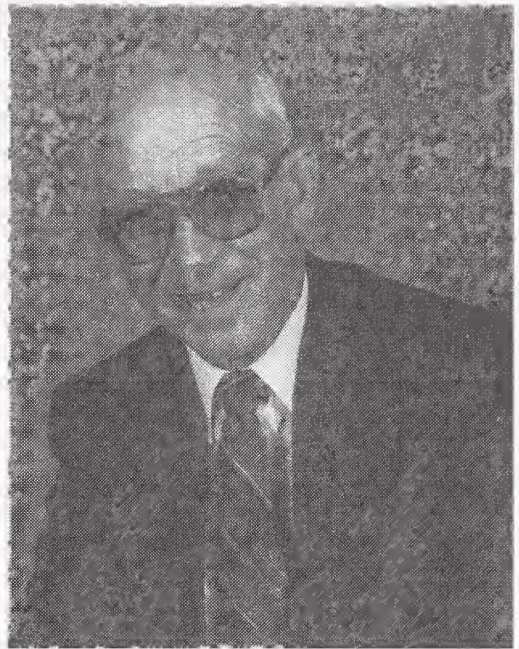

The last years of Karl's life were somewhat restricted physically, but the quality of his searching intellect and of his emotional and spiritual life never faltered.

Neither did his trust in Christ and his love for the church falter. He truly loved the church, its faith and its life. He loved the hymns, the rituals, and the traditions of the church and served it well. He could have been a church musician, for he was an accomplished pianist; but he responded to God's call to serve as a minister of the Gospel.

Karl was a faithful minister. He lived with his people. He spent his life as a pastor ministering to the needs of his church members and others who needed him. And when there was a need, time lines or miles did not matter.

Karl Davis Stringfellow knew that what ultimately matters most in life is personal relationships, to love and care for others and to be loved and cared for in return. He lived out the teachings of Christ, which he preached, with his own life.

Thank God for his love and warm humanity, his courage and endurance, his humor and his faith, and the life we shared with others, God's good and faithful servant.

CULLEN BRYANT WILSON, II

Cullen Bryant Wilson, II was born May 9, 1945 in Fairhope, Alabama to Skipperville natives Rev. Cullen Bryant Wilson and Minnie Eunice Monk Wilson. As a Methodist minister's son, he grew up in various towns throughout the Conference. He graduated from Murphy High School in 1963. Bryant earned a Psychology degree from Birmingham-Southern College in 1968. He received his Masters in Guidance and Counseling from the University of South Alabama in 1974. He completed Emory's five year Course of Study in 1983 and did advanced studies in 1985 and 1986. His first marriage ended, but produced a son, Cullen Bryant Wilson, III (husband of Paige Previto). Bryant married Pamela Woodham on August 10, 1974, and fathered two daughters, Natalie Joy Wilson Wheeler (wife of Russell), born January 1, 1978, and Jessica Leigh Wilson, born July 14, 1980. He was also the proud grandfather of three: Haley Jordan Wilson and Sally George Wilson of St. Augustine, Florida, and Christian Bain Wheeler of Montgomery.

Bryant was born into a family which has produced a number of United Methodist ministers. In addition to his father, there were his uncle, the late Rev. Robert L. Wilson, cousins, Rev.'s Si, John Ed, and George Mathison, and a great uncle, John Oscar Ellisor.

Bryant answered the call to preach in 1977. His ministry was one of great compassion, and his schooling in the area of counseling was a wonderful asset. He was the picture of health, and a very good athlete. He served on the Conference Pastoral Care and Counseling Board, the Conference Hispanic Ministry Committee, and was very active in the Partners in Ministry Program. He had a tremendous ministry at the Daphne church, which recently honored his memory by voting to name their new education building for him. The newly formed young adult class at Normandale was also named in his memory.

In 1994, Bryant was diagnosed with lymphoma - the very type of cancer that took the life of his father at a young age. The initial prognosis was somewhat encouraging, and Bryant faced it as he faced everything else: he trusted in the Lord, did what the doctors asked him to do, and faced each new day with that bubbling enthusiasm and intense, tenacious faith which was so evident to all who knew him.

Despite his faith and the prayers of thousands, the fall of 1996 was Bryant's time. He died October 28, 1996 at the Normandale parsonage. Though it was a crushing blow for his family, friends, and church members, his death did not leave them without hope and encouragement. The Normandale congregation, which I now pastor, was so blessed by his ministry. Here are a few of their thoughts and feelings expressed for this obituary:

"Bryant had such an impact on my family...He showed us how to love the Lord" "I had a very minor operation with just an overnight hospital stay. During that time, Bryant had just gotten home from his long hospital stay and was very sick. As sick as he was, he took the time to call and check to see how I had come through my operation. I will never forget what that act of love and kindness meant to me."

"It was the last service Bryant held before going to Birmingham for his transplant. He didn't know if he would be returning to Normandale or entering the pearly gates, but his last request of his congregation was, 'Feed my sheep.' When I look at the children at Normandale and remember Bryant's heartfelt prayers, the words 'Feed my sheep' echo in my mind." "Bryant gave me the courage to face his death."

Bryant's last act of ministry was the receiving of a confirmation class. He arrived via wheelchair, struggled to his feet, baptized and received the young people, got back into the wheelchair, and went home. He died eight days later.

The funeral service was held at Normandale UMC on October 30, 1996, with Montgomery District Superintendent Dr. Asa Boozer, Rev. Tom Sheppard, and Rev. G.L. Story, Jr. officiating. Another service was held the next day at the Union Baptist Church near Grand Bay, Alabama, with Rev. Tom Sheppard delivering the eulogy. Bryant was laid to rest in the church cemetery. In Asa Boozer's message were these words: "Bryant's life and ministry were all too brief in terms of years, but the depth and quality of his ministry were beyond measure."

In addition to his wife, children, and grandchildren, Bryant is survived by a sister and brother-in-law, Bettie Wilson and Rev. Geoffrey L. Story, Jr., of Bloomington, Illinois, two nieces, and three nephews.

ROBERT WARREN WINGARD

During the time Dr. Robert Warren Wingard knew his days left on earth were few, he planned his own funeral service. Those plans included asking specific people to take part in specific ways in the service. One of these requests was for his good friend of some thirty years, Karl Stegall, to address the subject, "Testimony to a Life in Christ." Dr. Stegall spoke of Bob's life: of his birth on January 28, 1937; of his boyhood in the Chisholm community of Montgomery; of his loving relationship with his wife and children; of the fact that he died on the day of Pentecost; and of the utter confidence with which he faithfully embraced his salvation and the life to come. In the eulogy, Dr. Neal Berte, President of Birmingham-Southern College, spoke of Dr. Wingard's distinguished academic career; of the great popularity and respect with which he was regarded by his students; of his work and accomplishments in the area of prison ministry; and of his love of fixing things that needed repair around the Wingard household. Even the worship bulletin for the funeral service was Bob's own design, with special care given to see that the largest print on the cover was reserved for the phrase, "to the Glory of God."

Dr. Robert Wingard died May 18, 1997, at his Birmingham home following a long bout with cancer. His funeral service was held May 20th at the First UMC of Birmingham, with Bishop Paul Duffey, Dr. Karl Stegall, and Dr. Neal Berte officiating. He was buried at the Hillcrest Cemetery, located near Goshen in rural Pike County. Those who led the graveside service were Dr. Henry Roberts, Rev. Jeff Spiller, and Orris Sanders.

Bob is survived by his wife of 38 years, the former Nancy Whatley, a teacher of piano and music theory in the Birmingham-Southern Conservatory, and their three children: Amy, an attorney on staff at Vanderbilt University; Alicia, a special education student in Birmingham; and Eric, a professional musician. In addition to his wife and children, Dr. Wingard is survived by a brother, Raymond R. Wingard of Gulf Shores (who also spoke briefly at the funeral service); a grandson, Ryan Templeton of Nashville; a son-in-law, Donald Templeton of Nashville, and other relatives.

The remaining portion of this memoir is taken from the worship bulletin for Dr. Wingard's funeral service:

Dr. Robert Warren Wingard held the position of Denson Franklin Professor of Religion and Director of Church Relations at Birmingham-Southern College, having served for nineteen years in various academic and administrative positions. He developed educational programs and continuing education opportunities for clergy and laity in both the North Alabama

and Alabama-West Florida Conferences. Dr. Wingard's professional career includes sixteen years as a pastor in the Alabama-West Florida Conference of the United Methodist Church.

Wingard received the Bachelor of Arts degree from Birmingham-Southern College in 1959 (magna cum laude and Phi Beta Kappa), the Master of Divinity from Union Theological Seminary in New York in 1962, where he was a Rockefeller Fellow, and the Doctor of Ministry from Emory University in 1989. He was a Research Fellow at Yale Divinity School in 1986. He has lectured throughout Greece on the life and ministry of Paul, and studied Biblical Archaeology at St. George's College in Jerusalem. He has led four expeditions to Greece, Turkey and the Greek Islands for in-depth study of Paul's ministry, as well as student journeys to the Holy Land.

Dr. Wingard's writings include three books: Portraits of Christ in Scripture, published by Discipleship Resources in 1987 and offered to United Methodist Churches as their recommended Lenten Bible study for 1988; Portraits of Christ Volume 2, published in 1989; and his soon to be published Paul and the Corinthians, a definitive examination of Pauline theology arising from the experiences of ancient Corinth and the applications to renewal of New Testament churches in today's society. Dr. Wingard's work has been frequently published in various periodicals of the Church, and he has taught Bible studies and seminars in more than 300 churches throughout the nation. He was a frequent lecturer on college campuses and on staff as lecturer at Jerusalem Center for Biblical Studies. He was active in community affairs as founder and former State President of Alabama Volunteers in Corrections and as one of the originating Commissioners of the Gulf Islands National Seashore in Florida, Alabama and Mississippi. A scholarship fund has been established at Birmingham-Southern in Dr. Robert Wingard's name. This fund will aid ministerial and humanities students in need of financial assistance.

JAMES ABRAHAM ZELLNER

James Abraham Zellner was born on June 5, 1912 at Brunswick, Georgia, the eldest son of James Otis and Bessie Carmichael Zellner. He had two brothers, George Otis and Wilfred; and two sisters, Mary Carolyn and Martha (Newman). He grew up in Birmingham where his father was a dispatcher for the Southern Railroad. James' religious home life was described as "hard shell Baptist." His mother was a state leader of the Woman's Christian Temperance Union and his father was sympathetic to the Ku Klux Klan.

James attended high school at Toccoa Institute (Georgia) where he worked for room and board stoking the steam boiler. He earned his Bachelor's degree from Bob Jones College while it was located in Lynn Haven, Florida. There he met his future wife, Ruby Hardy, the daughter of Rev. J.J. Hardy of what is now the Alabama-West Florida Conference. James was one of Dr. Bob's "Preacher Boys" and spent some time preaching in Eastern Europe trying to convert

the Jews of Poland, Hungary and part of Russia.

James and Ruby were married December 31, 1935 at Fort Deposit, Alabama by Dr. Bob Jones. They spent their early married life running a soup kitchen and preaching on the streets of Mobile, Alabama. James later joined the Methodist Conference and began a lifetime of circuit preaching all over small town south Alabama and west Florida. At one time he served seven churches with only a bicycle, not being able to afford a car. Ruby and James had five sons: James Hubert (7-25-37); John Robert (4-5-39); Richard Douglas (9-24-41); David Otis (2-9-44; and Malcolm Cary (2-7-46).

At some time after 1946 James had a spiritual awakening and became convinced that Jim Crow segregation was not of God and Christ was calling him to witness to the Church on behalf of the nation's Negro citizens. He began to develop a network of like-minded ministers, which included Andrew Turnipseed, Jim Love, Tom Butts, C.C. Garner and Fletcher McLeod. Together they proclaimed a Gospel of inclusive love which recognizes the dignity and equality of people of color. By 1959 James was a prophet without honor in his own country and without support of his own Church. He and that brave little band of ministers stood their ground and made the Church what it is today.

James spent his last years quietly and peacefully ministering to small town Alabama churches, tending his garden and making things out of things nobody else saw any use for. He lived the last three years of his life in the home of his son Malcolm, his wife Suzanne, and their five children. His wife Ruby still lives there also. James died quietly at home on October 5, 1996, surrounded by his loving family. The funeral was held October 7th at Daphne UMC, Rev. Mike Sigler, pastor. He was eulogized by Rev. Floyd Enfinger, Rev. Andrew Turnipseed, Rev. Tom Butts and Rev. Jim Love. Also speaking were sons Bob Zellner and Douglas Zellner and grandchildren Margaret Zellner and Dave Zellner. He is buried in Greenwood Cemetery near Loxley, Alabama.

ALICE TYLER BARNES

Alice Tyler was born July 9, 1903, in Birmingham, Alabama. Her mother, Florence Foulks was from Bremen, Kentucky, and her father, Job T. Tyler, was from Waverly, Alabama. Miss Tyler graduated from Shades Cahaba High School in Birmingham in May, 1922.

Alice was the wife of the late Wallace Grady Barnes. They were married June 22, 1922, at the Bluff Park Methodist Church (M.E., South) in Birmingham. LILLIE SOWELL MIXON

Lillie Sowell was the second of seven children born to Nancy Lula Watford and Andrew Lewis Sowell. Her birth occurred on January 28, 1906, and her childhood and youth were spent on the family place three miles south of Graceville, Florida. She was raised in a home of Methodist Christians; her family, which included five other girls and one boy, was active in the nearby Springhill United Methodist Church (M.E., South at the time).

Lillie Sowell became the bride of Geneva native Aaron Quincy Mixon on February 19, 1942. Twelve years later, A.Q. entered the Methodist ministry. They served a number of charges and churches in southeast Alabama and the Florida panhandle, making many friends along the way. While Lillie and A.Q. did not have children together, they each had children from previous marriages.

I remember the Mixons as a couple small in physical stature but great in their love of God. On occasions when I would see them at Blue Lake, I recall the two of them always sitting or standing near the front of the chapel, praising God with all their hearts. Lillie's sister Beulah says that the things she found great joy in being a part of were church work and yard work. She always preferred activities that required being up and about, as opposed to those things for which one would remain seated.

The Mixons retired to Chipley and were active in the Chipley UMC as long as their health allowed. Rev. Mixon died on November 14, 1989. Lillie spent the last two years of her life in a Graceville nursing home. She passed away on May 11, 1997, at the age of ninety. Lillie's only child, a daughter, died years ago. She is survived by three sisters and other relatives. Her funeral service was held at the Chipley UMC, with Rev. John King and Rev. David Warren presiding. Lillie was buried next to her husband in the Wachob Forest Lawn Cemetery in Chipley.

LILLIE BELLS ROBERTS

When John T. and Alice Metts Salter of Monroe County (not far from Monroeville) brought a baby daughter into the world on January 31, 1891, it is doubtful they could have imagined just how long she would remain here. Lillie Belle and her family, which included five brothers and a sister, moved to Milton, Florida in 1900. She graduated from Milton High School and earned a teaching certificate at the University of Tennessee. Miss Salter was teaching at the Milton Elementary School when she met the Methodist preacher from Munson, Rev. Claude Peavy Roberts. Born October 4, 1892, in Brewton, Alabama, Claude was the son of the Rev. Joseph Prior & Mrs. Loula E. Rowell Roberts. The younger Rev. Roberts earned an A.B. degree from Southern University, Greensboro, Alabama, in 1911. He went on to teach school for several years before he and Miss Salter were married in her grandmother's home in Milton on August 27, 1917. The Roberts family was blessed with one child, John Paul, born May 15, 1923.

The years of ministry, child-raising, and the empty nest passed quickly, but came to an abrupt halt when Rev. Claude Roberts suddenly took ill and died within hours on September 22, 1948. He was buried in the cemetery at Milton.

Faced with the opportunity to change courses, Mrs. Roberts soon moved to Pensacola and supported herself as a seamstress in her home. She became very active in the Gadsden Street UMC, working in the children's department and teaching Sunday School as long as she was able. In fact, some of the last children she taught in the six to nine year age group were the fourth generation of their families to have Lillie as their Sunday School teacher. She received a tremendous honor in April of 1984 when the church decided to name the building in which the Children's Department is contained the "Lillie Belle Roberts Building."

Mrs. Lillie Belle Roberts died April 3, 1997, at the age of 106. The last seven years of her life

had been spent in a Pensacola nursing home, and her ability to communicate was gone for the last four of those years. It is amazing to consider that she married at twenty-six (late for a lady of her generation), was married to her husband for thirty-one years until his death, and that she had been a widow for forty-eight years! The funeral service was held at Harper-Morris Memorial Chapel, with Rev. Ed Britton of Gadsden Street UMC and Rev. Marquis Wingard of Gonzalez UMC officiating. She was laid to rest next to her husband at the Milton Cemetery. Mrs. Roberts is survived by her son and daughter-in-law, John P. and Jewell Roberts; four grandchildren, seven great-grandchildren, and four great-great grandchildren.

“That the Task Force be authorized to engage the consulting service of the J B Orman Center at Duke University to assist in this study.

“That funding for this study be requested from the Conference Council on Finance and Administration in an amount not to exceed \$10,000.

SECTION E

A REQUEST FOR EPISCOPAL RULINGS ON QUESTION OF CHURCH LAW

Clergy Counsel for the Rev. Lee Charles Robison, the Rev. Thomas Lane Butts, comes now to the Alabama-West Florida Annual Conference, meeting in regular session at Huntingdon College in Montgomery, Alabama, on May 26, 1997, to request of the Presiding Bishop, William Wesley Morris, Episcopal Rulings on certain question of Church Law as they apply to the case of the Rev. Lee Charles Robison in application of paragraph 436 of the 1992 Book of Discipline and the equivalent church law in paragraph 328 of the 1996 Book of Discipline when read in the light of Judicial Council Decision #777.

A STATEMENT OF FACTS

The Rev. Lee Charles Robison was placed on Leave of Absence by the Alabama-West Florida Conference Board of Ordained Ministry on September 4, 1989, in response to a recommendation by the Joint Review Committee, both of which agencies had illegally exercised jurisdiction in his case without a signed grievance and specific complaint necessary to establish a legitimate basis for action against the Rev. Lee C. Robison [See JCD #777 (Analysis)]. This so called "Voluntary Leave of Absence" was not requested at the time and never specifically nor officially requested at any time in subsequent years by the Rev. Lee C. Robison, and any indications of agreeing to the so called, "Voluntary Leave of Absence" were made in resignation to what he believed was inevitable action by the Board of Ordained Ministry. Further, he was admonished that a favorable response to his request for an appointment in the Alabama-West Florida Conference, or approval for transfer for appointment in another Annual Conference, would be contingent on his complete cooperation with the process and objectives which the Joint Review Committee and the Board of Ordained Ministry set forth for him.

Although it is now clear that the actions of Bishop Hancock, the Joint Review Committee, and the Board of Ordained Ministry were not legal, including the process and objectives, the Rev. Lee C. Robison followed their dictates on the assumption that the foregoing officials of the Church were competent, and that their actions were legal. Additionally, he did so to avoid the inherent potential of being charged with Disobedience to the Order and Discipline of the Church, as had been interpreted to him by the foregoing officials.

While the Rev. Robison repeatedly requested that he be removed from so called, "Voluntary Leave of Absence" and given an appointment, he was continued thereon from September, 1989 until the 1994 Alabama-West Florida Annual Conference. At the 1994 Annual Conference he was placed specifically, but illegally, as determined by the Alabama-West Florida Conference, Administrative Review Committee and JCD #777, on INVOLUNTARY Leave of Absence. He remained on INVOLUNTARY Leave of Absence until the 1995 Alabama-West Florida Annual Conference. At that time he was given an appointment.

During the interim years, the Rev. Robison worked at a variety of jobs to feed, clothe and provide shelter for himself at the minimum survival level, and to the extent possible, to support his children who were living, at the time, with the Rev. Robison's former wife.

In their review of Episcopal Rulings rendered at the 1995 Annual Conference, the Judicial Council awarded recompense in the amount of the equitable salary level for Annual Conference Year 1994-95, in JCD #777.

Additionally, the Judicial Council ruled in JCD #777, that the process by which the Rev. Lee C. Robison was placed under the jurisdiction of the Joint Review Committee and the Board of Ordained Ministry, and by which he was placed in any kind of leave of absence status, for any reason, was "fatally flawed" from the outset (Bishop Hancock's direction, Joint Review Committee's recommendation and the Board of Ordained Ministry action), due to the absence of a timely signed grievance and a complaint which contained the necessary specifics.

In partial compliance with JCD #777, the Alabama-West Florida Conference paid the Rev. Lee C. Robison \$21,871.00 which represented the minimum equitable salary and pension benefits for 12 months of June 1, 1994 to June 1, 1995. He was not compensated for housing and health insurance which are benefits to which every United Methodist minister under appointment in the Alabama-West Florida Conference, was entitled and did receive.

QUESTIONS OF CHURCH LAW

1. By the authority of paragraph 436, of the 1988 and 1992 Book of Discipline, as seen in the light of JCD #777, is not the Rev. Robison entitled to financial recompense of salary and monetary value of benefits for those years that he was denied an appointment (from June, 1989 to June, 1994) as a result of his being illegally placed on so called, "Voluntary Leave of Absence"; by officials of the Church who either knew or should have known, that a competent grievance or complaint did not exist; upon which a valid charge could be made according to paragraph 2623i, the 1988 Book of Discipline, and the equivalent paragraph in the 1992 Book of Discipline; and, accordingly, there existed no basis for placing him involuntarily on so called, "Voluntary Leave of Absence?"
2. Does not the Judicial Council in its decision #777 provide a moral and legal imperative for total financial recompense (herein referred to as salary, pension benefits, housing, health insurance premiums and other remuneration) for the year (June 1994-95) that the Rev. Robison was specifically, illegally placed on Involuntary Leave of Absence by the Alabama-West Florida Annual Conference?
3. Is not the Rev. Robison entitled to the monetary value of unpaid benefits (housing and health insurance, remuneration provided for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1994-95, in addition to equitable salary and pension benefits?
4. Since the process was "fatally flawed from the outset" per JCD #777, and since the Rev. Robison was in full connection and available for appointment, should not the Rev. Robison have been given an appointment upon his return to Alabama-West Florida Conference jurisdiction, in June 1989?
5. Does not the payment of equitable salary for any year in which an appointment was illegally denied mandate by implication, fairness, and precedent of Judicial Council Decisions (for example: JCD #492 and 777), include the payment for all (i.e., salary, pension benefits, housing and health insurance premiums) benefits which were part of standard compensation for a clergy person in full connection and under appointment in the Alabama-West Florida Conference?
6. Is not the Rev. Robison entitled to total financial recompense (salary, pension benefits, housing and health insurance which were a standard part of compensation for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1989-1990? (12 months) (See digest of JCD #777)

7. Is not the Rev. Robison entitled to total financial recompense (salary, pension benefits, housing, health insurance and other benefits which were a standard part of compensation for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1990-1991? (12 months) (See digest of JCD #777)
8. Is not the Rev. Robison entitled to total financial recompense (salary, pension benefits, housing, health insurance and other benefits which were a standard part of compensation for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1991-1992? (12 months) (See digest of JCD #777)
9. Is not the Rev. Robison entitled for total financial recompense (salary, pension benefits, housing, health insurance and other benefits which were a standard part of compensation for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1992-1993? (12 months) (See digest of JCD #777)
10. Is not the Rev. Robison entitled to total financial recompense (salary, pension benefits, housing, health insurance and other benefits which were a standard part of compensation for clergy in full connection and under appointment in the Alabama-West Florida Conference) for the year 1993-1994? (12 months) (See digest of JCD #777)
11. Since the effects of inflation diminished purchasing power from June 1989 until Rev. Robison was given an appointment in 1995, should not the financial recompense include an amount equal to the Consumer Price Index (CPI) for each of the years in question, compounded by the amount of the CPI, be added to the cumulative amount from the previous year, for each of the years in question? I.e., $CPI(1989) \times \text{total financial recompense}(1989) = y$ (for 1989). $CPI(1990) \times \text{total financial recompense}(1990) + y \times CPI(1990) = z$ (total financial recompense for 1989 and 1990 adjusted for inflation); and so forth for each succeeding year until he was given an appointment.
